GENERAL NEWS AND VIEWS

At a recent meeting of the Newmarket Town Council, Mayor A. B. Currey announced his intention of severing his connection with Newmarket in the very near future. He expressed regret at leaving his old home town and district, in which he has lived, and thanked his brother members of the council for their co-operation in the management of municipal affairs. Mr. Currey intends to continue his practice of law in North Bay.

RECEIVES HIGH APPOINTMENT
Sir Basil Blackett, Finance Member of the Indian Government, has been appointed English adviser to the Federal Reserve Bank of the United States.

Last Saturday while on a hunting expedition Mr. Henry Johnston, 6th concession, Whitechurch, east of Bethesda, met with a serious accident when the horse which he was riding fell, crushing the rider beneath it.

Of late years the appeals filed against the voters' lists of the local municipalities have been so trivial and small in numbers, that they were easily disposed of, and in most instances it has not been necessary to hold a Judges Court. Not so however, in Whitechurch this year. No less than 37 appeals were filed with Clerk W. H. Clark. His Honor Judge Widdifield conducted court here last Saturday for the purpose of disposing of the appeals, and this he did in short order. Many of the appeals were for persons to be transferred from part three of the list to part one, and most of them were allowed. As thirty of the appeals were filed by ex-Deputy Reeve George Leary and seven by Reeve Morgan Baker, the ratepayers are left to guess if their is any "setting the house in order" for a January contest again between these two men.

Britain's Rich Lord Passes

One of Britain's richest men, the Earl of Iveagh, has passed away at the age of eighty years. His fortune estimated at \$100,000,000 was amassed chiefly from the profits of the famous Guinness Breweries of Dublin, of which he was sole proprietor until 1886. His death will be a great gain to the British treasury, which collects 40 per cent, of estates of more than \$10,000,000 so that about \$40,000,000 will be passed over to the State.

Canada's Debt Decreased

Canada's net debt has been decreased by \$70,189,814 in the first half of the present fiscal year, according to the report from the Department of Finance. Customs revenue alone has increased by some \$7,395,944.

Strawberries in October

Ontario may yet become a rival of California or other Southern States if other fruits could be grown as successfully as Mr. Verne Johnson is growing strawberries.

Mr. Johnson has a field of strawberries from which he is picking thoroughly ripened fruit in abundance. In fact the yield has more than satisfied the local demand and on Tuesday he motored to Toronto with a load for customers in that city.
