#### Royal Winter Fair Program

In order that farm visitors to the coming Royal Winter Fair, to be held in Toronto from November 16 to 24, may plan their trip so that they may see their favorite breeds to advantage in the prize-ring, the judging program has been summarized for their convenience. Dairy cattle judging commences on the morning of Wednesday, November 16, with Jerseys and Guernseys, with light and heavy draft single horses, thoroughbreds and standard breeds in the ring at the same time. The big dairy cattle days, however, are Thursday and Friday. Ayrshires, Guernseys, Holsteins and Jerseys fill the programme from nine in the morning until six at night on Thursday, while on Friday the Ayrshires and Holsteins appear both morning and afternoon, with French-Canadians in the morning and Dual-Purpose Shorthorns in the afternoon. The Market Cattle start on Friday afternoon with Grade Singles, continuing with the groups on Saturday morning and the final classes in Dual-Purpose Shorthorns. French-Canadian horses will also be shown on Saturday morning.

Beef cattle and heavy horses will go before the judges during the second week. On Monday and Tuesday mornings Aberdeen-Angus and Hereford cattle will be in the judging ring along with the Clydesdale horses.

Shorthorn cattle will be judged all day Monday and on Tuesday morning in the judging ring of the new Livestock Building, the Shorthorn sale following on Tuesday afternoon, November 22. With the exception of the beef Shorthorns, all of the breeds previously mentioned will be judged in the main ring of the Royal Coliseum.

On Wednesday, November 23 the Belgians, Hackneys, Shires and Get-of-Draught Sires, will be judged in the morning, in the main ring. With the exception of Thursday and Friday of the first week the Horse Show will

#### Patterson Masonic Lodge Father and Son Banquet

Victoria Hall was the scene of a very pleasant gathering last Thursday evening, October 20th, upon the occasion of Patterson Masonic Lodge, Father and Son Banquet. A large percentage of the members were present with their sons, old and young, and those members who are unfortunate enough not to have sons of their own, brought the sons of someone else. After a very sumptuous supper, there was a short musical programme interspersed in which were toasts to the King, Grand Lodge and guests. Upon the conclusion of this part of the programme everyone filed into the Lodge Room where they were addressed by his Worship Judge Mott, who presides over the Juvenile court, Toronto. His Worship Judge Mott was introduced to those present by Worshipful Brother J.A. Thompson. Judge Mott's address was particularly for the younger generation present, and he brought out many significant facts pertaining to the proper upbringing of children. Worshipful Master J.R. Smith acted as chairman.

#### Women's Institute Held Successful Meeting

The Thornhill branch of the Women's Institute held at the home of Mrs. F. Simpson on October 20th, was a very successful meeting. Archdeacon Davidson, of Toronto gave a splendid and interesting address on "Country Work and Country Workers," saying, those who work at gardening or in the house are doing nation on the Country people for their living. One thing he thought was not looked after properly in this country was the flag, and thought it was the work of the Women's Institute to see that the flag floated at all times in schools. He praised the women for their house work, in preparing meals and making the tables look nice, as it gave a person a better appetite for the food before them.

Mrs. Carson read a very interesting paper on Women's work past and present in it describing how women's work is made a pleasure instead of a drudgery, by machinery, and other conveniences.

Misses E. Wiltshire and Muriel Simpson, contributed to the musical part of the programme.

Mrs. R. Simpson moved a hearty vote of thanks to Archdeacon Davidson and those who took part in the programme and all showed their appreciation by a hearty hand clap. Meeting closed with the National Anthem.

A very interesting programme, then followed which consisted of:—A violin solo by Miss Aileen Atkinson, and a reading by Miss Mildred Wright, which were much enjoyed and heartily encored. Misses Ruth Strangways and Aileen Atkinson then played a violin duet followed by an instrumental by Mrs. B. R. Strangways which were greatly appreciated by all present, after which Mr. Eaton called upon several members of the club for speeches.
