

Victoria Square

The showers of this week are bringing untold wealth to the county. Hay and pasture lands have made very little growth up to the present. The root crop needed rain badly also. The showers are a boon to berry growers who are fortunate to have a patch of vines or canes that withstood the hard spring.

Apple, cherry and plum orchards present a very picturesque sight at present. Prospects for a bumper crop never were brighter.

Some land owners on the fourth line are rejoicing that soon we may have a good road to travel upon. Others who travel and see the baneful effect of Government Control of the Sale of Hard Beverages would prefer mud and safety to speed alcohol and death.

The milk producers from here who attended the meeting in Masonic Hall Richmond Hill on Tuesday evening heard from the lips of their secretary Professor Sissons that prohibition of sale of strong drink brings an increase in consumption of whole milk. The milk producers in United States receive much better price for their product since the volstead act has been effective.

Mr. Joseph Hunter of Maganetawan, a resident of this township fifty years ago is visiting friends here, the guest of Mr. W.F. Nichols.

We are sorry at time of writing that two of our stalwart yeomen are under the doctors care. Mr. Murray Avison is suffering from a painful attack of appendicitis. Mr. Wilnot Brumwell is quite ill with Pneumonia. He is under the skillful care of Dr. Wilson and two nurses. Their many friends are praying for their restoration to health.

Two of our fair maidens, Miss Lena Moynihan and Miss I. Freeland are enjoying the mumps this week.

Rev. W. Haig is attending conference in Toronto this week.

Remember the date, Saturday, June 16, and plan now to attend this popular annual Garden Party.

Y. W. A. MEETING

The Y. W. A. of the United church met at the home of Miss M. Brown on Tuesday evening, June 5th. After the opening exercises Miss Mortley read a paper on "Christian Stewardship." Miss Marion Ramer favoured the members with a piano solo. Mrs. Edmunds gave a synopsis of the 3rd chapter of the study book, dealing with "Women's Life in Japan and India."

The young ladies are holding a quilting bee in the Sunday school room on Thursday afternoon, June 14, and ask all the ladies of the congregation to come and help. Lunch will be served.

A CORRECTION

In our item in last week's issue regarding the comparative tax rates of different municipalities an inadvertent error was made in quoting the Richmond Hill rate at 56 mills. This should have read 51 mills. We regret the error as we had no desire to make the rate appear any higher than it actually was.

CATTLE KILLED BY TRAIN

A southbound C.N.R. freight train ran into a herd of cattle on the tracks north of Richmond Hill, about the Gamble sideroad on Wednesday night about 10 p.m. One cow was killed outright and four injured so badly that they had to be destroyed.

Markham citizens on Friday, June 1 did honor to Mrs. John Thomas, the town's oldest resident, who celebrated her ninety-third birthday on that date.

Stouffville Presbyterians held special services on Sunday last to mark the repossession of St. James Church after an absence of three years.

The death occurred at Aurora, on June 1, of Andrew Rose in his 73rd year. Mrs. Rose survives. The funeral will be held on Sunday afternoon to Newmarket cemetery.

At a well-attended meeting of the Unionville Horticultural Society in the town hall, Monday night, J.S. Hall a member of the Eglinton Horticultural Society, gave an illustrated lecture entitled, "In Our Own Front Garden." The lecture was replete with instruction. Miss Mina Sommerville presided.

When his wagon was struck from the rear by an automobile Wm. Carson, J.P., of York Mills, suffered painful injury to the abdomen and a badly cut left eye. No bones were broken. Carson was precipitated over his horses' heads into a ditch by the side of Yonge St., near York Mills. He was picked up in a semi-conscious condition. The horses broke loose from the wagon and ran for some distance before being captured.

Members of the Canadian Legion, Willowdale are planning for a Field Day on Dominion Day.

Vaughan Township To Purchase Loader

Vaughan township council have decided to purchase a gravel loader provided that after seeing one work it is felt that it will be satisfactory for the township work. This was decided on motion of Deputy-Reeve Farr and Councillor Baker at the regular meeting on Tuesday. This action was taken as it was felt that the truck could be used to much better advantage if proper loading facilities were available in the pits. A representative of the Dominion Road Machinery Co., attended the meeting and quoted the price of a loader at \$700. It has a capacity of fourteen yards an hour and it is claimed makes a very appreciable saving in loading costs.

The treasurer reported receipt of a cheque for \$10,280.51 being the grant to the township from the Province for work done in 1927.

The report of fines collected showed receipts of \$188 in the month of April and \$526 in the month of May.

A petition was received from residents of Rumble Avenue asking that the township take over the street as the residents were desirous of securing Hydro power and the line could not be installed unless the roadway was owned by the township. The council will inspect the street in the near future and take action on the request.

A by-law was passed authorizing a levy of \$1530 on the police village of Maple, which will make a rate of 8.2 mills. A resolution was also passed authorizing the Reeve and Clerk to sign the agreement on behalf of the township with the police village.

A by-law was passed to authorize a levy of \$22,000 for roads and bridges in the township for the year 1928.

It was decided to have plans prepared and estimates asked, for the construction of new roadways as local improvements on Edgar Avenue, May Avenue and Spruce Street.

Councillor Baker introduced the request of the East Vaughan Ratepayers Association that the voting hours on election day be extended until seven o'clock in order to give those who work in the cities an opportunity to exercise the franchise. The council will consider the matter and probably take some action at the next meeting.
