

## Newtonbrook Newsy Notes

**An Aeroplane Crash**  
On Monday afternoon, one of the aeroplanes of the Elliott Air Service crashed in a field about half a mile east of Newtonbrook Post Office. A pilot in the employ of the Company, Mr. H.R. Clegg, was giving a lesson in flying, to Norman Spicher, of Willowdale. When at a considerable height, the big training plane in some manner became unmanageable and took a nose dive. Clegg managed to make a semblance of a landing, just missing a clump of trees and so the damage was not as great as it might have been. The plane is badly wrecked, however, and both of the men were painfully injured, Clegg having a knee-cap and ankle broken. Medical aid was promptly secured and Dr. C.E. Hill rendered first-aid on the field, after which the men were rushed to the General Hospital, where it was stated that while both men were severely injured, nothing more serious was anticipated. The crash was witnessed by the pilot's wife, Mrs. Clegg, and their little child.

**Sport**  
Before a small audience, Lansing and Newtonbrook met in their scheduled game in the North York softball league at Newtonbrook on Tuesday evening. The boys slugged through their innings, with the pitchers doing most of the work and the talking, trying to arouse some enthusiasm. It was a tame, uninteresting and one-sided game as the score, 10 to 2, reveals; with Newtonbrook, as usual, to the fore. The batteries were; for Newtonbrook, Whitehorn and Proctor and for Lansing, Williams and Waring.

**Clubine — Sattin**  
A quite little wedding took place at the home of Mr. Benjamin Sattin, Pemberton Ave, Northmount, on Wednesday, June 20th, when his daughter, Constance Marguerite, was united in marriage to Mr. Ezra Laurentius Clubine, of Richmond Hill. The ceremony was performed by the Rev. E.R. Young in the presence of

the members of the immediate families.

**Late Cecil John Stephenson**  
Mr. Cecil John Stephenson, the youngest son of the late John and Mary Stephenson, of Newtonbrook, died in Toronto on Saturday, June 16. Cecil was only twenty-four years of age but he has been ill for a long time. The funeral took place from the family residence on Yonge Street on Monday, Rev. E.R. Young having charge of the service at the house. Interment took place in the church of England Cemetery, Thornhill, in the family plot, where Rev. Mr. Noble and Mr. Young conducted the graveside service. There was a very large attendance of sympathizing friends, some coming from considerable distance. Cecil is survived by four sisters and two brothers: Mrs. H. E. Cornell, of Toronto; Mrs. J.G. Cornell, of Detroit; Miss Lottie and Miss Edna, at home; Mr. George Stephenson, of Willowdale, and Mr. Charles Stephenson, of Newtonbrook.

**Personals**  
Mrs. Mackay, of Nova Scotia, is visiting her son, Mr. J. R. Mackay, of 40th, Avenue, Northmount.

Mrs. (Rev.) Arthur F. Brett, of Oakland, California, spent Sunday at the home of her father-in-law, Mr. Edward Brett, Petewawa Street.

About twenty-five members of the Newtonbrook Choir and their friends motored, last Friday evening, to Mount Albert and paid a visit to one of their former fellow members, Mrs. Leslie Oldham. The met with a hearty welcome and had a most enjoyable time.

Mr. Gordon Galbraith spent the week-end at French River.

Mr. and Mrs. Joseph Soden returned Tuesday evening from Hillsdale, where they had been attending the funeral of a relative.

**Safety First**  
The oversized woman, explaining to her companion why she got off the car backwards, said that she overheard one of the straphangers who stood in front of her, whisper to his neighbor straphanger that when the fat woman got up he was going to pinch her seat.

## TO ENCOURAGE SALE OF SADDLE HORSES

To encourage the sale of Hunters and Saddle Horses the above event will be given in conjunction with the Canadian National Exhibition of 1928, and under the auspices of the Mayor and Councils of Aurora, King and Whitchurch, and with the co-operation of The Canadian Hunter, Saddle and Light Horse Improvement Society and The Toronto Hunt.

Trials will be held at Hazelburn Farm and adjoining farms south of Aurora on September 8th, 1928.

The terms of the Competition may be obtained from the Secretary, Palmer Wright, 146 King Street West, Toronto.

The trials will be over the line of country about a mile in length with twenty fences, natural and typical hunting country. The trials will not be for speed but rather for performance. The prizes are very substantial, the first prizes in each class being \$500; Second \$400; Third \$300; Fourth \$200; Fifth \$100; and Fifteen Prizes of \$15, each.

It is expected that hundreds of horses will take part from Canada and the United States. This event follows the Toronto Exhibition so that horses may come direct from the Fair. The event is to be not only a Trial but a Selling event and any person who has saddle horses to sell are invited to bring them.

The Canadian Hunter, Saddle and Light Horse Improvement Society offers fifty dollars (\$50) for a class of brood mare suitable to produce Hunters, Saddle or Light Horses, said mares to be owned by farmers in the County of York.

This event is planned to give a big impetus to the raising of horses of a good class that will command fancy prices and make money for the farmers of this and surrounding counties. The public, especially land owners and farmers of the County, are invited to make this Field Day a big holiday and to come and see the Trials for it will be a day of great pleasure and interest to all lovers of horses.

## Country trade is now City trade

Realize the immense change in conditions—in just a few years—that the telephone has helped bring about.

The store in the smaller town now carries pretty much the same up-to-date styles as the big city store. Thanks to Long Distance, Manufacturers' or Wholesalers' warehouses are practically at the storekeeper's elbow. The time required to telephone an order by Long Distance is now only a few minutes; connections are now often made at once, without hanging up the receiver.

And the cost of Long Distance messages is small—is often quite a little less than is generally supposed.

Call up our Manager and ask him the rate to points you are interested in.

"Keep in mind you're Riding on Air!"

AIR lifts the load off the road. The heavier the load the more air it takes. That's why tire makers have worked out the correct inflation pressure for every size of tire for different loads.

Know the correct pressure for your tires, and stick to it. Don't guess it—gauge it. Two or three pounds under pressure cuts miles off the life of a tire.

Keep in mind you're riding on air, and if there isn't sufficient air, you're riding straight into trouble. Pay a weekly visit to a Dominion Tire Depot and have your tires examined.
