It Won't Be Long Now

MRS. PUT-OFF—Here it is almost December 1 and I have nothing ready for Christmas. This time of year means so much hustling and planning that I really dread the next few weeks.
MRS. DO-IT-NOW—Well I can sympathize with you; I felt the same way until the other day Edgar Wall called and took my burden away with him. He's getting my Christmas cards and he suggested a number of suitable presents which suit my needs exactly and they are so cheap too. You should give him a ring.

COMING

Salvation Army Christmas Demonstration, in Masonic Hall, Richmond Hill, Tuesday, December 20th. Adults 15c, children 5c.

Jolly Old Santa is Coming

Elsewhere in this issue is the announcement that Santa Claus will pay an official visit to Davies Dry Goods Store on Saturday next, December 17. He will present each child with a suitable toy and will be glad to hear what all the kiddies in the district want him to bring in his big pack for them on Christmas Eve. Davies' Store is now well stocked with a varied line of Christmas goods and the store and windows are appropriately dressed and present a very attractive appearance. A handsome floor lamp will be given away at this store this Christmas and it will pay you when doing your Christmas shopping to take a chance on this valuable prize.

DIED

DAVIS—On December 2nd, 1927, at her daughter's residence, 65 Chelsea Avenue, Martha Davis, wife of the late Nelson Davis, in her 83rd year. The funeral was held from her late residence on Monday and interment followed in Richmond Hill cemetery.

Council Recommend Revision Of Assessment for Next Year

Will Curb Speeders—Application Will Be Made To Police Commission To Have Local Magistrate Appointed.

Richmond Hill Council met in regular session on Monday evening, when several important matters were discussed and dealt with by the members. Reeve Lunau presided and Councillors Baldock, Sloan and Herrington were present.

Councillor Herrington introduced an important item of business by making a suggestion which he asked be handed on to the 1928 council regarding the revision of the assessment of the town. He said that he felt that if the assessment could be revised and raised the mill rate could be materially reduced and the town would thus make a better impression on outsiders and the people would not actually pay any more than is now levied. He suggested that a competent man be appointed next year to classify all buildings and put the assessment on a real business basis. The buildings at present are not classified he said and the result is that there is a great disparity in assessments. The present assessment as it stood was not at all equitable and he felt that this was one of the important matters which should be taken up next year.

Councillor Sloan stated that his idea would be to appoint two or three outside men who understood their business and would have absolutely no personal feelings in the matter to do the work.

Councillor Baldock suggested that one outside man and one local man be appointed. Councillor Sloan said that in his opinion there was land in the Village which was not sufficiently assessed and that the whole matter of assessment on both land and buildings should be considered.

Reeve Lunau concurred in the suggestion but stated that he felt that there were local men capable of doing the work.

Constable J. Sheardown waited on the Council regarding a bill which he presented several months ago for \$150 for services during the past years as constable. He said that he was appointed as County Constable about six years ago and that he had done a lot of work and had been at considerable expense and had received nothing for it. He felt that he should not be asked to sacrifice his time and receive nothing for it.

Reeve Lunau stated that he felt that the whole council should be present to discuss the matter and on motion it was laid over until the meeting on December 15.

The discussion of the constable's salary led to the discussion of the appointment of a constable to take care of traffic in the village. It was pointed out that now the street was paved many motorists were using it for a speedway and it was felt that in the interest of public safety that some action should be taken at once to bring the offenders to justice. The members were agreed that if a constable were appointed for this work that arrangements should be made to have a magistrate appointed locally so that cases could be tried here and the revenue from fines, thus find its way into the village coffers to help meet the expense of enforcing the law. It was found that to accomplish this representations would have to be made to the Police Commissioners of the County and this will be taken up immediately.

Councillor Baldock suggested that safety zones be established where the radial cars stop and that all traffic be compelled to stop while passengers are boarding the car the same as they do in the city.

On motion of Councillors Baldock and Herrington the speed limit for the municipality was fixed at twenty miles per hour and signs to this effect will be posted at both entrances to the village.

An important matter which has been hanging fire for some time was cleaned up when on motion of Councillors Herrington and Sloan the town will apply to the Railway Board for permission to consolidate the floating debt of the village and issue debentures for the same. There are several loans of odd amounts outstanding on notes which have been renewed from year to year for some time and the members were agreed that the proper business method of dealing with them was to issue debentures.

Mr. Fred Grainger was granted the canteen privileges at the rink on the same terms as last year.

A letter was received from P. A. Drury of the Elgin Concert Band applying for the band contract at the rink his season. The matter was left in the hands of Councillor Baldock chairman of the rink committee to deal with.

The building inspector reported buildings and repairs to buildings during the year, of \$22,750. The report was

accepted.
Councillor Sloan announced that tenders for the work of extensions to the waterworks would be dealt with in the course of a few days and that the work there would then be proceeded with.

Frank Gibbons appeared before the council complaining that the new drain on north Yonge Street which was supposed to drain his cellar did not function satisfactorily and asked that the council have the condition remedied. It was decided that by extending Mr. Gibbons drain about one hundred feet south it would be satisfactory and this extension will be commenced at once by the council.

Dance at Unionville

Euchre and dance under the auspices of Markham Township Veterans Association to be held in the Township Hall, Unionville, Wednesday, December 14th. Styles orchestra in attendance. Good prizes. Ladies please provide.

Extend Call to Minister

The call extended by the Richmond Hill, Thornhill and Lansing Presbyterian congregations at a congregational meeting held recently to Rev. Charles A. Mullen, of West Flambora was accepted by the Presbytery on Tuesday.

Admission 80c, extra lady 30c. A spot waltz at 10.30. These dances will continue every two weeks through the winter months.

Plowmen Met

The final wind-up meeting in connection with the Provincial Plowing match was held at the Hotel Richmond on Tuesday evening last. The various accounts were passed and the committee wound up its business with a clean sheet. A hearty vote of thanks to President James McLean, Secretary R. J. Rogers and J. Lockie Wilson, for their untiring efforts on behalf of the match was moved by J. A. Greene and seconded by Reeve W. C. Gohn of Markham Township and heartily concurred in by the meeting.

Paving Nearly Finished

Paving operations in the village are fast nearing completion and if the weather holds out for a few days the Warren Paving Company hope to have the job completed in the course of a few days.

Will Form Bennett Club

A meeting will be held under the auspices of the Liberal Conservative Association in the Council Chamber, Richmond Hill on Tuesday, December 13, for the purpose of transacting general business and to organize a BENNETT CLUB.
