ADVANCED SIX SEDAN

SPECIAL SIX SEDAN

Uphill—Extra power! Downhill—Better brakes!

for safer, more delightful travel

The illustrations of the Nash Advanced Six and Special Six Sedans, shown above, point out two very great advantages which belong to everyone who drives the Nash.

For climbing hills, going around other cars, getting away in front at a traffic start, Nash has extra power and greater flexibility, produced by the highly perfected, precision balanced, Nash 7-bearing motor, and the equally famous Nash straight line drive.

Coming down hills, driving in traffic, meeting a sudden emergency—Nash 2-way 4-wheel brakes surround Nash owners with exceptional safety. And they also require the minimum of attention and adjustment, because of their 2-way and fully equalized design.

The extra power and extra safety of Nash travel cost you nothing, as you will discover if you compare Nash prices to the prices asked for other cars. Nash leads the world in motor car value!

OBITUARY

LATE MRS. D. D. CAMERON

There passed away at her late residence, May St., on Friday the 13th Margaret Hueston Cameron, wife of D. D. Cameron, New Liskeard. The late Mrs. Cameron was born at "Cedar Point" on Lake Simcoe, forty-eight years ago, the daughter of the late Wm. and Isabel Hueston. She was for nine years Supervisor of the Cloak Department of the T. Eaton Co., in Toronto, and was married in the Presbyterian Church, New Liskeard, 18 years ago. The late Mrs. Cameron lived in Vaughan Township near Richmond Hill until a little over a year ago when she moved to New Liskeard.

The funeral took place on Monday afternoon from Lefroy to the 6th Line Cemetery where interment was made in the family plot. A large number of friends were in attendance from Toronto, Belle Ewart, etc.

Before the body left New Liskeard services were conducted at the late residence, New Liskeard, by Rev. J. A. McInnis, B.A., B.D., of St. Andrew's Church and was largely attended by New Liskeard and vicinity friends.

LATE E. A. K. BERNARD

Ernest Alonzo Kiley Bernard, vice-president of the Cradock Simpson Co. died at his home in Montreal, after an illness of one month. He was 69 years of age. Victoria Square

An open session of the W.M.S. was held in the school room of the Church on Tuesday evening, with Rev. W. Haig in the chair. Special music was provided by the younger members of the church. The event of the evening was an address by Miss McDougall, on furlough from the Mission field in China when she has spent six years. She very vividly pictured conditions in North Honan where the people live in constant dread of bandits, soldiers and pagan superstitions.

Her work as a rural evangelist was also explained. She sets out in a cart drawn by a donkey and mule, through roads very dusty and rough. A journey of thirty miles being a big days trip. On the road many interesting sights meet her eyes—wealthy men dressed in silks, flying their fretes—others sitting on the river banks with a bird in the cage—to entertain them.

Since ninety-five per cent. of the people in this district cannot read, the evangelist must teach them the elementary lessons of our schools before their work can be of much avail. The power of the evil one over those unenlightened people's is very great, but the power of the Risen Christ is very much in evidence.

Miss McDougall's pleasant expression and her inspiring words out of her own experiences, both won for her a very attentive hearing. Miss Mae Meek contributed a Missionary Reading.

Many readers of the Liberal will be interested to know that Mr. J. J. E. McCague, Agricultural Representative in Carleton County is taking charge of the Loblaw Farm at Alliston. Some of the bright maidens of our village, we believe have their eyes directed in Alliston direction.

On Sunday afternoon the Temperance Superintendent of the S.S. has secured Mr. Levi Annis, of Scarborough to give the Temperance address after the lesson period. As Mr. Annis has long been active in Temperance and Sunday School work, we are assured of a real treat.

Many of our young people and some of the older ones attended the services in Massey Hall last week. Some fifteen of them have tickets for Gipsy Smith's life story on Saturday evening.

The Pilgrims spent this week's rest with friends here. Associated with them is Miss MacDonald of Toronto, who has been accepted for the Mission Field in Africa, where she expects to journey in a few months.

A number from here were entertained on Tuesday evening at the home of Mr. and Mrs. O. Brooke, Markham.

The Victoria Square players, on three evenings last week entertained three large appreciative audiences. As usual, these artists acquitted them selves well. Mr. E. J. Hitchcock is an adept in the training of the young.

The funeral of the late Mrs. A. McKinnon was largely attended on Tuesday afternoon.

The sympathy of the whole community is extended to Mr. McKinnon and his family in the loss of a wife and mother.

Everybody expects that we shall have seedling weather this spring but one thing is certain, the season is going to be very late.

Many on our line have purchased new cars. Several have invested in Pontiacs, others have ordered the new Ford. In every case the buyer has chosen a closed model. Up to the present in the two blocks north of the corner, about ten cars will appear in their new homes.

Miss Evelyn Freeland is trying out a position in Toronto at present.

Master James A. McCague we are pleased to state is around again and has lost his fleshy cheeks.

At time of writing we are sorry that Mr. Allen Meyer is still in the Hospital, he having taken cold at the time when he expected to be coming home.

Miss Ethel Mortson is having a few weeks real holidays just now. She is teaching in No. 5, during Mr. Meyer's illness. She says teaching school is really life.

A landscape of marvellous beauty greeted the eye on Wednesday morning. Such a picture of Nature in its robe of whiteness!

Mr. Bert Nichols spent a few days last week with friends in Middlesex and Huron County.

Mr. and Mrs. W. F. Nichols, Miss Ella Nichols spent Saturday afternoon with Mr. and Mrs. E. Gooderham, Lansing.

Two of our yeomen are prepared to go at seeding with extra power, when the time of planting comes. Mr. J. Empringham has engaged the services of a Fordson, and Mr. Barber is testing out a case 12-20.
