Victoria Square

The roads are in the worst condition of the season at present.

Mr. Harry Bennett and Mrs. Gofforth are suffering from an attack of LaGrippe, we are sorry to record.

The Misses Walker of Buttonville were guests of Mrs. Egbert Avison on Sunday.

Mr. and Mrs. Lorne Perkins and son Norman, Miss Smith and Miss Hicks, all of Toronto, were guests of Mrs. L. L. Nichols on Sunday evening.

Miss Hicks gave a short address on "The Threefold Life" at Sunday school, last session. Miss Smith, very ably taught the Adult Class. This class numbered about thirty-five on Sunday. Mr. Perkins also gave a short address at the close of the school. We appreciated the kindness of Mr. Perkins and two of his staff in the services they rendered.

On Sunday evening Mrs. Zen, a Chinese worker gave a very interesting address in her native language. Her address was interpreted by a returned Missionary Miss Virgo, who accompanied her from China, Miss Virgo has been a Missionary for nineteen years.

The Chinese lady gave a noble witness to the saving power of Christ and also to the power of prayer. Her people had tried to persuade her that rice would be scarce in this country but she affirmed that she had added thirty pounds to her weight on Can-

adian rations.

The first prayer meeting since the special services will be held in the church school room on Friday evening beginning at 7.45. Mrs. Egbert Avison is in charge of the work. Some thirty members have signed up so the prospects of helpful services are very encouraging.

Mr. Frank Brumwell received a welcome home on Friday evening, after a fortnight in the woods. Mr. and Mrs. Homer Burks and daughter Verina were on hand to celebrate his return. The family are enjoying venison to the full just now. Your correspondent and his family are very grateful to him for a choice roast from the fawn.

On Sunday evening the Misses Bambridge of Toronto, accompanied Mrs. Zen and Miss Virgo and were entertained by Mrs. Wilmot Brumwell.

Mr. Bert Nichols and 3 of his friends had a close call one evening last week. While motoring south on Kennedy Road the car misbehaved, turned around on the ice and landed upside down. Fortunately all the occupants escaped with only very minor injuries. The car requires considerable doctoring to put it in its former condition.

Mr. Eric Moynihan, who has been in the west for two months is now under parental roof nursing a sore hand.

At a meeting on Monday evening of the Sunday School workers arrangements were made for a Christmas entertainment on Friday evening, December 23.

North York
Council Meeting

Every possible precaution is being taken to prevent the spread of small-pox in the township of North York, assured Dr. Hill, M.O.H., at the regular meeting of the North York council on Monday. At the present time, he said, there were only two cases, and both were of the mild type. These two cases, both boys, are families living in Willowdale Acres and Wexford, which borders East York township, where the serious outbreak has occurred. He declared that the doctors were unable to find where the disease had been contracted but both families were observing the quarantine regulations in excellent manner.

Continuing, he quoted extracts from the Vaccination Act, which gives provision that the council may issue a proclamation ordering that all persons within the Municipality be vaccinated or re-vaccinated, who have not been done within the past seven years. It was decided that the solicitor draw up a by-law, in case of a serious outbreak in the township, so that the proclamation may be published in a very short time.

A large deputation from the Glen-grove district asked council to help them in the erection of a small community hall. Reeve Anderson explained that he could not make any recommendation to use township funds, but would help them personally.

The matter was laid over until next meeting. A lengthy letter was received from the Central North York Ratepayers' Association requesting that township labor be employed as much as possible on the new proposed York Mills bridge. They also asked that warning signs be placed on the highway at Lansing School, and that the roadway on 30th avenue be repaired.

R. Turner who lives on the Pugsley estate, west of Bathurst street, urged that a bridge be constructed in front of his home, as he explained it was impossible to leave the house during the bad weather owing to the swollen waters of the creek. The matter was referred to the engineer. A grant of \$50 was made to the

Lansing Horticultural Society.

The treasurer by resolution was authorized to issue a cheque for \$147.35 to the clerk of the Tenth Division Court of the county of York in full of judgments against the township in favor of Mrs. Guthrie and Mr. Buchanan for damages resulting from an accident with the fire truck last summer. By-law No. 509 was passed fixing polling booths for the coming municipal elections, and Clerk H.D. Goode returning officer for Wards One, Two and Three. Construction by-laws were passed authorizing stone and gravel pavements on Grey Street and McKee avenue. A waterbound macadam pavement will be constructed on Mason boulevard.

Taxes

The 3rd instalment of Taxes
Is Due November 15th
 Discount of 5 per centum will be allowed when
 payment is made at the Treasurer's Office

 A. J. HUME, Treasurer
 Richmond Hill, November 10th, 1927

Leading Richmond Hill Tire Dealers
 now operate a
DOMINION TIRE DEPOT

To make Dominion Tires and other good tires worth more to the public;

To give the man who buys tires the mileage he pays for;

To make it possible for car owners to drive with greater faith in the soundness of their tires;

To make the care of tires weigh as lightly as possible on the motorist;

A system of service to car owners has been organized, known as Dominion Tire Depots.

At these Depots, which are readily recognized by their distinctive colors, orange and blue, the motorist may expect to find well-equipped and completely organized tire service, along the most modern lines.

We agree entirely with this idea of organized service and now announce that we are operating a Dominion Tire Depot.

Drop in and have your tires checked for pressure. It's a step to greater mileage. And it will give us a chance to explain the Dominion Depot idea to you.
