

Elgin Mills

Mr. Burnyeat of Aurora came to Elgin Mills on Tuesday evening for the purpose of forming a Young Boys Club. Fourteen boys attended the first meeting and are very enthusiastic about their plans. They hope to give a Cobweb Social in the near future, this is a very novel idea and will be well worth attending. The club will meet every Tuesday.

A group of seven girls are taking in hand the decoration of the Sunday School Christmas tree. They are meeting regularly to make presents and candy boxes.

Owing to the bad weather on Sunday last the Sunday School attendance was not as good as usual. There were eighteen children present in charge of Mrs. Whitton and Mrs. Mollett. Rev. Dr. Pinkerton, of King, took the Church service at three o'clock.

Archdeacon Warren will be present at the Church of England service at the Pavilion next Sunday. A large attendance is expected.

LOCAL NEWSY ITEMS

I BELIEVE

By Henri Etta

THAT the radial station is a place for passengers for the radial cars, not a bummers roost.

THAT some of our stores would likewise do more business and said business could be done with less embarrassment if some of the "bummers were canned."

THAT Richmond Hill is going to have one of the finest stretches of pavement between Toronto and Cochrane.

THAT Richmond Hill has all the natural advantages of a real town. We certainly have the latest resources and all we need is the brains and ability to develop them.

THAT there are men and women who have that necessary ability to judiciously develop the town if the people would put them at the head of affairs.

THAT Richmond Hill's worst enemies are some of its own citizens who have a very distorted and warped aspect on life in general.

THAT if there is anything needed in this community today, it is VISION. It is better to ship your course on the distant horizon than on the end of your nose.

THAT Richmond Hill citizens should be more loyal to their business men and that in turn the business men should be more loyal to the town and more loyal to themselves by pepping up business.

THAT Mayor Thompson of Chicago should be induced to come over here and get that cinder out of his eye. His range of vision is becoming almost as wrapped as his mentality.

THAT the ratepayers association should meet oftener and show a little concern in public affairs and endeavour to instill that enthusiasm which is so badly needed into the citizens in general.

THAT an active effort should be made to bring the people of the town and the people of the surrounding districts together from time to time in an effort to promote a better understanding and promote a community spirit which would result in the mutual benefit of all.

THAT a real effort should be made to induce industries to locate here. I for one would not object to spending a few shekels in this worthy endeavour. If as people say our taxes are high our best plan is to get people here to help us pay them.

THAT some of our Canadian missionaries have been endeavouring to induce the heathens to wear clothes. That's kinda funny, isn't it?

THAT horseshoes and euchre are coming into great popular favor. If they send the champions to ancient Greece with the other Olympic athletes, I nominate some of our Richmond Hill stars; if they don't win they at least would make a lot of noise and in any case he would advertise the beauties and prowess of Canadian manhood.

THAT some day one of those ignoramuses who will not dim their glaring headlights will get a bump that will teach them a lesson, and I hope their epiglottis gets such a jerk that it will turn right around and laugh at them.

THAT I've said enough for this time, so good night folks.

High School Notes

Richmond Hill High School News Notes.

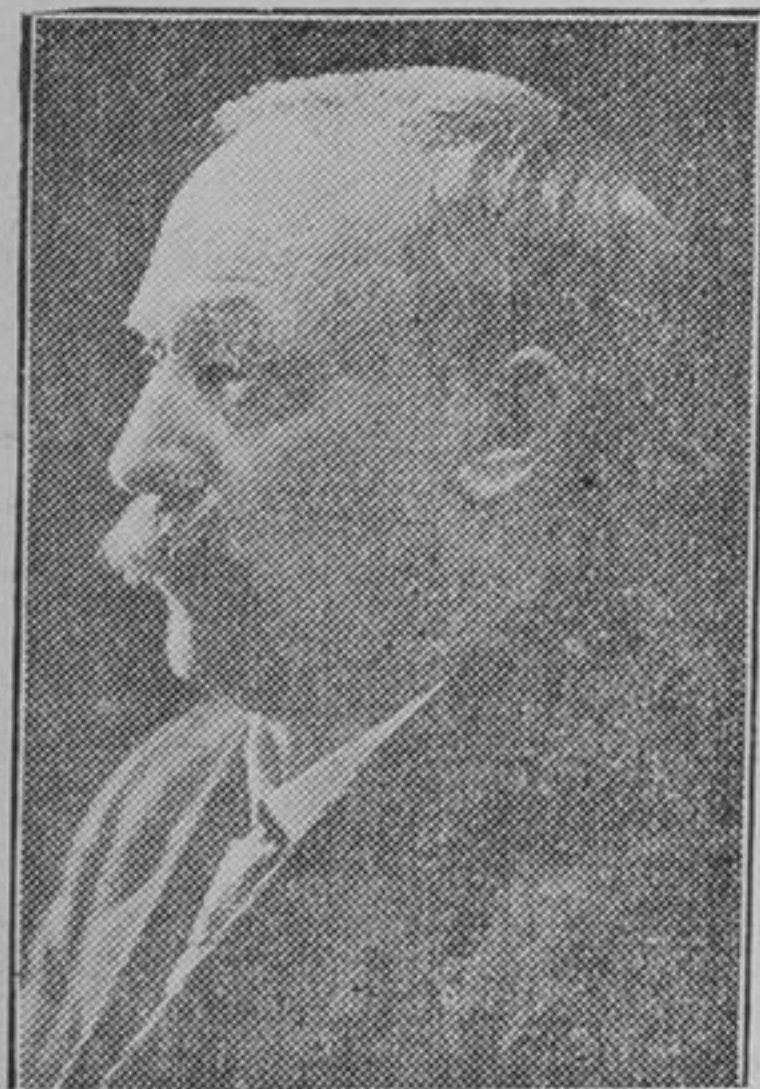

Sports—The girls have formed a basketball league of six teams and games are played every Tuesday and Thursday. Three games have been played so far. Much interest is shown in this sport by the girls.

Basketball has not been taken up by the boys as yet this term, owing to football and a recently purchased Rugby ball.

A Rugby game between forms II, III, IV and I, V, has been arranged for Thursday of this week.

On Wednesday, November 2, the football team visited Aurora to play a return game with that school, but in this game they were unsuccessful. Aurora defeating them, the score being, Aurora 1, Richmond Hill 0, as this brings the standing of the two schools to R.H. 2, A. 2, a play-off game is expected to be shortly forthcoming.

Social—Last Saturday afternoon about thirty pupils from the Middle School attended the matinee at the "Princess Theatre" to see Shakespears "Merchant of Venice." This play is the one being studied by Junior Matriculants this year.

The main topic of the Conservative party today is—who will succeed Hon. W. B. Ross as leader of the Conservative members in the Senate. Hon. W. B. Ross, it is reported, has made known his determination to retire.

ELIA

The Elia Women's Institute met on Wednesday afternoon at the home of Mrs. Roe with a fair attendance of the members. The subject of the roll call was "What I have to be thankful for" after which the details of the arrangements for sending a bale of clothing to Northern Ontario were discussed. It is intended to send the bale at the December meeting to a Northern Institute for distribution. A paper entitled "What Canadian Institutes have done for Scotland" was read by Mrs. T. Coats. Mrs. J. E. Jackson gave the well known poem "The One Hoss Shay" and Miss K. Snider read a paper on "Jean Francois Millet," the artist, which was prepared by Miss D. Sharp. The picture "The Gleaners" by this famous artist was used as an illustration. The meeting closed with the National Anthem after which a dainty luncheon was served.

Victoria Square

The Junior Women's Institute met at the home of Miss L. Gee on November 5th. The meeting commenced with the singing of the opening ode. The roll call, say, sing or pay, was responded to by several of the members with suitable verses. Four delegates were then appointed to attend the Institute convention. The address of the afternoon was given by Dr. Lillian Langstaff who spoke on the subject of health and stressed the need of school nurses in every community. Miss Margaret Valliere rendered a violin solo and the meeting concluded with a social period during which lunch was served.
