J. LUNAU, Reeve.

DID YOU EVER NOTICE THAT John D. Rockefeller could drive a second-hand flivver—or wear a pair of cheap shoes—and get away with it—**BUT** if you and I don't keep up appearances they put us down as third-raters. Clothes don't make the man but they have a lot to do with how much a man makes. Let us sell you a pair of shoes that will boost for you every time you wear them.

League of Nations Turns to Telephone

Emergency sessions of the League of Nations will soon be held by telephone, predicts Secretary-General, Sir Eric Drummond. Special telephone equipment is being constructed for installation in the League headquarters (shown above) permitting Geneva to link up with Paris, London, Brussels, Berlin and Rome, and via transatlantic service with Washington and Ottawa. In the event of extraordinary developments, when a speedy decision is vital, much precious time can be saved by telephone discussion.

The information is of especial interest to Canada, whose representatives Senator Raoul Dandurand (No. 1 above) and Senator N. A. Belcourt (No. 3) have taken such prominent part in recent League discussions. (No. 2) Sir Herbert Ames, formerly M. P. for the St. Antoine Division, Montreal, was for some years Financial Adviser of the League.

North York

Tag Day
A tag day will be held on Amistice Day, November 11 in aid of the Veterans of North York Township. The members of the Legion ask the generous co-operation of the people of the district in providing a fund to provide for distressed and needy veterans. Any donations will be gratefully received and should be sent to the honorary treasurer W.A. Hay, Lansing or secretary, H.E. Sleigh, Willowdale.

Rev. T. W. Pickett Dies
After a short illness Rev. Thos. Pickett of Lansing, passed away early on Wednesday morning. In his death York County and this section of Ontario loses one of the most dearly beloved of the ministerial profession and his passing will be sincerely mourned by a large circle of friends. The funeral which will be private will be held on Friday.

Seek Industries
At a meeting of the Centre North York Ratepayers' Association in the home of Mr. Berry, at Lansing, a committee was appointed to interview Council and suggest that some action should be taken in the matter of obtaining new industries in the township. H.A. Bywater occupied the chair.

Struck By Radial
Standing on the radial tracks just south of Stop 5, Yonge Street, Tuesday evening, Joseph Masternick, about 35 years of age, of 22 1/2 Augusta avenue, was struck by a T.T.C. radial car, and injured about the head and arms. He was rushed to the Toronto General Hospital, where he is progressing favorably.

Travelling south shortly after 8.15 Motorman Walter Bishop, who was in charge of the car, told T.T.C. officials that he was temporarily blinded by the lights of a northbound motor car. When his vision cleared, he said, he saw the man less than 100 feet ahead of him, standing on the tracks with his back to the car. The motorman stated that he applied his brakes, but the car struck the man and rolled him under the fender.

Dr. C.E. Hill, of Willowdale, was summoned, and in company with Chief of Police Roy Riseborough, took the injured man to the hospital.

Oddfellows Had Party
With a large attendance present, the Red team of North Crest Lodge, No. 476, Oddfellows, were on Tuesday evening tendered a banquet by the Blue team for winning the recent competitions conducted by the lodge. The Red team was captained by Joe Roberts, while Walter Spracklin headed the losers. Mrs. Middleton, of Rebecca Grand lodge of Toronto, was the principal speaker, and plans were outlined by her for the formation of a Rebecca Lodge in North York township. It was reported that 16 new members were contemplating joining in the very near future. W. Spracklin presided.

Quick Work

At one time Bishop Williams of Marquette was university preacher at Cornell for a few weeks, and during that time he not only gave fine sermons, but provided his friends at the university with many good stories.

One he brought from Winnipeg where he had been attending the synod of the Canadian Church. He had seen there a missionary bishop who had come a long journey, travelling for six weeks, most of the time by canoe.

This missionary had brought messages and excuses from a brother bishop who was prevented from coming to the synod because "his diocese had gone to the dogs."

He proceeded to explain that the brother bishop was laboring among the Eskimos, north of Hudson Bay. He had built them a church with whales' ribs for rafters, covered with tanned walrus hide.

"It held eighty persons," said the missionary bishop, "and served its purpose well until in a bad time the dogs grew famished and devoured the church."

Murphy had just been presented with triplets and was so elated over the event that he called in everybody to see them. Among the visitors was Hogan.

"An' what do ye think of that?" demanded the proud father, pointing to his row of offspring.

"Well," replied Hogan, judiciously, looking the babies over carefully and pointing to an especially healthy specimen "I'd be keepin' that one."

Ole Olson, hanging on the strap in a crowded street car, lost his balance as the car rounded a curve, and sank plump into the lap of a lady passenger.

"Who and what do you think you are?" demanded the woman hotly, "Har, har," chuckled Ole; "Ay taught Ay bane a Svede, but Ay am a Laplander Ay guess."

Early to bed and early to rise and you won't get trimmed by the night-club guys.

Don't feel alarmed because your boy thinks he is smarter than his dad. He may be right.

The popularity of two-pants suits indicates that comparatively few have standing up jobs.

Yet all other people would seem as fine as your friends if they liked you as well as your friends do.

We are all much alike, and man will find something to be proud of, if it is only his modesty.

Modernism: Feeling bored if you aren't excited.
