No More Pretty Shoes—for Dorothy

Dorothy peeps shyly at you through a tangle of pretty dark curls. If you are a man, she is hoping against hope that you might be her Daddy, because he used to come and see her and bring her pretty shoes, but he doesn't come any more. Dorothy cannot understand why. If you are a lady she knows you can't belong to her because the nurse says her mother died years ago. It's hard for a wee girl of five to understand all this, and why she shouldn't have the joys that other little girls always have, and above all, why she should be in the tiresome bed so much! But the kindly doctors and nurses at the Queen Mary Hospital are very patient with helpless little Dorothy and hope to fight off the dreaded consumption and make her sound and well. Wouldn't you like to help this work? Your gift to the Hospital will be gratefully received. Contributions may be sent to Hon. W. A. Charlton, President, 223 College Street, Toronto 2, Ontario.
