

WILLOWDALE

Complaining that the wage scale of thirty-five cents an hour is not sufficient and urging that it be raised to fifty cents, which township employees are in the habit of receiving, a large number of men who live in the township, and are employed by a construction company in the erection of the Yonge Street viaduct, it is understood were dismissed. The company alleges that the men were not steady employees. A short time ago a deputa- tion waited on North York Town- ship Council in regards to the matter, but were informed that the undertak- ing was not in any way connected with the township, but being done solely by the Provincial Government.

Disease in Township

During the first half of the month of February, Dr. C.E. Hill, M.O.H., reported five cases of chickenpox, five cases of mumps, one case of scarlet fever and one case of measles.

Memorial Service

Wearing their decorations and pop-

pies in tribute to the founder of the British Empire Service League, 41 veterans, along with members of the ladies auxiliary of the Canadian Legion, Post 66, and members of the Willowdale Presbyterian Church filled the township hall last night at a memorial service to Sir Douglas Haig. Comrade R. McDonald delivered a fitting memorial oration. Rev. C.A. Mullen pastor of the Presbyterian church gave an inspiring address on the life and work of the great soldier. Comrade Arthur Robson sang a solo. The choir of the church under the leadership of Miss Maude Warling, rendered special music.

Fair Had Good Year

At the annual meeting of the Schomberg Agricultural Society the sec.-treas., Dr. A.H. MacLeod, reported that despite the fact that more than \$200 had been expended on the grounds, the financial position had been greatly improved over the preceding year. The old officers were all re-elected, and in addition, Godfrey Fox, Thomas Blackburn and Gordon Brethet were added to the board.

Education Costs Increase

The cost of secondary education in the County of York was \$30,000 more in 1927 than in 1926 as shown in the report of the Education Committee of the County Council last week. Many of the county councillors have expressed the opinion that the County now has sufficient number of High Schools to adequately serve the people and that the County should not be saddled with any more debt for construction.

Price isn't everything. Any woman had rather wear a \$9.98 36 than a 42 costing \$185.

Thank goodness! Heaven selected its musical instruments before the uke and the sax were invented.

Among the things that come to those who wait is this: "Naw, this ain't two-double o-six. You gotta wrong number."
