

## Doubling the Arguments For Saving

ALL that can be said in favor of opening a savings account in the Standard Bank may be repeated with greater emphasis as regards a joint savings account. Joint accounts are primarily for convenience of depositors, but where two people are bound together by common interests, the moral as well as the practical value of working together, planning their financial betterment with the aid of a joint bank account is clearly evident. The Standard Bank solicits your joint savings account.

## When You Travel

Are you going abroad this year? If so, we suggest you carry a Letter of Credit. It is the most satisfactory method of providing your needs in foreign currencies. It acts as an introduction to bankers in all parts of the world, and then, your funds are drawn from your own Bank only as you draw on the Letter of Credit.
