GENERAL NEWS AND VIEWS

The annual Peel plowing match is to be held on the farm of H. A. Wilson, 3 lots above Sandhill, on Friday, October 21st.

Mr. Phillips of Highland Creek appeared before Markham Township council at the last regular meeting offering to draw gravel or crushed stone at 25 cents per yard for loading and 25 cents per mile for hauling, up to five miles, over five miles no charge for loading. The council told Mr. Phillips that that they would compare his offer with the present costs for hauling and if they were lower, his offer would be considered.

Tottenham's tax rate has been fixed at 37 mills on the dollar. This is a reduction of 5 mills from last year's rate.

Two farm wagons drawn by horses and loaded with household goods and farm equipment, and covered with "tarps", passed through St. Thomas the other day. Inquiry brought the information that Clinton Learn, an East Elgin farmer, was moving across the line to Indiana, and finding truck or rail transport prohibitively high in price was taking his effects by wagon. He expects to be 14 days on the road.

Anniversary services will be held in the Nobleton United Church on Sunday, October 16th. Rev. Walter Rackham, of Whitevale, will be the special preacher. An augmented choir will provide special music.

Joseph Tomlinson, a lifelong resident of Markham township, aged 71 years, passed away at the family residence Box Grove, on Friday last after a short illness. Mr. Tomlinson had been engaged in his ordinary duties on the farm until a few days before his demise. He was unmarried, and lived with his sister, Sarah, and one brother Scott. He was identified with the Mennonite Church.

Over fifty members and friends of the Daughters and Maids of England Benevolent Society attended the lodges annual corn roast, held last Friday evening in the orchard of Mrs. W. Hinchcliffe, Johnson avenue, Lansing. Under the supervision of President Mrs. I. Astles and Convener Mrs. G. Joyce, a splendid program of games and dancing was staged, with intervals of corn, weiner and marshmallow roasting.

During the evening Messrs G. Elbourne and Harry Evans as colored gentlemen kept the entire company merry.

Eggs jumped another five points to 70 cents at North York township market at the city limits North Yonge street on Saturday last, and the prediction was that inside of two weeks the scarcity would put eggs much higher. Chickens and ducks were plentiful both ranging from 35 to 40 cents per pound. Fresh pork at 25 to 28 cents was also selling briskly. Price ranged as follows: Tomatoes 25 cents per six quart basket, apples 25 to 50 cents, cauliflower 10c per head cucumbers 2 for 5, butter 48c, pickles, 25c per pint, pears 40c, six quart basket, red peppers 3 for 10c, celery 5c. to 3 for 25c, rabbits 50c, grapes 50c., six quart basket, citrons, 10 to 25c. each, onions 25c per six quart basket.

John H. Gowland, a son of one of the pioneer farmers of Markham township, has sold his 100 acre farm, lot 19 in the 7th concession, to Joseph and Frederick Hobbs of Markham for a sum reported to be \$13,500.

At the regular meeting of Markham Township Council a by-law was passed appointing W. F. Nicholls collector of taxes for west half, and Wm. Pingle for east half and Unionville Police Village at the salary of \$225.00 each, each to furnish bonds of \$20,000.

Miss Annie Elliott, teacher of school section No. 5, 3rd line, Albion, was held up in her school shortly after closing hour on Monday afternoon of last week, and forced to hand over her purse and six dollars, the money she happened to have with her. The pupils departed and Miss Elliott was closing up her work when a young man appeared in the school and demanded her money. Miss Elliott ran from the building but was caught by the hold-up man when she tripped and fell in the yard. The thief grabbed her purse and made off, but was arrested the next morning in Toronto.

CLEVER WOMAN ENGINEER
Miss Kennedy, clever British engineer, who was a guest of honor at the Shipping and Machinery Exhibition held at Olympia, London.

In judging the field turnip contest this season in which there were eighteen contestants, for the Markham Agricultural Society, Mr. George McKague, of Woodville, the judge, said "that he never had a harder decision to make than the one for the above Society," and he felt that even those who did not get a prize were nearly as good as the ones who won the prizes.

Report of a drowning says "the man was crossing in a birch bark canoe when he had an attack of myocarditis and gastritis." Doesn't matter what kind of a canoe he had, there's none of 'em could stand all that.

A new world record for winter wheat production seems likely on the farm of C. S. Noble, of Nobleford, Alberta, with Kharkov 22 M.C., a wheat developed at Macdonald College near Montreal. While but 340 acres of a 1,300-acre field of this wheat has been threshed and weighed in at the elevator, the wheat has rated 57 bushels to the acre, and this section, the poorest of the field in the world record crop set by the same field in 1916, yielded at that time but 52 bushels to the acre. While high yields on small fields are common this 1,300-acre field looks like a world record.

Winnipeg is the "Overall City" of Canada. Government statistics show that Winnipeg's nine overall factories produce more than any one province in the rest of Canada. And they are worn in the West, too.

Surely there is nothing more beautiful out of doors than a fine October day in Ontario.

Yonge Street through Richmond Hill Showing Macadam road built in 1913 which has been torn up this year and will be replaced by a permanent paved roadway with the T. T. C. tracks in the centre of the street.

The Department of Highways and the Municipality of Richmond Hill when they contracted for the new pavement did not experiment, but adopted a time proven pavement suitable in all respects for climatic and traffic conditions. Of course it was.
