

Victoria Square News Notes

The caretaker of the cemetery has been kept busy of late. He has had four graves to dig in one week. In three instances at least the bodies which were born to their last resting place had enjoyed more than four score years of activity. These three had spent much of their life time in or around Victoria Square hence we conclude that to live here gives more than a passing chance of along life.

Our pastor Rev. W. Haig chose a very appropriate text Sunday afternoon. His subject was the Christian viewpoint of death. He spoke of it in three aspects—Change of vesture, A departure, and an abundant entrance. His sermon was thought provoking, inspiring, challenging and earnest. He exhorted his hearers to live with eternity in view.

Mr. and Mrs. Keffer of Maple called on some of their friends here on Saturday afternoon.

Miss V. Walker of Toronto Normal school, spent the week end with Miss Viola Avison.

Mr. and Mrs. R.F. Klinck have been spending a week with friends in Toronto.

Mrs. Orla Heise is spending some time with her friends in Pennsylvania and Florida.

One of our strong yoemen partook of a very heavy evening meal a few days ago. About four in the morning he realized he was very ill and feared that he had taken a stroke. Upon further examination it was found he was suffering from a severe attack of indigestion. He would advise all readers to refrain from an over heavy evening feast.

Ask No Questions

A young man who attended Mr. Percy Cober's sale had a rather unique experience. During the afternoon a stranger had kept in rather close quarters with him for some time. Later on putting his hands in his pocket for his cash, he found his pocket empty. The auctioneer was advised of his loss and announced the fact. In a short time the loser spied his man journeying for the road. Immediately he went around the house and met his man face to face, "Are you the man who lost the money?" was the stangers question, "I am" said the other. "Here it is, said the stranger. "Be satisfied you have got your money and ask no questions," he went on, elated that the lost was found the loser accepted the roll and the stranger disappeared. Now Mr. Editor facts are sometimes stranger than fiction.

The fifty-eighth annual convention of the Markham Township Religious Education Council was held in Markham United church on Friday, January 27. Rev. W. Haig and Miss Mabel Boynton will report the morning and afternoon session on Sunday afternoon. The report of evening session will be reported later by Mr. Cecil Nichols.

Miss Alexander has had a large and attentive class in the hall each afternoon of the week. Very fortunate indeed is it that our young people have so competent an instructor and one who at the same time is so filled with the spirit of the Master. The Institute are to be congratulated on having such an able nurse in charge. We are sure the lessons taught will be a boon to all.

The funeral of the late Mr. P. Pingle of Toronto, took place on Tuesday.

The body was interred in the cemetery here.

Several from here attended the funeral of the late Mrs. Hooper of Buttrickville on Wednesday afternoon.

The Prayer Union service on Wednesday evening was well attended Miss Flora McLean Alexander, a graduate nurse of the Western Hospital, Toronto, and medical missionary for two and one half years at The Ludhiana Medical College, Punjab, India, addressed the meeting. Her hearers listened intently for one hour to her message on the social life of the women of India. Her words very vividly portrayed conditions as she met them in India. We mentioned two or three things very inspiring and very helpful to us in Canada. "The converted girls of India pray for the Western Christians every day and they believe God hears and answers prayers." The rescued girls who attend school and University carry off all the honors from the men of high rank because they apply themselves diligently. "The only hope of salvation for India rests with the women. At the close of the address the audience who had been thrilled with the words of a noble saint of God believed she had spoken not more than one half hour. Never have we had a better address on this subject. We would like all Liberal readers interested in W.M.S. work to hear Miss Alexander in the near future. Miss Maragret McCague sang a very appropriate solo as her contribution to the service.

Mr. and Mrs. A. Chester of Scarborough were the guests of Mr. and Mrs. L.G. Stoutenburg on Sunday.

Mr. and Mrs. Len Annis, Mr. and Mrs. Chas. Annis of Port Huron and Dunbarton visited with Mrs. Wilmot Brumwell on Sunday.

Curling Notes

A very enjoyable afternoon's sport featured the Wednesday afternoon tournament at the local curling rink this week. Six rinks took part in the competition and the games committee have been commended for their action in placing some of the less experienced skips at the head of rinks thus giving them an opportunity to display their prowess. Good games were the feature of the day and Claud Wright's rink finally emerged victorious. Incidentally it might be mentioned that skip Wright was awarded the first prize ticket which he carried with a grace and manner which would do credit to any prize cocker that ever stepped out of the show ring. The idea of awarding prize tickets to winning skips is a novel one and will probably become a custom at the local club in the future. The winning rink was as follows: James Hunt, Jos. Atkinson, Gid Moodie, C.V. Wright skip second prize, A.A. Eden, Walter Scott, A.E. Glass, T.H. Trench skip.

The annual bonspiel will be held next Tuesday, February 7, when many outside rinks are expected to compete for the E.T. Stephens trophy. Entries may be sent to N.J. Glass secretary.

Mrs. Evangeline Lindbergh, mother of the "Lone Eagle," has been presented with a volume of autographed tributes from prominent Frenchmen, who sent Mme C. Boas de Jouvenal to deliver the token in person.

Victoria Square

To hear shots fired from the old shooting gallery carried memory back to the days of the Rifle Club, when that organization was in full swing. Indeed one might have thought they had returned to stage one of their old-time contests. But such was not the case. The occasion being the shooting for twenty-three birds put up by H.L. Kaiser merchant of the town on Wednesday afternoon the 25th January. Tho' stormy, the day was bright. The crowd was not large but competition was keen, just as keen as the air. The following is the score, one off-hand shot being not counted:

Full score	220	Birds
Jack Frisby	210	4
J. Madill	209	5
Geo. Agar	207	4
Geo. Forrester	205	6
A. Frisby	195	3
C. Sanderson	177	1

For 18 shots

In a former issue a list of W.M.S. officers was published and an omission and a mistake was made. The vice-president's name Miss Hopper was omitted and our allocation was sent to Miss Rae.

On Wednesday evening, January 18, a special meeting was held in the church. Our president, Mrs. W.M. Haig, was very fortunate in securing the services of Rev. W.E. Sibley, a missionary from China for this occasion. He explained how the Chinese tried govern their people but failed and that the enmity between the north and the south was to a great extent the cause, for, what suited one was opposed by the other. He also stated that England and United States had each been invited to help them establish a suitable form of government but each wisely refused. But Russia accepted an invitation but her influence made matters worse and she was asked to withdraw. He attributes the slow progress of Christianity to these conditions. The quartette & Miss McCague very ably rendered well-chosen missionary selections after which a social hour was spent in the basement. The proceeds amounted to \$22.15.

Mlle. Dorang, a young French woman, recently rode from Paris to Berlin and back, using a side-saddle.

Hockey Notes

Richmond Hill 4 — Queensville 4
Richmond Hill Arena was the scene of another fast and furious game on Monday night, the Queensville "Never Swets" clashed with the Richmond Hill "Tigers" in an exhibition game. The game started fast and both teams sure did strut their stuff. In less than a minute after play started, Queensville popped a hot one in past "Pug" Harding who was in goal for the Locals. It was a hard one to stop and neither defence men attempted to stop the run-away man who was carrying the puck. It was not long after that the locals tied it up, when "Shorty" Bayes and "Rusty" White scored the best goal of the sixty minutes; it was the prettiest piece of work that has ever been seen this year. Bayes carried the puck to the defence and past it over to White who flipped it past the Queensville marvel who played an excellent game between the bars. Queensville pulled ahead again when their fast and furious forwards made a three man rush to the Hill goal and were successful in counting their second goal which was scored by Spence, who was assisted by Nesbitt and Caine. The period ended with the score standing 2-2. Cappell scored the second goal for Richmond Hill with about two minutes to go in that period, when he slapped in a re-bound from the goal-keepers pads.

The visitors were the first to score in the second period when Madill scored in about five minutes after play had started, and they held the lead until the half way mark was reached when White counted his second goal of the night. Five minutes later Queensville took the lead by one goal and held it until about one minute to go in the last period when "Ken" Blanchard put a shot into the visitors net which almost went through the net.

The Locals did not show as much combination as was expected, although two of the goals came from passes from Bayes to White and Grant to Blanchard. The visitors played good hockey and had the weight but not the speed of the local boys who out-skated them but could not out-play them. With Nesbitt, Spence and Caine on the forward line they showed plenty of stuff and kept the locals guessing with their combination, and they were backed by Smith and Madill on defence and both played a very steady game. The local forward line was made-up of Kenny Blanchard, Shorty Bayes and Lyle Grant, with Cowie and White on defence. It was hard to pick a star from either team as they both played good hockey, but the only trouble with Richmond Hill they had no luck around their opponents net. The locals had the edge of the play in the last period, when they played four men up and they sure did plaster their opponents net with shots from all directions. Play was held up for five minutes in the last period when the Queensville goalie tried to stop the puck with his head and was knocked cold, but was soon on his feet again and finished out the game in his usual good manner. "Pug" Harding in between the bars for the Locals played a good game and stopped many a hard shot which looked very dangerous from the boards. This was Harding's first time in goal and he put up a good game.

There was a good crowd on hand to witness the game and all went home well satisfied. It was the biggest crowd that has turned out to a game this season.

The line-up of the teams are as follows:—
Queensville:—Goal, Huntley; Defence Madill and Smith; Wings, Nesbitt, Caine and Doane;—Subs. Dew and Shanks.
Richmond Hill:—Goal, Harding; defence, Cowie and White; Wings, Bayes, Cappell and Grant;—Subs Blanchard, Mylks and Grainger.
Goals scored by the following players:—Queensville—Nesbitt 1; Spence 2, Madill 1, Smith 1. Richmond Hill White 2, Blanchard 1, Cappell 1.

Fire Brigade Called
The local fire brigade had a call this morning about 10.30 to the home of Mr. Rickwood, Yonge Street. It is understood that the fire was caused by the flaming up of an oil stove and the removal of the stove from the house before the brigade arrived averted a more serious fire.

THE PRINTER
It may be sad, but still 'tis true, There's one thing that all humans do And that is, blame the printer. He does his best without our help For all we do is stand and yelp, Then cuss and blame the printer. We write our manuscript by pen, To read it is beyond our ken, Yet we expect the printer To dope it out and get it right, We think not of his time or sight; If wrong—we blame the printer. We hold our stuff until the last, Then try to rush it through too fast The printer gets snowed under. But still we camp upon his trail, And prod him on with woeful tale, Or rant or rail like thunder. He shoots it through, the proof we get Hell's bells! the job is not right yet We chop that proof to splinters. It takes two days before he knows Just what each hieroglyphic shows— A dumb lot are those printers. The job's delivered. Some relief! To know we're through with rush and grief We ought to thank the printer But no! The poor gink's out of time, He overcharged us one whole dime, Once more we cuss the printer. —Edison S. Dunban

High School Notes

The regular meeting of the literary society will be held Friday afternoon, February 10, with 4th form in charge of the programme.

Boys Sports

The first game of the basketball tournament between H. Atkinson's team and Clem Proctor's was won by "Doc's" team by a score of 16-14. As the score indicates the game was well contested and it was a game worth seeing.

The second game was between R. Bollons and A. White with AI's team winning by a score of 23-8. This game was not as exciting as the first game as the difference in the score indicates.

The High School expects to have the rink for skating on Thursday afternoon's along with the senior classes of the Public School.

Off to a Good Start

Tuesday night was the scene of the opening game of the Girl's Basketball league which we are so proud to say the girl's won with a score of 22-11 against Aurora. The star of the game was Ruth Reaman who never seemed to miss a single opportunity to score. R.H.H.S. girls had excellent combination while Aurora girls blindly shot from end to end invariably losing the ball. The next game is to be played at Newmarket on Thursday, February 16 and we wish the girls the best of luck in their endeavour to capture the laurels of North York in Basketball.

Line-up of R.H.H.S.:—
Forwards—Ruth Reaman, Irene Routley, Hilda Wright; Centre, Gladys Hooper (Capt.); Mary Reaman, Alicia Wheeler; Checks, Annie Elliot, Jean Reaman, Evelyn Waugh.

FARM SALE

Wednesday, February 8th—Auction sale of farm stock, implements, etc., property of Edward and Charles Kyle, lot 27, con. 5, Vaughan, (Teston). Terms 9 months credit. Sale at 1 p.m. J.T. Saigeon, Auctioneer.

2881 Dundas Street West, Toronto 9.

The past year has been an extremely successful one for the Pontiac six, and the fruits of this success are seen in the new series Pontiac, announced this week, which incorporates numerous improvements and refinements at no increase in price. The four models illustrated above indicate the graceful lines of the new car. At the upper left is the two-door sedan and at the upper right the radish new sport roadster, with its convenient folding seat. A head-on view of the roadster, showing the deep, narrow radiator and two of the four-wheel brakes, appears in the centre panel. At the lower left is the beautiful cabriolet and to its right the new four-door sedan.
