Walter Scott's Sale was Largely Attended

One of the best farm sales ever held in this district was that of Mr. Walter Scott held last Saturday. There was a goodly crowd in attendance and the bidding was brisk and spirited from start to finish. Good prices were realized and cows with calves by side sold as high as \$165, and averaged \$125 per head. Prentice and Prentice well known auctioneers handled the sale in a very capable manner and the total sum realized at the sale was over \$4200.

Mr. Scott has lived on the farm where the sale was held for forty-two years and has always been a good citizen and a first class neighbour. In his opening remarks Mr. Prentice referred in a glowing manner to the high respect in which Mr. Scott was held in this district and appealed for a good send off for a good neighbour. The bidders heartily responded to the appeal and an excellent sale was the result.
