Official Opening This Afternoon At 2.15—Track Meet Attracts Talented Array of Athletes

The stage is all set for the official opening of the Richmond Hill Fair this afternoon at 2.15 p.m. Daylight Saving Time. The gates of the annual spring Exhibition were thrown open this morning for the seventy-ninth consecutive time and if favorable weather continues promise to see pass through the portals one of the largest crowds in the history of the society. The official opening ceremonies will be graced by the presence of Hon. George S. Henry, M.P.P. for East York and Minister of Highways for the Province of Ontario.

A luncheon will be held at the United Church at 1 p.m. when Hon. G. S. Henry will speak and when the directors will have as guests prominent visitors from Toronto and various points in York County as well as judges and visiting officials. Following the luncheon the officers, directors and visiting officials will march to the grounds headed by the Weston Boys Band when the opening ceremonies will be carried out and the 1928 exhibition officially set in motion.

Secretary R.S. Cooper has been busy during the past week taking entries and at the time of going to press the showing in all classes promises to be well up to the standard of former years. Competition will be especially keen in the heavy horse classes and among the exhibitors this year will be many stockmen who are showing here for the first time.

The athletic and track events promise to be one of the main features of the fair and the entries which have been received give assurance of a talented array of contestants. There will be thirty runners in the five mile road race. This event will be started about four o'clock and after going twice around the track the runners will take to the open road via Church Street and Markham road, finishing again on the track. Many entries have also been secured in the shorter races from athletes in Toronto and all points in the County. The society has been greatly assisted in building up this department of the fair by Mr. Fred T. Graham of the St. Clair Y.M.C.A., Toronto who has taken great interest in the work and been successful in interesting several of the prominent sporting clubs and fraternities of the Queen City in the meet which has been sanctioned by the Amateur Athletic Union of Canada.

It is expected that thirty teams will compete for the \$150 offered in prizes in the two softball tournaments. Entries already received include teams from Toronto, Newmarket, Aurora, Almirra, Lansing, Thornhill, Elgin Mills, Richmond Hill and other points in York County. Mr. J.G. Routley, secretary of the sports committee has the details of the tournament well in hand and is optimistic concerning the success of the games this year.

North York

Regular Meeting of Council

Following the reading of a letter from the Chartered Trust Company at the regular meeting of the North York Township Council on Monday it was decided that no decision in connection with Avenue road widening could be reached until the project was thoroughly threshed out and discussed by the Chartered Trust Company and the syndicate owning property on Wilson Ave. and Avenue road. The letter also intimated that, due to the sale of a small parcel of land having a frontage of 20 feet on Wilson ave., it may be necessary to take expropriation proceedings in order to secure the corner property for the proposed widening.

Township Relief Officer Ross asked the Council to take some action in regard to hospitals charging the township for bills incurred by township residents.

Clerk Goode informed that owing to conflicting clauses in the Hospital Act they had no power to interfere in such matters.

The solicitor, by resolution, was instructed to consent to an application to a judge at the county court for an order amending plan No. 205 to close a portion of Mill st., running from Blythwood avenue.

By-laws were passed authorizing the construction of macadam pavements on Bannockburn and Carmichael streets.
