To The Electors Of Richmond Hill

Ladies and Gentlemen—I am a candidate for election to the Richmond Hill council and if you think my record of service to this municipality warrants your support I am willing to serve you during the remainder of 1928. I assure you that I will at all times devote every effort within my power to promote the welfare of Richmond Hill and that I will at all times be at the service of the electors in the carrying out of the important duties of councillor and promoting any project in the interests of the people of this municipality.

I favor and will advocate strict economy in administration of town affairs but I have a vision of the possibilities of Richmond Hill which will not be lost sight of, and which as a people we must keep constantly before us if we are to advance and take the place which our natural advantages have destined for us.

If elected I will work in the best interest of Richmond Hill as I have always done in the past, thanking you in anticipation of your support.

Girl Struck By Car Is Progressing Favorably

Latest reports received this morning indicate that Doris Fortuk, the ten year old school girl who was struck by a motor car on Yonge Street Monday afternoon, is making very favorable progress. The girl is not nearly as badly injured as was at first thought. She sustained scalp wounds and bruises about the body but no broken bones.

The unfortunate girl was crossing Yonge Street about 4.30 on Monday when she was struck by a northbound automobile driven by a Mr. T. Forbes of Georgetown. She was rushed to the Imperial Bank where she was given first aid treatment and attended by Dr. Johns of Thornhill. She was later removed to the Sick Children's hospital by Wright & Taylors ambulance.

The driver of the car was taken in custody by constable Sheardown and appeared in County Police Court charged with reckless driving and is now out on bail.

Choir Concert

The Richmond Hill United Church choir will combine with the Victoria College Symphony Orchestra under the leadership of F. Blachford on the 29th of this month, in giving a choir concert for which a splendid program is being arranged.
