Comedy "The Finishing Touch"

DAMAGE SUIT ENTERED AGAINST THE VILLAGE

An injunction and claim for damages has been issued against the corporation of the village of Richmond Hill by David T. Rumble concerning the land at the waterworks. Mr. Rumble claims firstly an injunction restraining the Defendant (The Corporation of Richmond Hill) from flooding the plaintiff's land; secondly, a mandamus compelling the defendant to remove the dam or other obstruction which causes the flooding; thirdly claims damages for loss of the use of the lands and its result in diminishing the value of the land; and fourthly costs for this action and such further relief as the case may require.

The plaintiff's claim as outlined in the writ states that Mr. Rumble is one of the owners of a certain parcel of land in Vaughan Township through which a stream flows and claims that he was and is entitled to have said flow by and away from the said land without obstruction or hinderance. It states that the Defendant (The Corporation of Richmond Hill) did about the year 1920 and thenceforth until the present time obstructed the flow of the said stream at a point below the land owned by the plaintiff by erecting a dam or other obstruction in the bed of the stream so that it was hindered and prevented from freely flowing past and away from said lands of the plaintiff as it is right ought to have done and otherwise would have done. By reason of the premises, the water of the said stream from the time of the erection of the said obstruction, about the year 1920, overflowed and flooded the Plaintiff's said land and remained thereon continuously to the present time, and the plaintiff was deprived of the use of the said land and the said land was and is much diminished in value. It is claimed that the defendant has done this unlawfully and without color or right and neglected or refused to abate the nuisance.

The writ was issued on Monday, June 11 and is a sensational development in the whole waterworks question. The council had planned to go ahead with a further extension this year for which the contract has been let. The work was to have commenced last Thursday but was held up by the council at the regular meeting on Monday awaiting the outcome of the appeal against the award of the arbitrators. The wooden pipe for the extension was purchased by the council last year at a cost of \$1100.

SPRING FLOWER SHOW

The Richmond Hill Horticultural Society will hold its Spring Flower Show on Tuesday, June 19th, 1928 in the school room of the United Church. Exhibits will be received and placed from four until five thirty o'clock, when doors will be closed for judging. The doors will be open to the public from eight until nine thirty o'clock. The prize list was published in The Liberal three weeks ago and copies of the list were mailed to members of the Society the same week.

Every member is urged to make the Flower show the best that is possible for this season of the year. If you can make only one entry do not fail to do so. The Society regrets that the sprayer has not been functioning according to expectations. Any member who wishes the use of it and can provide help to operate it is asked to communicate with the president.

VICTORIA SQUARE GARDEN PARTY

The annual Victoria Square Sunday school garden party will be held on Saturday afternoon, June 16 at the grounds of Mr. R. Klinck. Excellent program of sports including softball games and horseshoe pitching contests. Supper served on the church lawn. In the evening a grand concert by the well known Cowan Concert Company, of Toronto, featuring the inimitable Duncan Cowan and other entertainers. There will be special services in the church on Sunday both afternoon and evening.

BIRTHS

STEPHENSON—On Wednesday, June 6, to Mr. and Mrs. J. W. Stephenson (nee Ida Richards) Gornley, a son.

SCHOOL BOARD HELD REGULAR SESSION

Will Advertise For Commercial Teacher—Athletic Grounds To Be Improved

The Board of Education met in the Board room on Tuesday evening, chairman G.H. Duncan, presiding and the following members present; Trustees Mrs. A.A. Perry, W.A. Wright, Jos. Atkinson, H. Sanderson, B. Cook, A.A. Eden, W.H. Murphy, H. Endean and J.F. Atkinson.

The introduction of a commercial course next term is now assured and the secretary was authorized to advertise at once for a teacher. The course will probably be two years and will in accordance in every respect with the department regulations. It will probably be held in the old High School building and some new equipment such as typewriters, desks etc., will have to be purchased. The board was unanimous in favoring the introduction of the course which it is felt will be appreciated by citizens in this district who previously have had to send their children to Toronto to secure a business education.

It was decided to paint the exterior of the Public School and probably a portion of the High School. The Board will buy the paint and have the work done by day labor. The cost of the paint for the Public School was estimated at about \$100.

The athletic field at the High School will be improved this summer. Trustees W.H. Murphy, H. Endean, and A.A. Eden were appointed as a committee to look after the work. The field will be plowed, worked and levelled and in a short time it is hoped to have a first class athletic ground. The matter of a fence was considered but was laid over until fall. The Board will also consider during the summer months further beautification of the grounds. The members commented freely on the improved appearance of the lawn at the High School and a motion of appreciation of the efforts of the caretaker was unanimously passed.

Victoria Square

Crops Look Promising Throughout Markham Township

Grain and root crops were much helped by the recent showers. The grain crops in the township are an excellent colour and are growing well in spite of the cold weather. Doubtless this fact may not be true of low lying land that the frost of a few nights ago gave a serious set back.

We are pleased to report that our esteemed citizens who were recently so ill are making rapid progress toward recovery.

"Tent Meetings" at Gormley Largely Attended.

Many from here attended the "Tent Meetings" at Gormley on Sunday evening. The large tent was altogether too small to accommodate the huge crowds which gathered for the three services. The Evangelist, Rev. Mr. Rich is an able speaker, who fearlessly preaches Scripture Truth. He is assisted by Mr. Holman in service of song. Mr. Holman has an exceptionally strong and well trained voice. A really live meeting was much in evidence at the evening service. A short time the meeting was thrown open for Testimony. Seventy-two testimonies were given and five choruses sung in ten minutes. The meetings will close this Sunday evening.

Special Sunday Services

Everybody is busy preparing for the Sunday School Garden Party are also looking forward to a really spiritual uplift at the Sunday Services. Mr. Jackman a layman of Toronto, fired with enthusiasm for the work of God will give the afternoon address. Rev. H. S. Warren, our former pastor, one whom everyone here learned to love because of his devotion to his Master, will preach in the evening. Come to both these services and enjoy the inspiring addresses these men are bringing us.

The Faith Mission Pilgrims are making plans to hold a Conference here on Monday, July 2.

M. and Mrs. A. J. Nichols and family spent the early part of the week with friends in Hagersville.

EAST VAUGHAN RATEPAYERS ASSOCIATION MEET NEXT MONDAY

The regular meeting of this association will be held in the Richvale Community Church basement on Monday, June 18 at 8 p.m. Ratepayers are urgently requested to attend as there are many urgent matters to be discussed. Bring a new member with you.

NOTORIOUS EVEN IN LONDON

Dr. Langstaff, of Richmond Hill, who is holidaying in the Old Land in a letter to a friend in town relates his surprise on learning of the apparent world wide advertising which this town has received. Strange as it may seem Richmond Hill is not known to Londoners as "Toronto's Highest and Healthiest Suburb", nor even as the "Rose Garden of the World." Neither has the efforts of any local organizations to secure industries made any appreciable impression on the general public across the pond and mention of the name does not immediately conjure up visions of an "Ideal Industrial Location." It appears that the Doctor was walking in a certain well known section of the Great Empire Metropolis and in engaging in casual conversation with a genial Londoner, incidentally was questioned as to where he lived. He of course answered, Richmond Hill and imagine his surprise when the immediate retort was, "Ah, 'ave they got the road fixed over there yet?"

BOWLING SEASON OFFICIAL OPENING ON MONDAY NIGHT

The members of the Richmond Hill Bowling club will hold the official opening of the 1928 season at the local green on Monday night, next, June 18. Supper will be served at 6 o'clock and afterwards "mixed" games will be played for which prizes have been donated. It is requested that all members and any who are considering becoming members will turn out and help make the opening event of the year a success.

STREETS CLEANED

Workmen are busy on Yonge Street this week cleaning the gutters which is a welcome improvement. The side streets have also been oiled and householders will not have to worry about the dust nuisance.

AND STILL THE WONDER GROWS

The appointment of Mr. George Smith, the town's capable efficient and faithful official as weed inspector for the municipality in addition to his already multiplicity of duties has inspired a citizen to paraphrase Goldsmith's well known lines. Referring to the village master in The Deserted Village Goldsmith said: "And still they gazed, and still the wonder grew That one small head could carry all he knew."

The addition of the important duties of Weed Inspector to the work of the town foreman which are admittedly already very numerous and diversified prompted a visitor to our office this week to say with apologies to the writer of these familiar lines, "And still we gaze and still the wonder grows"

That one mere man can carry all he does.
