The rainfall on Wednesday was welcomed by farmers of York County. It was badly needed and will be a great help to the growing crops which were making excellent progress despite the dry cool weather. The rain probably came a little late to help the hay crops very much is the opinion of many farmers interviewed by The Liberal.

A very successful stock show was held at Aurora last Saturday. There was a splendid showing of horses in all classes and competition was keen. Many from all parts of York County attended and were unanimous in declaring the show an unqualified success.

The annual pilgrimage by the York Pioneers to the Sharon Temple took place last Saturday. Some five hundred people attended. Dr. James L.
