Newtonbrook Newsy Notes

The Softball game between the Newtonbrook juniors and the Aura Lee team on Monday evening at Rose-lawn Park in the Tely League was a romp, all one sided, as the score of 16 to 1, indicates. Teddy Bennett did the pitching for the Brook and had complete control of the game through-out.

On Tuesday evening, June 12th, on the Newtonbrook school grounds, the Newtonbrook Senior team easily de-feated the Legion team in the North York Softball League. The battery for Newtonbrook was; Whitehorn and Proctor and for the Legion, Dowding and Grundy.

On Friday afternoon the school pic-nic, under the management of the Home and School Association, will be held on the school grounds after school. There will be running races and novelty races for the children of all ages. Everyone is invited to come and bring their baskets. The Association will supply orangeade for the children and tea for the adults.

The Woman's Association meets to-day (Thursday,) at the home of Mrs. A. W. Stephenson.

Rev. F. J. Baine, B.A., a delegate to the Toronto Conference, preached an eloquent and timely sermon last Sunday morning in the Newtonbrook United Church. He referred to the growth of the United Church and in the evening the Rev. E. R. Young also spoke of the fact that they were celebrating the third anniversary of the United Church of Canada. It was a gift to them by the old men and women, people of faith and vision. For, if any sacrifices had to be made; if

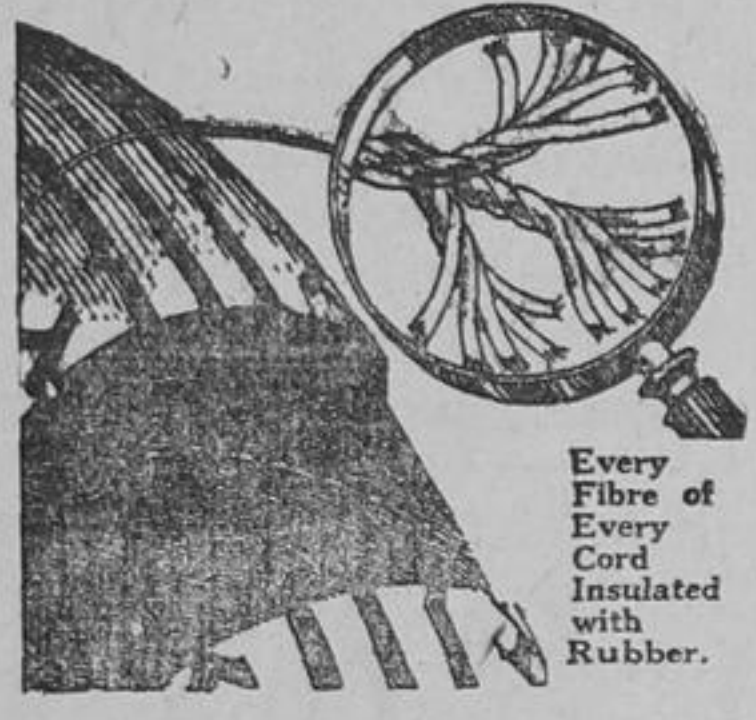

any traditions and heritages had to be set aside for the new and larger vision, the young had not done it; it was the glorious part of the matured men and women. It was a gift of faith to the young people and it was for them to carry it on to success, when we might see every community in Canada alive to loving unselfish service, inspired and purified by the spirit of Jesus Christ.

The members of the Young People's Society have decided to again join with the other Societies in the Toronto Centre Presbytery in their Moon-light excursion, July 4th, at 7.15 p.m. The steamer "Dalhousie City" has been chartered and one thousand young people are expected. Those who went last year declared they had a good time and a better is promised this year. A good programme of sports has been arranged and music will be provided by the Cornfield Orchestra and also the Danforth Young People's Orchestra. Tickets may be secured from the members of the Society.

The annual picnic of the Young People's Society of the Toronto Centre Presbytery will be held on Saturday afternoon, July 21, at Bond Lake. As Newtonbrook is on the way, a good turnout of our young people will be expected to be present. For further particulars, ask the officers of your Society.

Mrs. Frank Summers and her son, Gifford, went on a motor trip to western Ontario, visiting London and other points.

The monthly meeting of the Women's Missionary Society will meet next Tuesday, June 19th, at the home of Mrs. M. Sutterby.

**Strengthened
 For Extra
 Long Mileage**

Gum-Dipping, the exclusive Firestone process, impregnates and insulates every fibre of every cord with rubber, building into Firestone tires longer service by strengthening the side walls to withstand the extra flexing strain.

Let the nearest Firestone dealer put these sturdier, easier riding tires on your car now. He will save you money and serve you better.

Whitchurch Council

The regular meeting of Whitchurch Township Council was held in the Township Hall, Vandorf, on Saturday, June 9th. Members all present, Reeve M. Baker in the chair and H.W. Clark acting as clerk.

Following the opening of the meeting, the reeve followed by the deputy-reeve, the other members of the council and ex-warden Seneca Baker addressed the council voicing appreciation of the work of the late clerk and treasurer, Mr. Wm. H. Clark and expressed regrets at his passing away. A letter of condolence to Mrs. Clark was unanimously sanctioned by council.

Councillor W. Crawford introduced a bylaw to appoint a temporary clerk and treasurer to act until a permanent official is appointed. In committee the blanks were filled with name of Hugh W. Clark, the remuneration fixed at \$25 per week and bond fixed at \$11,000, and the several clauses adopted.

Communications were received from Robt. C. Muir of the Dept. of Public Highways, acknowledging receipt of statement of expenditure on roads during 1927 and from Canadian Good Roads Association advising of annual meeting to be held in Regina.

A petition was received from the Women's Institute at Oak Ridges asking for construction of sidewalk on Yonge street from Markham Whitchurch Townline to pinnacle.

Messrs Geo. Collard and Archie Goodwin each presented claims for sheep killed and damaged by dogs unknown to them, accompanying their claims with the statements of sheep valuers Ed. Leary and Mr. Stevens respectively.

On motion of Councillors Wm. Crawford and Ross E. Ratcliff, Geo. Collard was awarded \$10.50 damages for 2 sheep injured.

On motion of Deputy-reeve H. Kidd and Councillor G. W. Williams, Mr. A. Goodwin was awarded \$25.00 for one sheep killed and 2 injured.

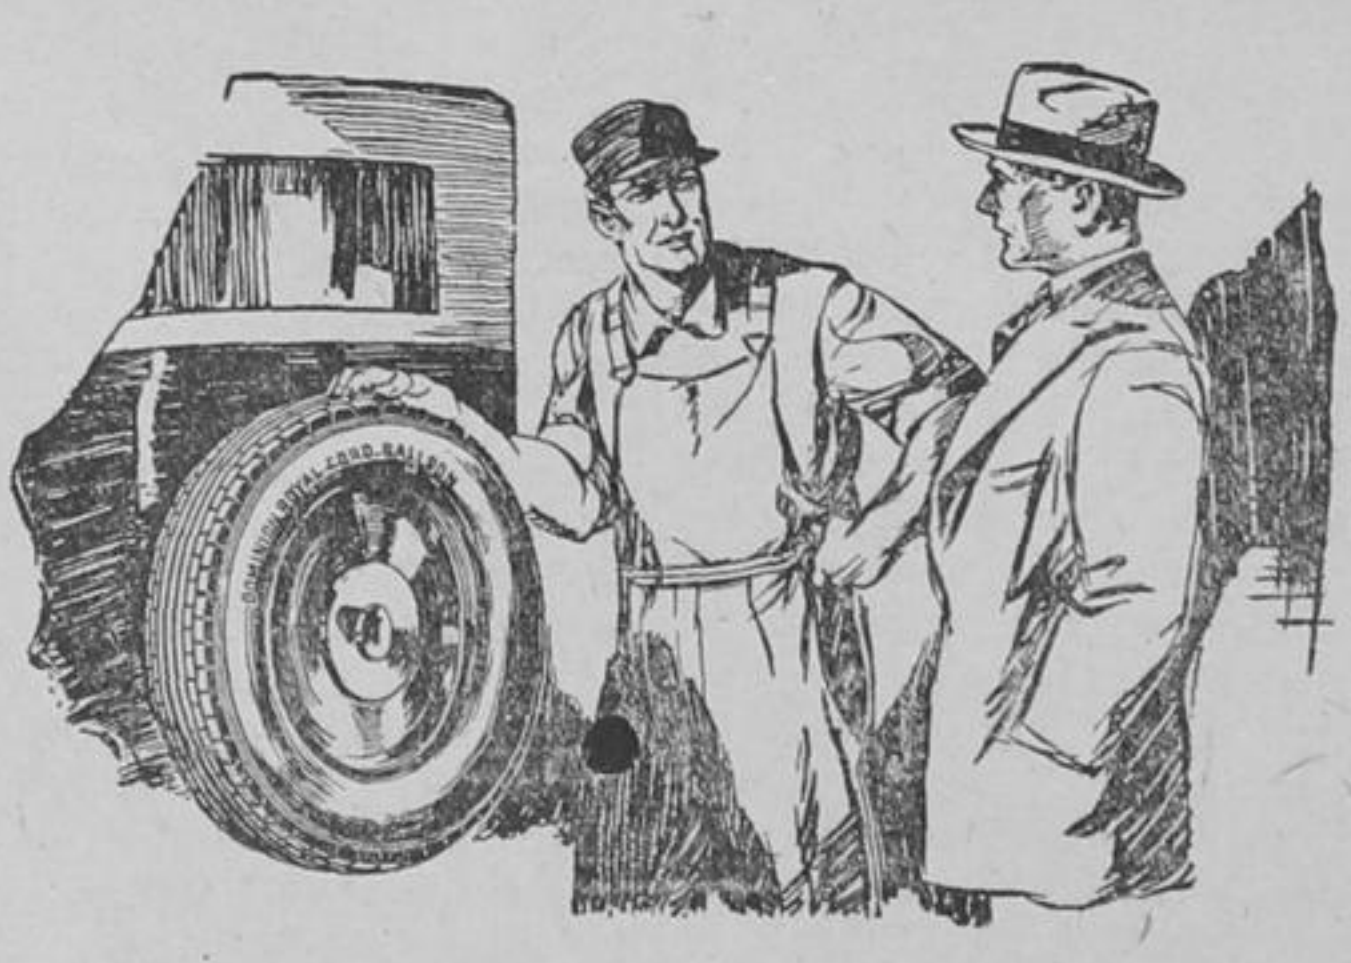

Messrs. J. F. Playter, A. Scott and Fred Preston each petitioned the council for bonus for construction of wire fence, along road replacing other types of fence.

On motion of Deputy-reeve H. Kidd seconded by Councillor Ross E. Ratcliff, the Treasurer was instructed to pay A. Scott the sum of \$6.00 bonus on 20 rods wire fence and to Fred Preston \$7.50 bonus on 25 rods already constructed.

Geo. Baker approached council re-gravel hauling on townline south, also Geo. Staley asking for increased grant on Div 12.

On motion of Councillors Crawford and G.W. Williams, J. Williams was appointed constable for Wilcox Lake for Wednesday afternoon, Saturdays Sundays and holidays during summer of 1928.

On motion of Deputy-reeve Kidd and Councillor W. Crawford, Wm. Beach was appointed constable at

**Keep an eye on your
 "Spare"**

WHAT'S the good of a "spare" if it won't take you home when you need it?

Just because it hasn't been on the road much is no guarantee that it is fit for work. The rain may have run inside and rusted the rim. The dust may have crept in. The tire may have picked up nail ends or flints when you used it last, and a few more miles will force them through the casing. It may not be inflated up to its correct running pressure.

Drop in for a free inspection of your tires, including the spare.

You are never far away from a

JASPER PARK IS POPULAR

The National Parks of Canada are growing in popularity, both with Canadians and with visitors from other countries, according to a report from the Canadian National Railways hotel department, based upon the number of visitors accommodated during the season of 1927 at Jasper Park Lodge, the railways' hotel which is situated in Canada's largest National Park in the heart of the Canadian Rockies. Not only are the numbers of United States citizens greater than in previous years, but the registration figures show a growing tendency on the part of Canadians themselves to take advantage of the magnificent playgrounds which have been set aside for them. Of total registrations, for periods longer than one day, numbering 6,500, approximately 2,600 registered from points in Canada, a greater registration of Canadians than in any previous year.

Of the 6,500 guests who registered at the Lodge during the 1927 season, 3,600 were from points in the United States, the state of California leading with 840 registrations. Other states largely represented were Illinois with 460; New York State, 548; Minnesota, 251; Ohio, 208; Pennsylvania 161 and Michigan 85. Of those registering from Canada, 278 were from Quebec; 978 from Ontario; 455 from Manitoba; 395 from British Columbia; 358 from Alberta; 231 from Saskatchewan and the balance from the Maritime provinces.

There are several reasons for the growing popularity of Jasper Park Lodge, according to A. S. McLean, General Superintendent of Canadian National Hotels. The building of additional highways and trails in the park, making the distant beauty spots more accessible to visitors, the construction of chalets at such beauty spots as Medicine and Mal-gne Lakes and the spreading fame of Canada's finest scenic golf course being among them. At Medicine and Mal-gne Lakes—the latter the largest glacial lake in the Canadian Rockies, chalets have been built for the convenience of trail riding parties and trails have been improved so that the journey of six miles through the mountains is delightful and without hardship.

There is also the fact that during the past season the area of the park has been extended to 5,300 square miles by taking in the magnificent Columbia icefields section, one of the finest big game territories in the Rockies and comprising the largest icefield in Canada.

At the conclusion of their convention at Edmonton this year, the members of the Canadian Weekly Newspapers Association will visit Jasper Park Lodge and will spend a short time in this magnificent mountain playground.
