

# THE NASH

## 5-Passenger Sedan

on the Big Advanced Six Chassis

only \$ 1235

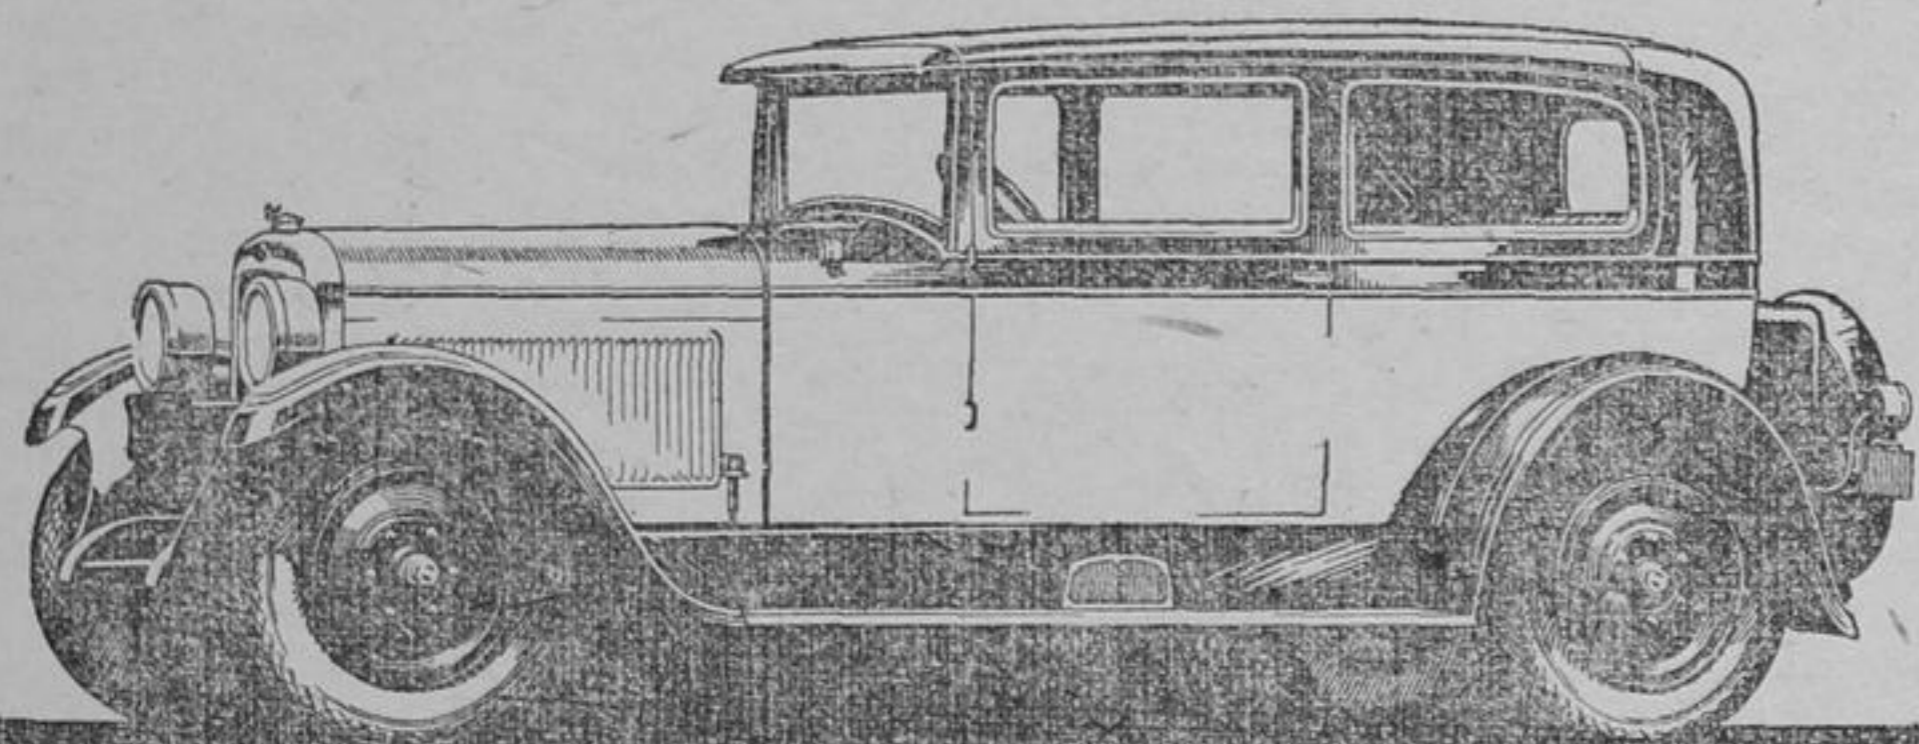

...The finest family car ever sold at so low a price

You simply cannot buy finer motoring for the money than this big, fleet-looking, smartly appointed, Nash Advanced Six Sedan for five.

It has the great advantage of Nash 7-bearing performance. It excels also in steering and riding ease. Specially designed, Nash alloy-steel springs plus shock absorbers, front and rear, add unusual comfort to your travel.

There are optional colors to suit your taste—a smart, built-in, custom trunk, trimmed with nickel straps, for style—and 5 steel disc wheels as standard equipment. (Six disc or six wire wheels, two of them side-carried and fitted with extra tires, are optional at slight extra cost.)

There's no car at its price capable of so much lasting satisfaction as this Nash Advanced Six Sedan. It's a finer mode of motoring, at a lower price!

YOU MIGHT BE THE LUCKY ONE TO-MORROW

### Social and Personal

Mr. and Mrs. P. C. Hill, motored to Buffalo at the beginning of the week to attend the wedding of Miss Dorothy Day Gibbs and Dr. Ernest James Hill.

Mr. and Mrs. Lauder Glass, of Detroit, are holidaying in Richmond Hill for the coming month.

Councillor James McLean spent the week end at his home here.

Word has been received of the death of Milton Palmer, a former well-known lacrosse player of Richmond Hill. He had been living in New Mexico and died following an operation.

Mr. Allan Meyer, of Buttonville, underwent an operation for appendicitis this week and we understand he is making favorable progress.

### SPLENDID REPORT OF LOCAL HIGH SCHOOL

The regular meeting of the Richmond Hill Board of Education on Tuesday night was featured by the presentation of the auditor's report and the report of the inspectors. The auditor's report showed the books and accounts to be in very satisfactory shape and the finances in good standing. The Inspector's report of his inspection of the High School in March was very complimentary, the grading of the accommodation was invariably number 1, and his remarks concerning the splendid standing of the school was very gratifying to the board. In his general remarks Inspector Husband said:

"It has been a pleasure for me to visit the Richmond Hill High School and note the fine provision that has been made for carrying on the work of secondary education. The members of the Board as well as the people of the village and the surrounding community are to be congratulated on the interest they have shown in the welfare of the boys and girls; and I trust that the success of those who may be trained in the school from year to year will be in keeping with the sacrifice the community is making to maintain it in its present efficient state.

Principal Stewart is a good organizer and administrator and he is fortunate in having, for the most part, teachers of experience associated with him in the work. However if the school is to get his best service as Principal he should be relieved as soon as possible of work in Physical Culture.

A commendable feature of the work of this school is the interest taken in debating and public speaking. During my visit I had an opportunity to listen to a very good debate.

I was also informed that most of the boys and girls are interested in the athletics of the school and this is desirable. Good wholesome sport has ever been a source of strength to the life of any school, as through it the physical well-being of the pupils is promoted and certain lessons, important in their bearing on the future life of the boys and girls, are inculcated almost unconsciously."

Tenders were received for supplying floor oil and dustbane to the school and the order was awarded to C. N. Cooper. The board had secured Toronto prices on the commodities but the local price was lower.

The accounts passed included an item for \$82, for a metallic garage to be used as a tool room and storehouse at the High School.

The following members were present; chairman G. H. Duncan, trustees, H. Endeau, H. Murphy, H. Cook, H. Sanderson, A. A. Eden, Jos. Atkinson, and Stan. Tyndall.

Rev. Thos. White has accepted the invitation of the Temperanceville United Church to remain as pastor for the sixth year.

The Newmarket High School are to have the use of the Stuart Scott Public School until the high school which was destroyed is rebuilt.

At the meeting of the North York Council held on Monday the North York Producers' Association, by resolution, recommended to Council that the personnel of the market officers be left the same and without any new appointments.

The local Fire brigade recently received a substantial check from citizens of the Buttonville community as an appreciation of the excellent services of the brigade when fire destroyed the community hall and threatened the community some months ago.

A large Arctic owl was shot in the neighborhood of Richmond Hill last week. It was a large one and measured about three feet between the wing-tips. It was in the act of devouring a chicken when shot.

The Richmond Hill Fire Brigade answered a call to stop 22 Yonge street early Saturday morning at 5.55 a.m. to the home of Mr. Everingham. The house was destroyed but the efforts of the brigade kept the fire from damaging neighboring buildings. The furniture downstairs was saved. The cause of the fire is unknown.

### CARD OF THANKS

Mrs. Chas. H. Boynton and family desire to thank their many friends and neighbours for their kind sympathy and many acts of kindness, during their recent sad bereavement.

# Colors Radiant as the Rainbow

McLAUGHLIN-BUICK'S rich, modish color harmonies add further charm to the long, low lines of the modern Fisher bodies.

The G. M. A. C. Deferred Payment Plan offers many advantages to buyers of McLaughlin-Buick cars.

The 1928 McLaughlin-Buick presents the season's most colorful and attractive mode. The rich hues of the Duco-finish Fisher bodies blend delightfully with the interior color-harmonies, providing an atmosphere of luxury and refinement approached by few save the most costly cars.
