PLEASANT EASTER PARTY

A very enjoyable Easter party, under the leadership of Miss Martin, was given the primary department of the United Church Sunday School, Richmond Hill on Friday afternoon. The school room was artistically decorated in the usual Easter color scheme. About one hundred mothers and children gathered to do justice to the good programme prepared for them. As they entered, each mother and child was given a colored paper cap, and then the fun began. The first part of the program consisted of games for the children where a merry time was spent, also a floral contest for the mothers, the prize winners being Mrs. Tracy and Mrs. Rumble. Readings and songs were then given by the children and last but not least, a dainty lunch was served, where each child received an Easter egg. Congratulations to Miss Martin and staff for their successful Easter Party.

ALL MUNICIPALITIES MUST PRINT AUDITOR'S REPORT

According to an amendment to the Municipal Act passed at the last session of the Legislature, clerks of Municipalities are to print and distribute the auditors' reports, instead of published, as council direct. The exact wording may be seen on page 465, section 179 of the statutes for 1927. The enforcing of the publication of the auditor's report is a step in the right direction. A shareholder in a business enterprise demands an auditor's report; municipal business is the people's business and the people are entitled to a report which is evidence that there is nothing which there is any intention to conceal. In recent years this report has not been published by Richmond Hill.

IT LOOKS LIKE A LATE SPRING

Our issue of April 14, 1927 reported seeding operations general throughout North York, Markham, Vaughan, King and Whitchurch Townships. It is therefore becoming increasingly apparent that with April nearly half gone and no attempt to go on the land that farmers are in for a late spring. Despite the fact that little snow lodged on the fields during the winter, the land is said to be abnormally wet, and under the most favorable conditions a week must elapse before any seeding will take place in Southern Ontario. Grass and fall wheat, on the other hand, are showing great vitality and rapidly greening up.

WEDDING

BROWN — THOMPSON

A very pretty wedding was solemnized at the United Church, Willowdale on Easter Monday evening, when Miss Gertrude Thompson, daughter of Mr. and Mrs. R. Thompson of Willowdale, became the bride of Millard L. Brown son of the late Mr. E. Brown and Mrs. Brown, of Toronto, formerly of Victoria Square. Rev. Geo. Waugh of Willowdale officiated and the wedding march was played by Miss Smith. The bride entering the church on the arm of her father looked charming in a gown of noon-blue georgette with pearl trimmings and hat to match, and carried a bouquet of sweetheart roses, also wearing the gift of the groom, a white gold bracelet set with pearls. Mr. and Mrs. Hillary performed the duty of bridesmaid and groomsmen, she wearing a gown of beige flat crepe and georgette with hat to match and carried a bouquet of sweet peas. After a reception at the home of the bride the happy couple left for Montreal and eastern points.
