York County Team Competes At Guelph

Made Splendid Showing In Keen Competition

The York County Judging Team landed back from the judging competition at Guelph on Tuesday afternoon of this week.

The team consisting of Bert Riddell of Georgina, Stewart Chapman and Clark Torrance of Weston, with Lorne Chapman as a spare, made a wonderfully good showing and the officials at the local office are exceedingly well pleased with the showing they made. "It was anybody's cup" stated R.J. Rogers, "as the classes were somewhat tricky and in two or three cases it was a gamble to pick the winner of the class."

Bert Riddell who is the son of Reeve Wilnot Riddell of Georgina, made a real name for himself in this competition. He was third high man for the Province with a score of 804 points, the winner having a score of 807 points. Mr. Riddell was high man in Beef Cattle, while Clark Torrance of Weston, won second prize in Dairy Cattle.

Dufferin County won the Competition with a score of 2291 points while York County stood fourth and only 38 points behind the winning team.

This was the closest competition held in years at Guelph. This same team will be held over until next year, when they will represent York County at the Royal Winter Fair and will have another opportunity of competing for the Trophy at Toronto.

It is easy to believe in Providence when you note how people drive and how few wrecks there are.

Mothers---Do Be Careful!

The proper outfitting of your children in shoes entails a great deal of responsibility.

Think of twenty-six tiny bones in each little foot, all fitted together with a nicety beyond human skill—and what? Cramped and bruised on a hard, ill-fitting boot—or functioning with their natural ease and freedom in a soft, well-made, and scientifically-fitted shoe?
