MAY BE ELECTION TO FILL VACANCY IN THE COUNCIL

The appointment of J.R. Herrington to the office of Clerk of the Division Court here will mean that there will be a vacancy in the municipal council as it is understood that it will be necessary for him to resign his office of councillor. Mr. Herrington has served two years on the council and was commencing on his third and many will regret his retirement from the municipal field where his capable services are highly appreciated & will be greatly missed. When the resignation is received it will be necessary to call a nomination meeting to fill the vacancy. Rumour prominently mentions the names of former Councillor J. A. Greene and Albert Chapman with the position and it is understood that both would be willing to act.

Pleasant Social Evening

The Sunday school of the Presbyterian church was well filled on Monday night in response to an invitation sent out by the Women's Association to a social evening. The main object of the event was to give a welcome to the Rev. Mr. and Mrs. Mullen. With Mr. A.D. Buchanan presiding, the following gave short addresses. Mr. Joe Monkman chairman of the board of managers; Rev. Mr. Battersby of St. Mary's Anglican church; Mr. Geo. Sims, Weston; Mr. C. Marsh, Mrs. Milton Savage and Mrs. W. Snedden, Miss Mary Cowie did her little part by presenting Mrs. Mullen with a small gift. In Mr. Mullen's reply he made special reference to the dexterity and kindness of the men who gave their time liberally in renovating the Manse so efficiently; also to the ladies who provided the where with all to do so. The musical part of the program was well rendered by Mr. Geo. Sims and Mr. Carruthers, Mr. Bill Grainger, Mr. Ellison, Miss Heise, Miss Ireland, Miss Maud Buchanan and Miss E. Grainger. The Misses Francis and Eleanor Drury also gave a variety of interesting recitations. At the close of the program refreshments were served. The singing of "God Save the King" and a special vote of thanks to the ladies brought a happy evening to a close.

Impressive Memorial Services Held At St. Marys Church

Large and Representative Congregation Honored
Memory of Late H. A. Nicholls.

St. Mary's Anglican Church was filled to capacity on Sunday evening last when special services were held in honor of the memory of the late H.A. Nicholls. The members of the Masonic Lodge, representatives of the Municipal Council, Board of Education and of the Richmond Hill Agricultural Society who attended in a body occupied the seats on one side of the church. The service was featured by special hymns, psalms and prayers for the occasion and the lesson was chosen from what is called The Famous Passage in that interesting work of the Apocrypha called Ecclesiasticus or The Wisdom of Jesus the Son of Sirach, the forty-fourth chapter and the first ten verses.

Rev. H.F. Battersby, Rector of St. Mary's delivered a very able and forceful sermon taking for his texts 2 Romans 13-7 "Honour to Whom Honour" and 1st Peter 2-17 "Honour all Men, Love the Brotherhood Fear God, Honour the King." He paid eloquent tribute to the life of late Mr. Nicholls and to his numerous and varied activities in the community, in the church, in the lodge and in many organizations. The speaker reminded the Masonic brethren and congregation that they were gathered in the house of God for the special purpose of giving honour to whom honour was due, not in any way to pass judgment on the life of the deceased. In following the text and reviewing the life of the departed he said that he had tried in his life to honour men by his membership in many brotherhoods as well as in the great brotherhood of God's Kingdom. In his life he had that re-

verential fear of Almighty God which showed itself in many ways both in his home life and the life of the community. Speaking of the reverential fear of God held by the late Mr. Nicholls the speaker recalled that one of his anxieties in his later days was his fear of the tendency of the age taking as an illustration the modern tendency of irreverence of God's Holy day, and spoke of the pain it gave him to see so many whom he personally knew absent from the duty of worship in God's house. He filled many important offices in his own church and in addition to those things of which we knew there were the countless little acts of kindness not known to the world at large and which were cheerfully done to many who appealed to him for advice and help. Then said the speaker, are we to stop here or is there no other lesson to be learned from his life. Though absent in the flesh and though passed beyond the veil, does his life not call to those who are left behind to carry on where he left off. Does not his life and the great multitude of witnesses who encompass us about call us to lay aside every weight that doth so easily beset us and let us run with patience the race set before us, looking unto Jesus, the author and finisher of our faith. In closing the speaker said "let us all learn from his life, and from the lives of all God's Saints, our present duty to the home, to the community and to the world at large. Let us so learn to live that we may be ready to die and that we may be able to say with St. Paul, I have fought a good fight, I have finished my course, I have kept the faith."

TIED FOR HONORS

IN N. YORK LEAGUE

On Monday, January 16th the Willowdale Arena was the scene of two good hockey games. The first one between Willowdale and Lansing resulted in a victory for the latter. The second game was between the Canadian Legion team and Newtonbrook, the latter winning by 7 to 3.

This (Thursday) evening brings together Willowdale and Legion and after that contest the two leading teams of the league; Lansing and Newtonbrook will battle for first honors. This latter game should be a real fast game as both teams are capable of exhibiting a good brand of hockey. And the league leadership being at stake should also help to make the game more interesting.

The standing of the North York Hockey League is as follows:—

Team	Won	Lost
Lansing	2	0
Newtonbrook	2	0
Willowdale	0	2
Canadian Legion	0	2

On Tuesday night, January 17, the Willowdale T.H.L. Junior hockey team was defeated in a hard fought battle by the Moore Park team; the score being 4 to 1. However the Willowdale Intermediate Hockey team fared better in its engagement with the Super-Six team. This contest resulted in a 3-2 victory for Willowdale. Despite the soft ice these games exhibited many good plays on both sides.

On Saturday afternoon at four o'clock the Willowdale juniors will meet the Bedford Park junior team at Willowdale Arena.

Village Council Make Several Appointments For The Year

Councillor David Hill Opposed To Appointment
Of Assessor At This Meeting.

The Richmond Hill Council met in the council chamber on Friday afternoon last at 4 p.m. It was decided that the regular meetings should be held this year on the first Monday of every month and that said meetings should be held in the evening in the council chamber. This will enable more citizens to attend the meetings as there is ample accommodation for all. It is hoped that the ratepayers will avail themselves of this opportunity of attending the sessions of the council and show their interest in municipal affairs by their attendance. Councillor Herrington wanted to know how much revenue the town had received so far from fines of speeders. The clerk reported that no returns had come through yet but the Reeve stated that he understood that there were nine convictions out of the first list taken to court. The ones that were followed by the constable were fined but the ones which were caught with a stop watch were not accepted by the court.

There was considerable discussion concerning the appointment of an assessor for the coming year. It was moved by Councillor Herrington and seconded by councillor Sloan that the assessor as last year (Mr. A. Campbell) be appointed at the same salary as last year namely \$175 per year. Councillor Hill wanted to know if it was necessary to make the appointment now as he was not prepared to name one at present.

Councillor Herrington said he had no complaints about the former assessor.

Councillor Hill—I think this is a very important position. One who merely copies is not an assessor. Councillor Sloan pointed out that it was suggested that an outsider should be called in to classify the buildings and generally revise the assessment but he did not think this interfered with the appointment of the assessor in any way.

Councillor Hill—I'm opposed to any assessor who cannot go out & make a proper assessment. He referred to the equalization which was brought about several years ago.

Clerk Hume gave the information that the revision at that time was

merely a straight increase of twenty-five per cent. all around and that no effort was made toward-equalizing it. Reeve Lunau suggested that the motion be withdrawn and the matter left over until a future meeting.

Councillor Hill—It is not a good policy to rush ahead in those things. Of course it is an easy way of getting rid of them but for my part I hesitate. The motion was put with Councillors Herrington and Sloan voting for it and Reeve Lunau and Councillor Hill opposed. Councillor McLean who was in the chair said that the present assessor was only appointed last year and he did not think it was a position which should be changed too often. He voted for the motion and it was declared carried.

A.A. Eden was appointed High School trustee in the place of George Gee who asked to be relieved of the duties. A.G. Savage was appointed as member of the Public Library Board. A. Elson, George Drury and Jno. Ireland were appointed fence-viewers for the municipality and Thos Allison was named as sheep valuer.

A by-law was passed appointing J. Sheardson as constable at a salary of fifty cents per hour for time actually spent in the execution of his duties.

Reeve Lunau in answer to a question stated that the bill from the Warren Paving Company for the paving of Yonge Street had not been received.

Councillor Herrington stated that in case of fires it was very important that all hydrants should be in good working order. He wanted to know if they had been inspected and said that the Fire Chief should be notified if any were out of commission. Councillor Sloan of the waterworks department said that all had been inspected and all were in working order except the one at Hall's Service Station. The fire-chief will be notified of this effect.

Councillor Herrington also drew attention to the number of accidents which had taken place at the crossing on Yonge Street, just south of the village and a motion was carried that a notice should be sent to the Department of Highways drawing attention to the dangerous condition of the crossing.
