Clean up the Source of WEEDS

- 1 In vacant lots and partially cultivated fields.
- 2 In fence corners where the plough-share cannot penetrate.
- 3 Along the roadways of your district.

Each year weeds destroy Ontario's crops to the extent of millions of dollars. You must help rid your community of this menace by co-operating in every way. See that your own land is clear. Report weed growths on roadways, vacant properties or uncultivated fields to your representative on your local council or to your weed inspector. Thus you will be doing your duty in exterminating one of the greatest enemies of successful farming—noxious weeds.

Write for Bulletin, "Weeds of Ontario."

Newtonbrook Newsy Notes

Stephenson — Morris
 A very pretty wedding took place in the Olive Avenue Baptist church, on Tuesday evening, July 3rd, when Harriett Lorraine Morris, daughter of Mr. and Mrs. H.H. Morris, of Newtonbrook, was married to William Arthur Stephenson, son of Mr. and Mrs. A. W. Stephenson, also of Newtonbrook. The bride was daintily gowned in a dress of Ceylonese voile, trimmed with lace and orange blossoms. She also wore a veil, carried a bouquet of sweetheart roses and was given away by her father, Miss Laura Morris, sister of the bride, was flower girl and Mrs. J. E. Davey, of Thornhill, the Matron of Honour. Mr. Victor Stephenson, brother of the groom, was groomsman. As this was the first wedding to take place in this church, the bride and groom were presented with a Bible by the officials and members of the Church. While the Register was being signed Miss Emma Barker sang "Because." Miss Elma Chipchase played the wedding march and accompaniment. The Rev. J. H. Peer, pastor of the Church, officiated.

The Church, tastefully decorated with peonies and daisies, was filled to capacity with interested friends. The ushers were: Mr. Edwards and Messrs Joe Stephenson, Howard Chipchase and Raymond Bollons. An especially pretty feature was a floral arch formed by twelve of the bride's former school pupils, the twining of a daisy chain and strewing of pansies in the bride's pathway. The bride's going away dress was sand colored silk crepe and she wore a dark blue travelling coat with hat of sand blue colors to match. The happy couple left for an extended honeymoon trip to Muskoka and other points in the north and when they return they will take up their residence on Byng Avenue.

Young declared that true patriotism was a religious thing and if it was a glorious thing to be so consecrated to a country as to be ready to die for it; how much more should we, to-day, feel the consecration and obligation to live for our country! Miss Eva Thomas sang a special solo.

MARKHAM

Reesor Family Held Great Re-Union
 More than one thousand members of the Reesor family, drawn from all parts of Canada and the United States, foregathered on Saturday, in an all-day reunion and public gathering, at which a number of addresses were given.

The last Reesor reunion was held in 1904, and Saturday's affair brought together many of the younger members from across the border who had not before met their Canadian cousins. The Reesor family were among the earliest pioneers in Markham Township.

In the unavoidable absence of Abner H. Reesor, of Bainbridge, Pennsylvania, scheduled to give a synopsis of the Reesor family in the U.S., his place was taken by Clayton Reesor of Mt Joy, Penn.

F. E. N. Reesor called the meeting to order at 1.30. Some of those who spoke were the president, on "The Faith of Our Fathers," F. Kay Reesor, on the "Vocational Life of the Reesors," and Rev. L.J. Burkholder.

Sleep Insurance for Sleepy travelers

If you are planning a trip by aeroplane, automobile, boat, bus, bicycle or railway train — surely your object is to have a good time.

The only logical end of a perfect day is a good night's sleep, and no time is a good time if you've got to wander around from pillar to post trying to find a bedroom. That happens, too often.

Ensure a good night's sleep by telephoning ahead for a room. It is the only sure way. The very fact of having removed the doubt will make you light-hearted — more capable of enjoying your trip.

The Truck Driver's A.B.C. — Always Be Careful

Accidents won't happen—if all drivers are careful! The ABC of accident prevention—"Always Be Careful"—has been learned so well by drivers of over 600 Bell Telephone trucks and cars in Ontario and Quebec that accidents to these vehicles rarely occur.

The telephone truck driver whom you see along street or highway knows and follows carefully all the rules in his instruction book. One of these is shown plainly on the back of his truck to warn others—he always stops at railroad crossings. And no Bell Telephone truck has ever been involved in a level crossing accident!

In fact, any mishaps of the road are so scarce in Bell Telephone circles that other vehicle-operating organizations are studying and adopting the same successful safety-first principles.
