Weekly News Budget From Victoria Square

The members of the choir of Victoria Square United Church met at the home of Mr. and Mrs. Oscar Brooke to bid farewell to Miss E. Butler who will leave for St. Catharines in the near future. There was a short and interesting programme opened by singing "Abide With Me." Rev. Mr. Haig gave a timely talk on "Faithfulness." Miss Laura Gee contributed a piano solo, there was a duet by Messrs R. E. Sanderson and E. Avison, then came the address and presentation Mr. R. E. Sanderson read the address and Miss Butler made a very feeling reply. After a few remarks by Rev. Wall, a very fine lunch was served. The following is the address:—
To Miss Ethel Butler,
Dear Friend:—

We your friends and members of the choir have met together to-night and take the opportunity of expressing to you our sincere friendship and appreciation of your services rendered in the voice of song which you have so faithfully attended both at practice and church service. We sincerely hope that the good feeling which now exists may long continue and the loss we will sustain on your very near departure will be some one else's gain and that you in your new home may enjoy happiness and be a comfort to those around you, and that you may receive the richest blessings God can give you. To show our appreciation we ask you to accept this "Brush, Comb and Mirror Set," as a token of our esteem and with the hope that you may long be spared to enjoy it.

Signed on behalf of the members of the choir of Victoria Square United Church.

R. E. Sanderson, Egbert Avison
Mrs. Ross Nichols, Mrs. Brooke

Don't travel without your drivers permit or you may be "pinched" by some traffic officer. This is the sequel of a trip to the convention at Ottawa. Our good friend L. L. Nichols and party of teachers while returning were surprised by a limb of the law demanding their permits. Consternation! No one had a permit consequently as the car belong to Mr. Nichols he was "summoned" to appear at Coburg. He now ponders on this new

law resolving "Not to let it occur again."

Monday evening, October 24th, the beef ring met in the Public Hall. Everything was found to be in excellent shape. Election of officers resulted in Angus Vallere occupying the Presidents chair, with Wilmot Brumwell, Secretary. During the meeting Mr. Thos. Read spoke in high terms of Mr. W. Scott sr., who is severing his membership as he has sold his farm and stock and is removing to St. Catharines.

A meeting of the J.W.I. will be held at the home of Miss Laura Gee on Saturday, November 5th at 2.30 p. m. The roll call for this month is—Say, Sing or pay. Business concerning the Institutes conventions will be attended to. The speaker of the afternoon is Dr. Lillian Langstaff who will address the meeting on the subject of health. Music is provided. Everyone is cordially invited to attend.

The "Cheerful Workers" Sunday class gave a farewell party in honour of Miss Ethel Butler at the home of Miss Annie Avison, on Saturday, Oct. 29th. The programme of the evening consisted of parlor games and contests. Miss W. Nichols read the farewell address and Miss M. Dennie presented Miss Butler with a tray, hair receiver, and manicure parts in pearl and amber, a gift from the class. Everyone joined heartily in the singing of "For She's a Jolly Good Fellow."

After lunch was served and a vote of thanks offered to Mr. and Mrs. Avison for the use of their home, the party broke up. Everyone reported a fine evening.

A Quiet Night

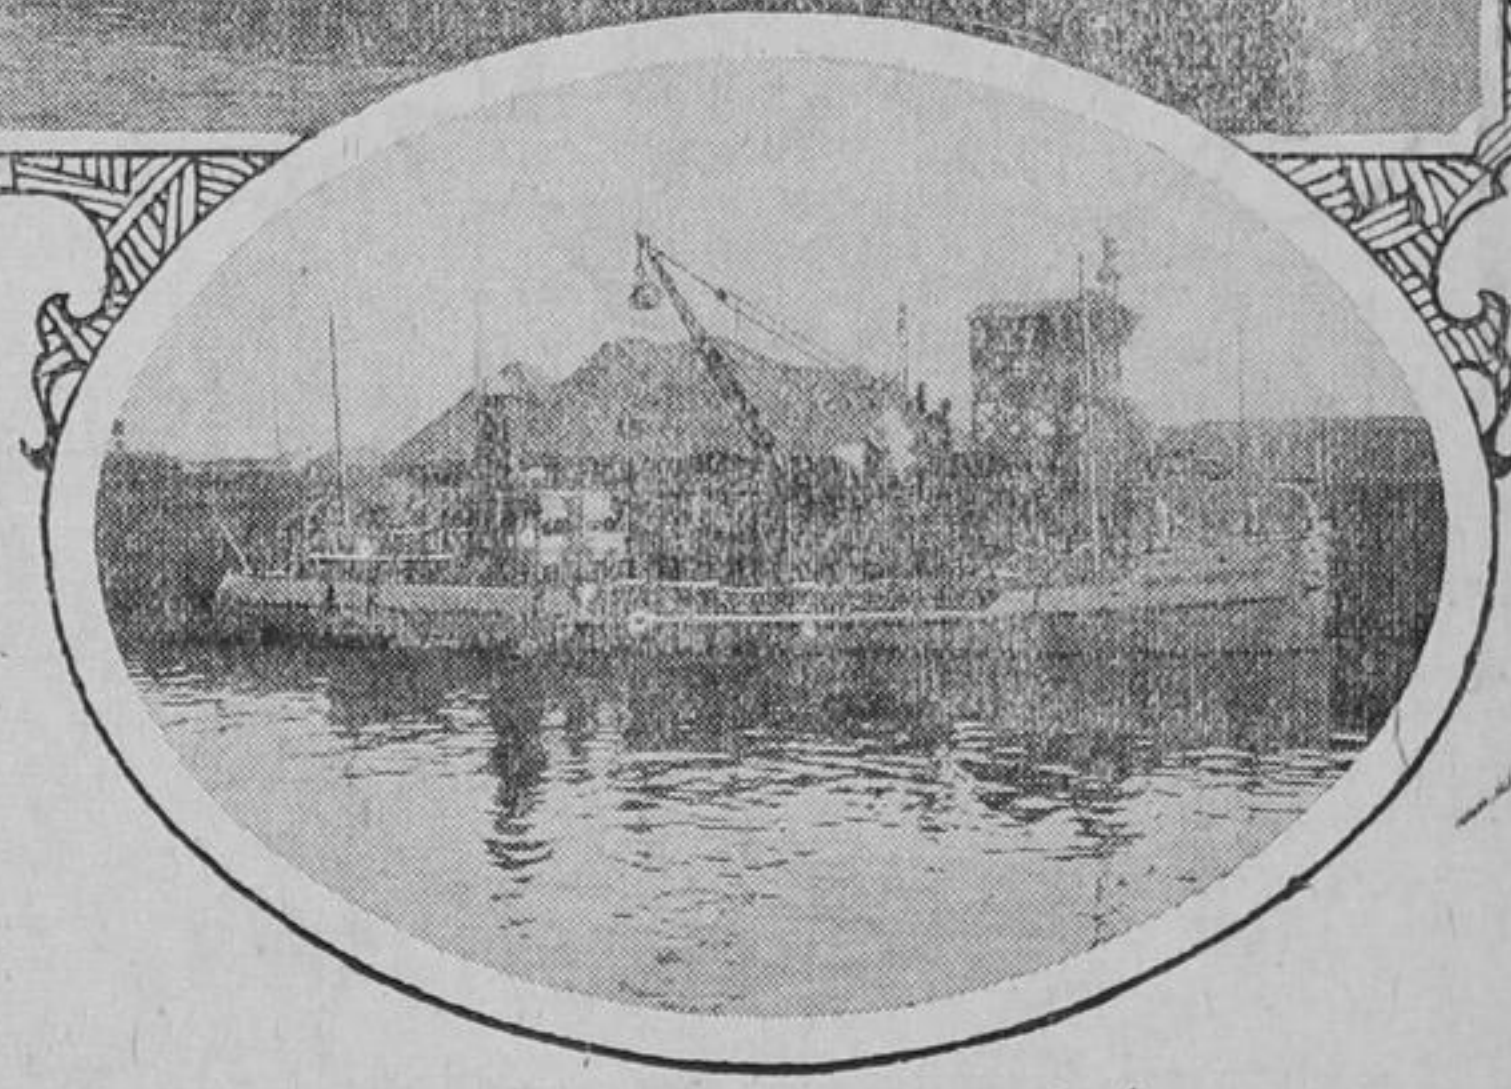

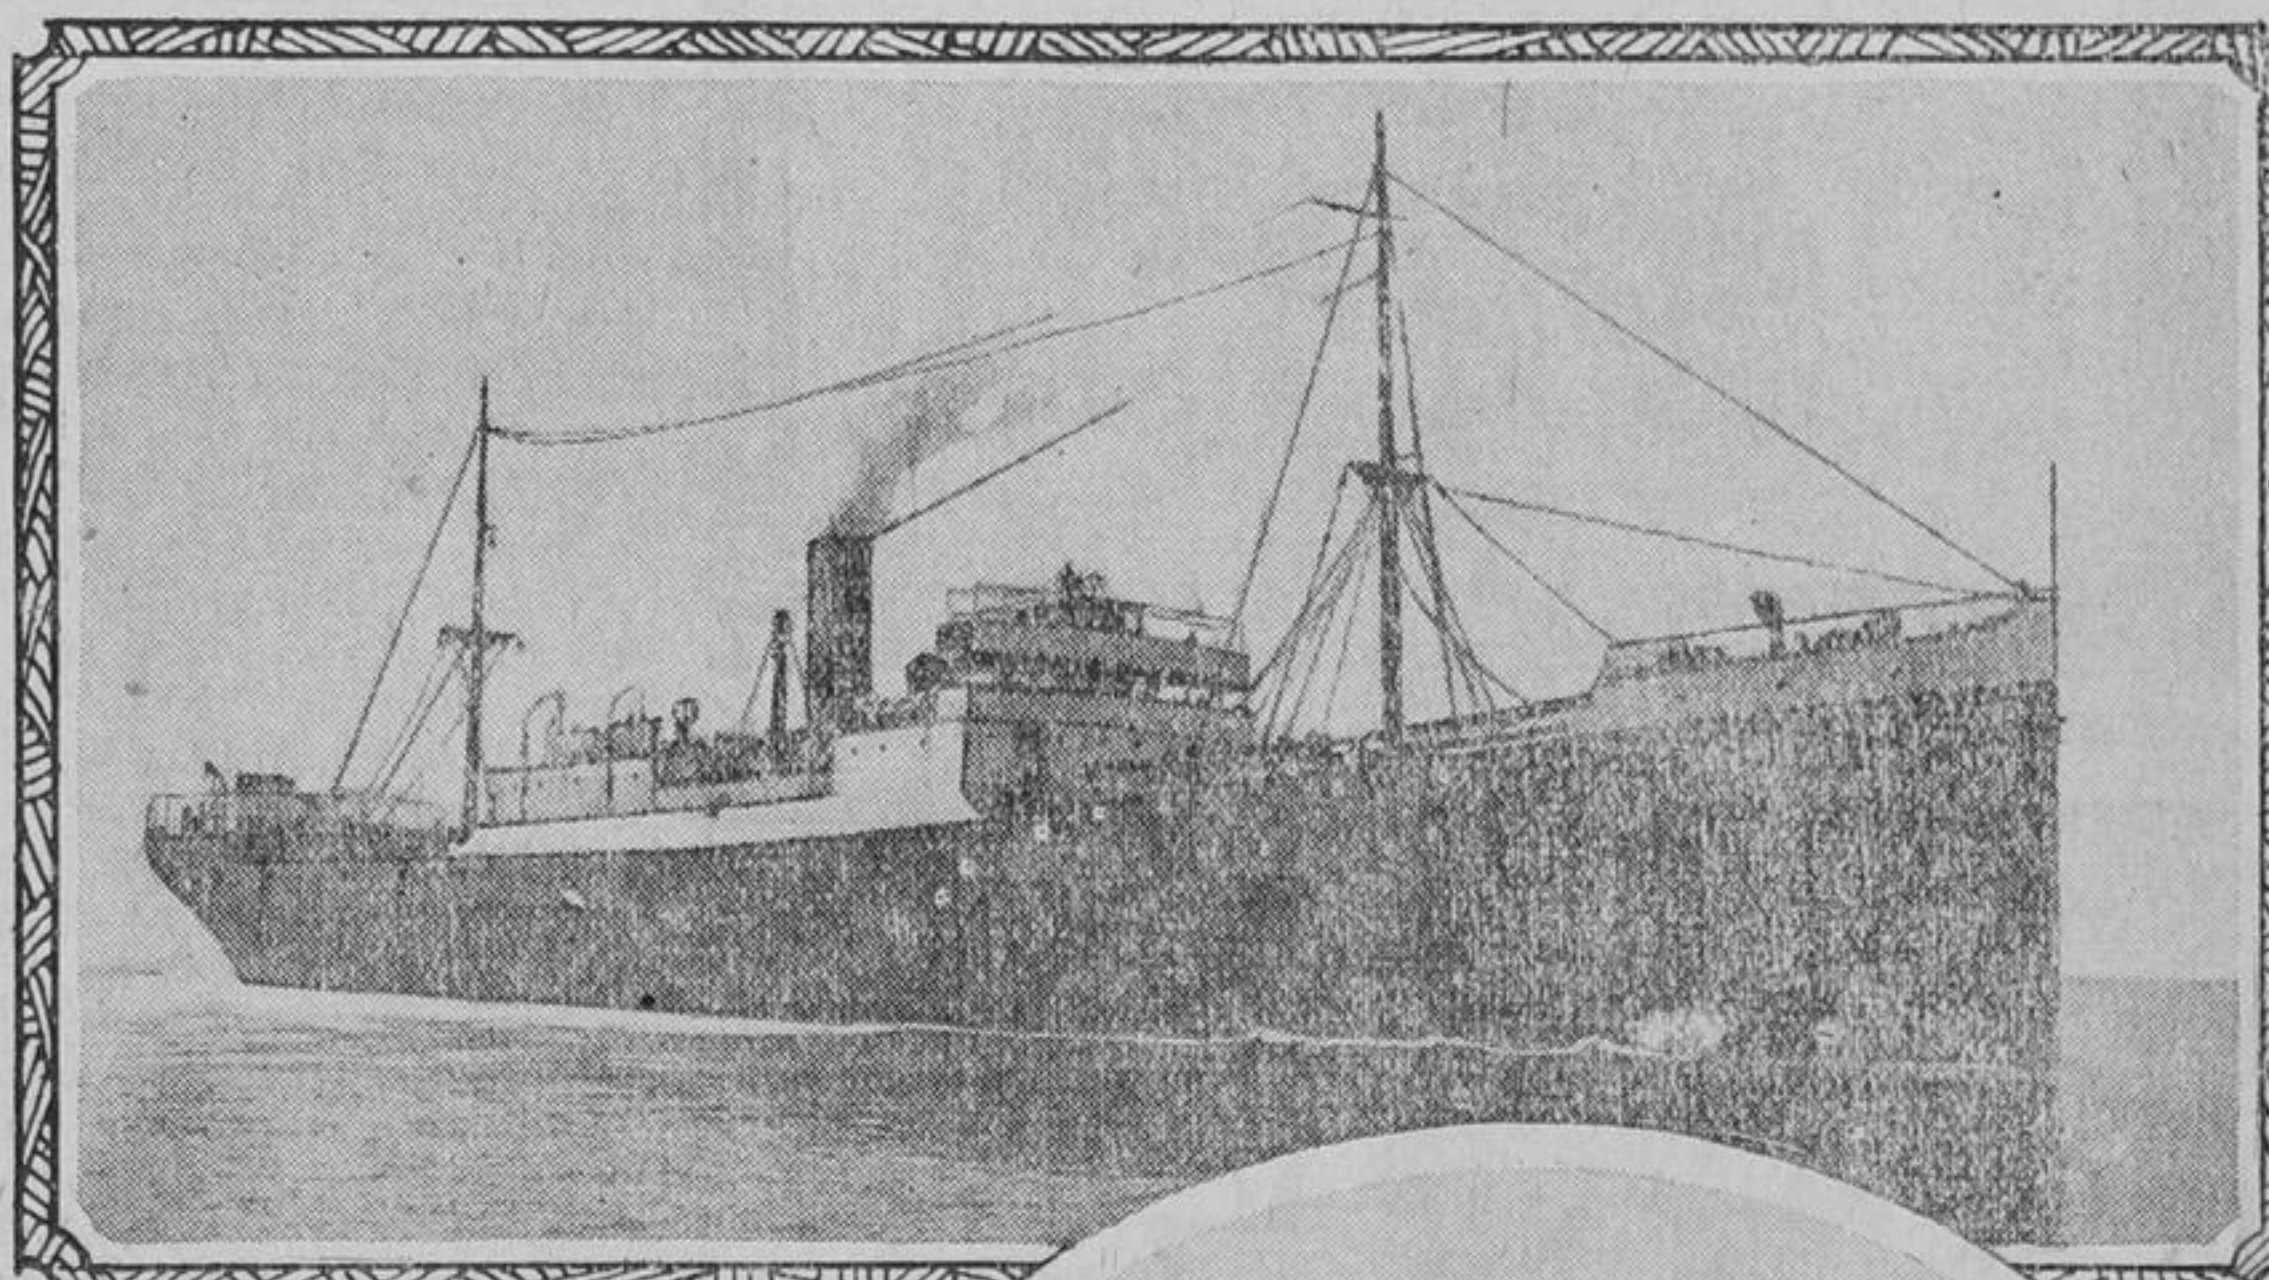

Elaborate plans for a safe and sane Hallowe'en in Chicago went askew Monday night and the celebration was declared the most tumultuous in years. Two boys and a woman were shot, a policeman was stabbed, street car service was interrupted, and the city fire department was flooded with false alarms. Three hundred boys were arrested during the night.

Anyway, a yes-man has more friends than a no-man.

VESSELS SAIL FOR HUDSON BAY

In preparation for harbor work which is to be carried on at Port Churchill, the new terminus of the Hudson Bay Railway, the movement of coal and supplies from Eastern Canada by water is commencing. The S.S. Better the Man with His Eye to the Sky than the Man with His Ear to the Ground

ALL through its long, successful history, General Motors of Canada has had its eye to the horizon . . . listening not for what followed, but looking always toward the thing ahead.

And General Motors has seen many of its visions realized. . . .

It has seen a great industry grow up in Canada to supply the Canadian family with a means of transportation to meet its needs and resources, to answer the desire for style, dependability, luxury.

It has seen, in the Canadian Fisher Body plants, the perpetuation of Canadian ideals of craftsmanship.

It has seen, in the General Motors Research laboratories, the development of countless advances and refinements on which much of modern motoring comfort depends.

It has seen, on the General Motors Proving Grounds, the proof of principles which are now accepted factors in automobile design and construction.

It has seen the triumph of co-operative purchasing and manufacturing methods with their resultant economies to be shared with the buyers of General Motors cars.

And the eyes of General Motors are still to the horizon . . . still seeking new ways to improve General Motors cars and to place the cars within reach of ever-widening circles of Canadian buyers.
