Armistice Day

*In Sacred Memory of Those Who Gave Their Lives
For Their Country A Community Service Of
Commemoration Will Be Held Friday.*

Armistice Day services will be held at the memorial at the Public School on Friday morning at 10.45 a.m., when the people of this entire community are invited to join together in paying tribute to the sacred memory of those who gave their lives for their country in the Great War.

Canada and the world today enjoys an era of peace and prosperity which was made possible by the sacrifice of those who bore the burden of our cause on the field of battle and it is only fitting that we pause annually on the anniversary of Armistice Day to pay our humble tribute to our soldier dead.

The service will be in charge of a committee under the chairmanship of

O GOD, our help in ages past,
Our hope for years to come,
Our shelter from the stormy blast,
And our eternal home:

Under the shadow of Thy throne
Thy saints have dwelt secure;
Sufficient is Thine arm alone,
And our defence is sure.

Before the hills in order stood,
Or earth received her frame,
From everlasting Thou art God,
To endless years the same.

Vaughan Township Council Held Regular Meeting

The regular November meeting of the Vaughan Township Council was held at Vellore on Monday, November 7, with Reeve Kellam in the chair and all the members present.

A sheep claim of \$81 was paid to Mr. C.H. Rutherford, lot 15, con. 6. The valuation of the valuator was two ewes at \$20, 1 lamb at \$16 and the flock damage was estimated at \$25.

A claim for damages received from John L. Carhart, 345 Runnymede Rd., Toronto, amounting to \$34.38. The claimant stated that while driving on the Carrville sideroad his car hit a projecting rock on the roadway just opposite the church which resulted in the smashing of the crankcase of his car. The bill was for the repair of same. The matter was referred to the insurance company.

The clerk was instructed to take the necessary statutory proceedings, posting of notices, advertising etc., and to prepare the necessary by-law for the closing of what is known as Wallace's road on the 7th concession.

On motion of deputy Reeve Farr and Councillor Baker, the council went on record as approving and recommending an appeal of the case of Hull vs Township of Vaughan in which the plaintiff was allowed \$340 and costs as damage as a result of an accident at Boyle's pond on the Maple sideroad in August. It is understood that the estate of the late Mr. Risebrough who died as a result of the same accident is also entering proceedings for damages.

An account for work done on the Albion town-line was held over for further information.

Mr. Lehigh of Oak Avenue wrote asking a cancellation of a hydro contract owing to the death of her hus-

band. Mrs. G.H. Houghton of Edgar Avenue made a similar request on account of the illness of her husband and both requests were granted by the council.

A letter was received from the County Treasurer enclosing account for \$187 being one half of the expenditure for which the township is liable.

J.E. Francis, Thornhill wrote the council asking that a ditch be constructed on the east side of Old Yonge Street to take care of the water that now runs around the buildings and causes trouble in the basements.

He also inquired concerning two roadways for Jas. Acey, Richvale which request was referred to the road supt., who will have the drive-ways built on the usual terms.

John H. Francis, Thornhill, also wrote the council re culvert on Old Yonge Street also one on the road beside the church which he stated were in bad state of repair. The matter was referred to the road superintendent.

A letter was received from Cook, Cook & Delaney, representing the Boyle estate complaining that the executors of the estate of the late John Boyle were very much concerned by the action of the council by which it is claimed there has been a diversion of water at what is generally known as Boyle's pond on the Maple sideroad. The letter stated that the executors had not been consulted in any way when the work was done and that they were insistent that their rights in respect to this matter be regarded. The clerk was instructed to acknowledge the letter and advise that the matter was referred to the township solicitor.

Road accounts totalling in the neighbourhood of \$2500 were passed.

N. YORK RATEPAYERS TO SEEK INDUSTRIES

Urging that the North York Township Council co-operate with the ratepayers of that district, and do all in their power to help promote an industrial area in the township, a delegation from the ratepayers Tuesday afternoon appeared before the council and told of the advantages which could be derived from such a project.

It was explained that if an industrial area was created somewhere in the township it would look after the unemployed throughout the winter and summer months and would attract several enterprising industries.

Reeve Anderson, who assured the delegation that he was in favor of such a scheme, stated that the first thing a manufacturer looks for is a labor market.

Deputy-Reeve Muirhead also spoke along the same lines, saying that it would be a fine thing if the township of North York could attract industries instead of having them all locate down at the Toronto waterfront.

It was decided that the matter would be thoroughly gone into by the council and they would co-operate with the ratepayers in bringing about such an area.

Interesting Meeting

The November meeting of the Y.W.A. of the United Church was held at the home of Miss Myrtle Smith on Tuesday evening, November 1. After the opening exercises, Mrs. Hewison delighted the gathering by relating her experiences on her trip to Seattle and also with the Missionary Society she was connected with in that city. A bale was packed for the western Mission field.

NEW HAIRDRESSING PARLOUR NOW OPEN

In this issue is the announcement of Robertson's Hairdressing Parlours which is now open as a first class hairdressing and beauty parlour located over Davies Dry Goods store. Mr. Robertson operates a large number of beauty parlours situated in all parts of Canada and it is his aim to give to the ladies of Richmond Hill and surrounding district as perfect service as they are able to get in the larger centres of population and feels confident in opening the new branch here that the service will be appreciated.

The parlour has been newly decorated and the most modern equipment has been installed. Speaking to The Liberal, Mr. Robertson stated that all cosmetics, powders etc used in the parlour are made in Canada, employing nothing but Canadian help and assuring the customers of the freshest and most suitable products. "We of course appreciate" he said "the delightful odour of imported creams and perfumes but still no one thinks of importing their butter from France and Europe and naturally they always receive their butter fresh. Our creams being fresh made in Canada, naturally are months fresher than imported creams. This is only one of the many distinctive features of the service which we will offer to the ladies of the North Yonge St. district," he said.

United Church Services

Miss Norma Wilcox soprano, Mr. Ivan Tell, tenor, and Mr. Chan. Puck, bass, will assist in the musical services at the Richmond Hill United Church next Sunday evening.

Prizes Awarded In Junior Farmers' Plowing Competition

The prize winners in the junior farmers plowing competition for York County were announced and the prizes and trophies presented at a banquet held at the Hotel Richmond, Richmond Hill on Tuesday evening. Elton Armstrong, president of the association, acted as chairman for the proceedings and seated at the head table were, Wm. Doherty, treasurer of the Ontario Plowmen's Association and judge of the competition in York County, Reeve George Kellam, of Vaughan Township, Deputy Reeve R. L. Stiver, of Markham Township, Mr. McGregor, donor of the McGregor trophy, A.J.H. Eckhardt, deputy-Reeve Thos MacMurchy, King, F.K.B. Stewart, assistant representative of the Dept. of Agriculture in York County and Miss Elliott, of the Department of Agriculture, Toronto, and others.

After a sumptuous supper served amid tastily decorated surroundings by Mine Host, Grant Brothers, the program of the presentation of prizes commenced. Each winner as the prize was received, acknowledge the prize in a suitable manner and paid tribute to the work being done by the Junior farmers plowing competitions. The work is done on the farm of the contestant and is judged the same as if it had been done at a regular plowing match.

A unique feature of the annual banquet was the presence of the ladies and it was freely commented on by several of the speakers and the innovation highly commended. The winners of the prizes in the girls Home Garden and Canning contest were also presented with their prizes and were given a helpful talk by Miss Elliott. There were twenty-nine contestants in this competition in which girls planted and cared for home gardens and then canned the fruits of their labors. The care of the garden, quality of fruit and the canned fruit were all taken into consideration in making the awards.

The different prizes were presented by A.J.H. Eckhardt, Miss Elliott, Mr. McGregor, Deputy-Reeve, R.L. Stiver, of Markham, Reeve Kellam, of Vaughan, and the president and secretary of the association. All were unanimous

in their tribute to the young men and women who were sufficiently interested in their work and their own future to take part in these competitions which were very instructive and educational.

Mr. Doherty who judged the plowing, stated that the work on the whole was exceptionally good and reflected much credit on the contestants. The plowing in some sections was very hard this year and this feature made judging more difficult and placed a certain handicap on those who happened to be in rough or hard fields and were competing with others who were working under almost ideal conditions such as prevailed for the contestants in Scarboro township this year. The speaker commended the parents for their kindly and enthusiastic interest in the work, and also farmers who had boys and young men in their employ and were encouraging them in this work. It was notable he said that in all his rounds of the county in doing the judging he did not see one of the contestants smoking a cigarette and this was certainly a feature which commended itself to him. He suggested that next year there be a junior and senior competition and stated that if Mr. McGregor consented to this placing of his trophy he would be responsible for another trophy for the contest. This announcement was greeted with enthusiasm by the gathering.

The winners in the competition this year were as follows:—class 1 in sod, Clark Torrance 84, Robt. Watson 83, class 2, stubble, H.J. Couperthwaite 85, Fred Timbers 83, Bernard Kay 77, C. Richards 76, W.J. Porritt 74, E. Lee 72; class 3 tractor in stubble, S. Chapman, 81, B. Badger 80, Jas. Marwood 77, C. Sanderson 74; class 4 tractor in sod, F. Steckley 83, Wm. Watson, 81, Harry Pugh 79, class 5, boys 15 and under, Albert O'Dell 81, J. Clark 80, H. Clendenning 78, A. McNeill 74; class 6, beginners, Bert Thompson 83, F. Clendenning 80, S. Smeltzer 79, Harry Shaw 77, E. Robb 76, Bob Mitchel 74, Sydney Egile 73, Chas. Verity 71.

The winners in the home garden contest were Flora Craig, Florence Stiver, Marjorie Mertons, Islay Bales, Hilda Martin, Della Steckley, Agnes Stevens.
