Prince's Peonies Planted With Fitting Ceremony

A unique ceremony was carried out on Monday afternoon when the peony roots presented to the village by His Royal Highness The Prince of Wales were planted in a fitting manner at the Public School Grounds in front of the Memorial. The thoughtfulness and generosity of His Royal Highness in presenting to every incorporated village and town in Canada similar peony roots was highly commended by the various speakers who paid tribute to the Prince as the most popular personage in the world to-day.

Reeve Lunau presided and received the gift on behalf of the municipality. Richmond Hill was proud to receive this gift from the Prince of Wales who had so endeared himself to the Canadian people and to the people of the world, he said, and also expressed the wish that the children would take good care of the gift so that they would grow, flourish and be a thing of beauty forever.

After a chorus by the children of the public school, Councillor J.R. Herrington addressed the gathering expressing his appreciation of the gift from The Prince of Wales. Ex-reeve Thos. Trench also spoke eloquently eulogizing the popular Prince who had proved himself such a successful ambassador of good will within the British Empire and throughout the world.

The peony roots were planted by Mr. John Sanderson, one of the oldest residents of the town and the first president of the Horticultural Society, Miss F.M. Brown of the Public School staff and vice-president of the Horticultural Society, and Mr. George Gee, president of the Horticultural Society. After the roots were declared well and truly planted the ceremony was brought to a close by the singing of the National Anthem and three cheers for His Majesty King George V. and His Royal Highness The Prince of Wales.

Four Appeals At Court Of Revision

There were four appeals against the assessment when the council met as a court of revision on Monday night. Two of the appeals were disallowed and slight reductions were made in two cases. The appeals were by H.A. Nichols, Dr. Hamilton, H.W. Cook and the Thos. Clark Estate. Mr. Nichols pointed out that he thought the assessment on his Yonge Street property which was formerly occupied by the Shoe Company was too high in comparison with other properties. He claimed that the assessment of the town was not equitable and that he had suggested a year ago that a commission be appointed to have it revised and equalized. The council were of the opinion that the assessment was fair and in as much as a reduction of \$200 was made last year refused to take any action this year.

Mr. Cook drew attention to several cases which he pointed out were examples of inequality of assessment and asked for a substantial reduction. A reduction of twenty-five dollars was allowed by the council. The assessment of the property of Dr. Hamilton was lowered \$200 and the assessment of the Thos. Clark estate was sustained.

Curbs And Gutters For Entire Street

Voting Hours For Municipal Elections Changed

The Richmond Hill council met on Monday night following the session of the Court of Revision and received a petition for the construction of a forty foot roadway on Yonge Street from Baldock's garage to the south limits of the town. The petition was sufficiently signed and was accepted. This will mean that Yonge Street through the entire village will have a forty foot road complete with curbs and gutters. The members of the council expressed themselves as well pleased that the southern section had seen fit to sign the petition and make a complete job possible.

A by-law was passed fixing the hours of voting at Municipal Elections from eight o'clock in the morning until seven o'clock in the evening instead of closing at six o'clock as has been the custom in the past. This action was taken in response to a request from the Ratepayers Association some time ago. The members all favored the change as it was pointed out that it would give an opportunity to those people who worked in the cities to cast their vote on their return from work.

Elgin Mills

Mr. and Mrs. R. Wilson and family of Toronto, spent Sunday with his sister Mrs. Thos. Burns.

The residents on Oxford St. were enjoying their new electric lights for the first time on Saturday night. The Elgin Mills sideroad will soon be saying good bye to coal oil lamps.

The Kendall baby is home from the hospital. Elgin Mills was very proud of its triplets but the other two failed to survive in spite of receiving the best of care.

Sunday school was held in the Pavilion with an attendance of nearly fifty. Mr. Soanes of Aurora brought a lantern and showed most interesting slides of Life in Japan. He then went on to the Orange Orphanage and showed them to the children there. We hope to have Mr. Soanes at the Sunday School once a month.

The boys of the Elgin Mills Concert Band are preparing for another dance before very long. Watch for the bills.

Mr. and Mrs. Whitton and Helen visited Mr. Whitton's mother at Listowel over the week-end. His mother has been very ill but is improving.

The members of the Elgin Mills Young Ladies' Club will meet in the Pavilion on Thursday evening to cut sandwiches and make the final preparations for their Halloween masquerade on Friday. The indications are that there will be a big crowd and the girls want everyone to come in costume and wear a mask. See bills for particulars.

The sympathy of the community goes out to Mrs. Lounges of Oak Ridges, whose husband met such a sad death on Tuesday morning, October 25th. Mr. Lounges and Mr. Mat Patton, of Elgin Mills were loading a bull at the farm of Mr. Fred Legge when the animal broke loose and pinned Mr. Lounges against the stable wall. His head was badly crushed and he only lived a short time after being carried to the house. The funeral was held on Thursday.

Banquet Tendered To Winners Of Markham League Trophy

On Friday evening, October 21st the Victoria Square Baseball club held a banquet in honour of the boy's Baseball team of that district who were winners of the Markham League trophy. The girls of the community, under the splendid management of Miss W. Nicholls, provided a banquet worthy of much credit. The tables were generously laden, and tastefully decorated with roses and seated a company of about one hundred and twenty. Among the guests of the evening were Miss V. Gowland, Mr. H. Stiver, Mr. P. Payne, Miss I. Willey, Mr. E. Wall, Mr. and Mrs. H. Kaiser, Mr. and Mrs. R.F. Klineck, Rev. and Mrs. W. Haig, Mr. and Mrs. W.C. Gohn, Rev. and Mrs. A.A. Wall.

After partaking of the good things provided Mr. H.F. Collard, the general toastmaster, proposed the toast to the King and after the singing of the National Anthem called on Rev. W. Haig to propose a toast to "Canadian Youth." This was given in the form of a splendid address and was fittingly replied to by Mr. G. Lyon. The next toast proposed by Rev. A.A. Wall to "Sports" provoked both mirth and interest and was ably replied to by Mr. E.J. Hitchcock. An item of special interest was the presentation of the Markham League Trophy and a toast to the Victoria Square Boy's Baseball team made by Reeve W.C. Gohn. The cup was received by the manager, Mr. J. Smith, who gave a suitable response.

Following this was the toast to the ladies proposed by Mr. J. Frisby and responded to by Miss L. Gee. The final toast of the evening was to the boys, given by Miss E. Caswell and replied to by Mr. E. Wall.

The program was interspersed with music throughout under the leadership of Mr. E. Wall in the absence of the comedian who was prevented from arriving. After a vote of thanks was extended to Mr. R.F. Klineck for the use of his beautiful grounds and a hearty clap to the honorary president, Mr. H. Kaiser, the banquet was concluded by the singing of the National Anthem.

Thieves Again Active In Markham Township

A gang, of chicken thieves made a midnight visit to the pens of Simeon Reesor on Lot 1, 9th concession town-line between Markham and Scarboro, this week, and made a big haul.

The robbers got away with 140 chickens, 100 of which were pullets and had just started to lay. The loss was discovered early in the morning, when Mr. Reesor went to do the chores. He looked for clues and by the variety of footprints decided that there must have been six or seven in the gang.

The tracks went west of the house through some spruce trees and to the chicken pens and back the same way, showing that the thieves had come west on the townline.
