RAIN WEDNESDAY NO PLOWING

All Day Downpour Made Postponement of Events Necessary

The downpour of rain on Wednesday morning was greeted with keen disappointment by the officers and committee in charge of the plowing match and by the plowmen from all parts of the province who are gathered here for the contest. However the disappointment was taken in good part by all as it was agreed that none of the officials had any particular control over the weather man.

There were sixty-four entries for Wednesday and the plowmen sat around all morning waiting for Jupiter Pluvius to call off his moisture but to no avail. In the early morning it was decided to wait until noon and if it failed up to go ahead with the match. By noon there was little improvement and it was impossible to go on with the plowing. The events which were scheduled for Wednesday will be run off on Thursday and Friday, if the weather permits.

NEIL CALDER

Of Holstein Ontario, director of Ontario Plowmen's Association.

A Message of Welcome From The Mayor of Toronto

To the men who plow our fields and reap our harvests, who by hard labour produce that which is so necessary to all, we owe a great debt of gratitude, and it is with a feeling of deep appreciation that I extend a hearty welcome to the plowmen participating in the Provincial Plowing Match being held in York County.

The interests of the city and the country parts are bound together. Each is indispensable to the other. It is our desire to co-operate with the people of the rural districts in every way, and I believe the same desire animates them. United effort will result in mutual benefit.

I hope they will have favorable weather for the Match, which I trust will be one of the most successful ever held.

THOMAS FOSTER, Mayor

Mayor's Office, October 10th, 1927

Ideal Weather On First Day International Plowing Match

MUNICIPAL FARM A TENTED CITY AS
PLOWMEN COMPETE FOR HONORS.

With ideal weather prevailing the great and long heralded International Plowing Match and Farm Machinery Demonstration got under way on Tuesday morning with the competition of the York County Associations providing the program for the first day. The entries which numbered sixty two on the opening day, the crowd of spectators and the exhibits on the grounds were all very gratifying to the officers and committees in charge.

The Municipal Farm has been transformed into a tented city for the event with rows of tents and exhibits and thousands of people making a picture long to be remembered. Plowmen by the score from all parts of the Dominion are taking part in the competition and visitors are on hand from far and wide. Everything that could possibly be done has been arranged by the local committee and everything at the match is going along like clock-work. In the headquarters tent Mr. J. Lockie Wilson and his staff assisted by the local committees have all arrangements and the numerous detail of the organization well in hand and the interests of plowmen, exhibitors, caterers and visitors are well looked after.

It is hard to estimate the crowd in attendance as when a crowd scatters over the broad acres of the Municipal Farm it is hard to picture them in an ordinary ground. It is confidently expected however that before Friday

night the number of visitors will reach nearly the hundred thousand mark.

A very interesting feature of the match and one which is an innovation at plowing matches is the exhibition of dairy cattle by the York County Breeders. In days gone by York County was regarded as one noted for horses sheep and beef cattle; however the demand for whole milk has changed the situation and to day it is estimated that there are nearly 50,000 dairy cattle in the county. Holsteins and Jerseys are represented at the match. The animals shown are all registered and fully accredited and are owned by the following breeders; holsteins Carl James, Thornhill; Porter Bros. Thornhill; W. Haynes, Newmarket, and Wilmot Bros. Sharon; Jerseys, Alf Baggs, Edgeley, Angus Cowieson Roche's Point; Reg. Wood, Aurora.

The exhibits of manufacturers and merchants also attract a good deal of attention and prove very interesting to the visitors to the match. The refreshment booths are attractive and well equipped and are serving the choicest of varied menus.

Visitors to the match are reminded that parking on the road is not permitted. The parking privileges have been sold to the Christie Street hospital branch of the Canadian Legion who have charge of all parking on the grounds.

The winners in the York County contest on Tuesday are as follows:

FIRST CLASS—(IN SOD)		
Championship Class for York County		
1—Prize, by Mrs. James A. Rennie, Markham	\$50.00

Mr. and Mrs. Jas. Baker Celebrate Golden Wedding

The fiftieth anniversary of the wedding of Mr. and Mrs. James R. Baker, of Grand Valley, Ont., was celebrated at the home of their daughter Mrs. Lewis Clement of Carrville, Ont. on Monday, October 10th, 1927.

It is interesting to note that Mr. Baker is of English birth, being born in Hampshire, England, in 1856, where he lived until he was fifteen years of age, thence coming to Texas with his parents where he remained for nearly three years as a gentleman's helper. Mr. Baker removed to Ontario in 1874, farming in the vicinity of Richmond Hill, where he pursued his occupation as a farmer until sixteen years ago. In 1877 Mr. Baker married Adeline B. Coombs, daughter of Mr. and Mrs. John Coombs, of Carrville, Ont. Mr. Baker purchased a milling, coal and wood business at Grand Valley, Ont., in 1911, which occupation he continues to follow.

The event of the celebration attracted in the neighborhood of over fifty guests, these being the immediate relatives and close friends of the Baker family. Noted among the guests were friends from Los Angeles, Cal., East End, Sask., Bracebridge, Severn Bridge, Newmarket, Richmond Hill and Toronto.

At 6 o'clock the guests repaired to the dining room to partake of a dainty wedding breakfast. The table was appropriately ornamented with a beautiful wedding cake placed before the bride, and huge wedding bell was suspended above the cake.

At the conclusion of the repast the guests remained seated while an address of appreciation from the family was read by the oldest son, Mr. William Baker, and a purse of gold and a bouquet of butterfly roses were presented to Mr. and Mrs. Baker by their eldest daughter, Mrs. William Tyndall, and their grandson, Master Billy Baker, presented them with a cheque from his father, Mr. Ernest Baker of East End, Sask.

Mrs. Baker wore a gold brooch which was the gift of the groom at their wedding fifty years ago.

At this juncture the guests withdrew to the drawing-room to spend the evening engaged in happy reminiscences of the past.

Of a family of six, two sons and three daughters are still living, the youngest son having been killed in the great war.

The sons and daughters present at the celebration were: Mrs. William Tyndall, Richmond Hill, Ont.; Mrs. J. H. Prentice, Toronto, Ont.; Mrs. Wm. Baker, Grand Valley, Ont.; Mrs. Lewis Clement, Carrville, Ont. Mr. John Baker, adopted son, of Richmond Hill Ont., another son, Mr. Ernest Baker resides at East End, Sask. There are also twenty-four grandchildren and two great-grandchildren.

Mr. and Mrs. Baker were the recipients of many beautiful gifts, among which were: a beautiful reading lamp from the grandchildren several gold pieces and many bouquets of mums and roses.
