An Election In Richmond Hill Next Monday For Councillor

Albert Chapman and J. A. Greene are Candidates—Two
Were Nominated and Two Qualified—Poll Open
At Masonic Hall from 8 a.m. to 7 p.m.

The electors of Richmond Hill will go to the polls next Monday, February 20 and choose a councillor to fill the vacancy caused by the resignation of J.R. Herrington who was recently appointed clerk of the third division court of the County of York. At a public nomination meeting held in the council chamber last Monday evening two candidates were nominated and both have taken the declaration of qualification and the names which will appear on the ballots are; Albert Chapman, of the village of Richmond Hill, Farmer and John A. Greene of the village of Richmond Hill, Merchant. Both candidates are well known to the electors and need no introduction. Mr. Greene is a former member of the council having served as councillor for a number of years and has been prominent in the ratepayers association and all public affairs of this community for some time. Mr. Chapman is also well known and was an unsuccessful candidate for election to Richmond Hill council on a previous occasion. He had three years experience in municipal affairs before coming to Richmond Hill. The nomination meeting was not largely attended only the 2 nominations were received. Mr. Chapman was nominated by E.H. Hall & C.N. Cooper, Mr. Greene was proposed by Robert Endean and Herbert Cook. Both candidates addressed the gathering, briefly and intimated that it was their intention to stand for election and appealed for the support of the electorate.

On Tuesday both candidates visited the clerk's office and qualified taking the following declaration in so-doing:

- (a) I am a householder residing in this Municipality and am assessed as owner (or tenant) of a dwelling or apartment house (or part of a dwelling or apartment house separately occupied as a dwelling.)
- (b) or (am) rated on the last revised assessment roll for land held in my own right for an amount sufficient to entitle me to be entered on the voter's list) and that I reside in (or within five miles of) the municipality.
1. I am entered on the last revised voters' list as qualified to vote at municipal elections;
2. I am a British subject, and am not a citizen or a subject of any foreign country;
3. I am of the full age of twenty-one years;
4. I am not liable for any taxes due and unpaid to the corporation of this Municipality.

And I make this solemn declaration conscientiously believing it to be true and knowing that it is of the same force and effect as if made under oath and by virtue of The Canada Evidence Act.

We would urge that every elector go to the polls on Monday next and exercise the franchise. THE PUBLIC BUSINESS IS YOUR BUSINESS and every elector should show the same interest in the welfare of the town's affairs that he or she would take in personal business. Richmond Hill is a village of many wonderful natural advantages & possessed of wonderful possibilities. There are many important problems to be dealt with demanding the very best executive ability energy and enterprise which the council chosen by the people can exercise. The town needs more people; the town needs more industries which will give employment to those who would make their home in this ideal residential centre now so excellently served by public utilities, modern schools and many other advantages which we have. To a large extent the future of the Richmond Hill, its advancement growth and development is in the hands of those who administer its affairs. It is evident therefore that the electors should not take the matter of the selection of a councillor lightly but should take it seriously and go to the polls and elect the man

who they honestly think will do the most good for Richmond Hill during the year 1928. LET EVERY READER OF THE LIBERAL FROM NOW UNTIL NEXT MONDAY BE A PERSONAL MISSIONARY IN THE INTEREST OF A LARGE AND REPRESENTATIVE VOTE. LET US SHOW THE WORLD THAT RICHMOND HILL CITIZENS TAKE MUNICIPAL MATTERS SERIOUSLY ENOUGH, AND THAT THE MAJORITY OF THE PEOPLE THINK ENOUGH OF THE WELFARE OF THE MUNICIPALITY TO CAST THEIR VOTE ON ELECTION DAY.

BOARD OF HEALTH HELD MEETING

The Liberal was informed this week that a meeting of the Board of Health had been held and although it is our policy to attend and report the proceedings of all public meetings we cannot do so if we are unaware that such meetings are to be held, and therefore we must be content with giving our readers a copy of the minutes as recorded which are as follows:

February 1, 1 p.m.
The Board met pursuant to the call of the M.O.H., present were Messrs Gee, Lunau and Dr. Wilson. Minutes of last meeting were read and adopted. By vote Mr. Lunau was elected chairman. On motion the dates of meetings for this year were fixed to be the first Tuesday of February, April, July and November and the second Tuesday in January 1929. The meetings are to be held in the clerk's office at 1 p.m.

Dr. Wilson introduced again the subject of a chlorination plant at the waterworks. Discussion as to conditions along the water course was had and in some cases contamination was indicated. Moved that the secretary send on to the village council a recommendation that an efficient chlorination plant be installed in the waterworks plant before spring freshets come along. Carried. The M.O.H. stated that the department required samples of the town water every week for analysis. The matter was left in the hands of the M.O.H.

The veterinary's inspection report for 1928 was read and showed satisfactory conditions in the stables from which the village milk supply is obtained. The M.O.H. reported that the milk samples sent down recently were not satisfactory and that he had not yet received a report on the last samples sent. Moved and carried that the secretary write the veterinary inspector to send in a report after each inspection. It was decided to have quarantine cards printed for whooping cough, mumps and chicken pox and that placarding be left to the discretion of the M.O.H. Board adjourned at 2.50 p.m.

WOMEN'S INSTITUTE REGULAR MEETING

Interesting Program Provided by
High School Lit.

A meeting of the Women's Institute was held in the High School gymnasium last Thursday night. In the absence of the president, Mrs. N.J. Glass occupied the chair. The program was opened by the singing of the Maple Leaf Forever, after which routine business was transacted. The meeting was then turned over to Egerton Young, president of the High School Literary Society and a very enjoyable program was provided, which included the following numbers; piano solo Miss Iris Thompson, a humorous skit and a very interesting debate. The subject of the debate was "Resolved that corporal punishment should be abolished" and the affirmative was taken by Miss Dora Anderson and William Smith; the negative was argued by Miss Nellie Collins and Walter Steckley. The judges were Messrs Vaughan, Brick and Lewis, of Toronto, and in giving their decision in favor of the negative complimented the debaters on their subject matter and delivery.

RICHMOND HILL KNOWN BEYOND THE SEAS
That Richmond Hill, Canada, is known even beyond the bounds of Canada and of the American continent was evidenced by the receipt this week of a postal card by J.H. Dunlop from Ch. Narangajavana of Siam, requesting that a catalogue of Dunlop's roses be forwarded to him. It was posted on January 2, taking about six weeks in the mails. Mr. Dunlop stated that he often received such requests from all parts of America, England, and even the continent but that this request came the furthest distance of any in his thirty-eight years of business. It is a tribute to the world-wide fame of roses grown by Mr. Dunlop at Richmond Hill.
