

It Won't Be Long Now

MRS. PUT-OFF—Here it is almost December 1 and I have nothing ready for Christmas. This time of year means so much hustling and planning that I really dread the next few weeks.

MRS. DO-IT-NOW—Well I can sympathize with you; I felt the same way until the other day Edgar Wall called and took my burden away with him. He's getting my Christmas cards and he suggested a number of suitable presents which suit my needs exactly and they are so cheap too. You should give him a ring.

CHIME CLOCKS

You may admire the grandfather clock, the quaint square weight-clock, or the new Dutch plate-clock, but the king of them all is the chime.

Until recently the chime clock was so costly that comparatively few would purchase one of quality, but now we can offer you an eight-day, four quarter chime with genuine mahogany, hand rubbed case, silvered engraved dial, bevelled plate glass, at \$45.00. The mechanism which automatically adjusts the chime and strike is the most ingenious I have yet seen. Let me demonstrate it to you.

The value of our guarantee on these intricate clocks lies in our ability to repair them.

Twenty seven years ago I built one, and it is running as faithfully to-day as when it was new.

IN MEMORIAM

McLEAN—In loving remembrance of Elizabeth Riddell McLean, beloved wife of John McLean, who departed this life on December 1st, 1926. One precious to our hearts has gone. The voice we loved is stilled; The place made vacant in our home Can never more be filled. Our Father in His Wisdom called The boon His love had given; And, though in earth the body lies, The soul is safe in Heaven. —Sadly missed by Husband and Family.

Willowdale

Epidemic Is Abating

Smallpox in North York seems to have reached its climax. There were no new cases reported to the medical health officer on Wednesday and the present total is 12, mostly school children, all of a mild type.

Over 700 children have been vaccinated in the school clinics. Vaccination dressing will be applied Friday morning, December 2, when all parents are requested to see that their children, who have been vaccinated at the school attend.

Successful Concert

The "Rag Carpet Cutting Bee" kept a crowded house in a continuous uproar, with Aunt Sally played by Mrs. Rame and Susan Gibbs by Mrs. Alsopp, at the Willowdale Home and School Club concert in the municipal hall last night.

Arthur Hobson sang, Miss Dora Anderson, daughter of Reeve W. W. Anderson, delighted the audience with recitations, and Jean Frost, little Scotch dancer from Toronto, gave exhibitions of Highland Fling, the Sword Dance and Irish Jig. The address of welcome was given by Master Dalton Bales and Kathleen Keating gave the address which won her first prize at the county contest, entitled "The Waste Land of York County."

Local Township Councils are not alone in their troubles with mutton-eating dogs. At the November meeting of Pickering Township Council sheep claims amounting to \$303 were paid. Six sheep were killed outright and fifteen injured.

Sheep Killed

During the past month over forty sheep have been killed by dogs in the Guelph neighborhood, many others injured so badly that they had to be destroyed and still others worried. In spite of the offer of a substantial reward the killers are still at large. Some people are inclined to believe that wolfe is responsible.
