FLORISTS  
Richmond Hill - Ont.

We solicit orders for cut flowers for all occasions which will be promptly and cheerfully filled.

Congratulations to the Richmond Hill Liberal on attaining its jubilee birthday—a paper that has made a wonderful advancement during this last few years.—Newmarket Era.

The Richmond Hill Liberal celebrated the completion of the Fiftieth year of its publication last week. The Liberal is still going strong and its jubilee number is interestingly reminiscent.—Beaverton Express.

To keep linemen from planting an electric light pole on her property, Mrs. Mary Batten, of Woodbury, N.J., sat in the hole they dug until police compelled her to move.

It is said that married men have fewer automobile accidents. Probably because they have more advice from the back seat.

A Hoboken woman sued a bakery because she broke a tooth on a bolt found in a pie. One should never bolt food like that.

In Russia a man and wife may be divorced by simply agreeing to it. But if they could agree there would be no need of a divorce.

The English organist who got fired for playing "Onward, Christian Soldiers" as a wedding march was doubtless a married man.

Rudolph Friml, writer of operas, doesn't believe in allowing a little thing like divorce to interfere with friendship. He will take his third wife to Paris, accompanied by his second, to stage a big family party with wife number one.

**Trials of a Tourist**  
'Mid cities and villages  
Though we may roam,  
When the pocketbook's empty  
There's no place like home.

**Proof of Valor.**—Wife—"When we were married, I thought you were a brave man."

**Husband.**—"So did a good many other people." — Kansas City Times.

A blind peddler in Oklahoma tried to sell socks to a legless jeweler and was offered a pair of spectacles in trade.

Burglars who stole \$24 from the home of John Henry, of Roseville, Ind., left a note thanking him for "gasoline money."

Rev. David H. Shock, 98 years old, of Madison, N.J., has enrolled for a summer course at Drew Seminary.

Toronto's milk will be distributed by but two or three dealers, not fifty as at present, at a date not far into the future, according to F. H. Silcox, of Iona, Elgin County, well-known Holstein breeder, in an address delivered recently at Huttonville Park, 12 miles west of Brampton, where the Peel Milk and Cream Producers and the Peel and Halton Holstein Breeders gathered at a joint picnic.

American capital was entering the Toronto field, he said, and mergers would eventually result in two or three huge concerns who would monopolize the trade. When that time arrived, he said, the dealer would dictate his price to the producer. This prediction should impress on the producer in York County the need of organization.

Confessing to the theft of \$40,000, a bank cashier pleaded that he used the money to aid needy friends. Oddly enough, several of them were chorus girls.

Mrs. Mary Hearn, of Liverpool, self-styled "white witch", proposed to remove an "evil eye" curse from Richard Paddy, aged 75, who was suffering from a peculiar illness. Paddy paid \$2,500 for the magical treatment but remained sick. Now Mrs. Hearn will practice her art in jail, if at all, for the next six months.

During a varied matrimonial career an Ohio woman married, divorced and re-married two men, illustrating that some folks will try anything twice.

Clara Bow, famed red-head of the movies, was injured slightly by a bullet which struck her leg after glancing from its target during the filming of a scene. Which is not very serious, but reminds us that Bow-legs are not objectionable if they happen to be Clara's.

Gruesome story from a Barstow, Cal., newspaper: "Bill Jarret has returned from working on the graveyard shift of the Corpse Mining Company in Coffin mine, located in Dead Man's canyon in Funeral range at the edge of Death Valley. He leaves next week for a prospecting trip to the Devil's Playground in Hell's Half Acre."

Dawn O'Pax, an Indianapolis cat, may now lap his milk from a \$100 loving cup won at the Beresford club cat show.

MAPLE

A very pleasant evening was spent on Saturday last at the home of Mr. and Mrs. J. Manning when the choir of St. Andrew's church met to present Mr. and Mrs. Norman Lund with a silver fruit dish. After singing and games Rev. C. H. Bowman asked Mr. and Mrs. Lund to stand while Miss Frances Johnson read the address and Miss Mary Manning made the presentation. Mr. Lund who is a member of the choir and Mrs. Lund responded in a few fitting words thanking the choir for their kindness, after which all joined in singing "For they are Good Fellows". After lunch was served all departed for home thanking the host and hostess for the good time.

On Tuesday the W.M.S. of St. Andrew's visited the Society of St. Paul's church and provided the programme for the meeting. Lunch was served by the ladies of St. Paul's.

The annual picnic of St. Andrew's Sabbath school was held on the church grounds on Wednesday of last week. After supper a good time was spent by the children in games and races.

Dr. and Mrs. Zeller, and Mr. and Mrs. Roy Carnahan of McKeesport, Pa., spent a few days last week at the home of Mr. and Mrs. H. C. Bailey.

Rev. E. C. and Master Arthur Currie of Lindsay, are visiting at Mr. G. W. Bailey's.

Mrs. R. Rumble and Mr. and Mrs. James Stollery, of Toronto, are spending a few days with friends in the village.

HEALTH SERVICE OF THE CANADIAN MEDICAL ASSOCIATION

**LIFE EXTENSION**  
During the past fifty years, fifteen years have been added to the life expectancy of each new-born infant. This has come about chiefly because the scientific knowledge concerning the prevention and treatment of acute infectious diseases has been used.

The acute communicable disease, such as measles, diphtheria, typhoid fever and scarlet fever, are diseases of early life. It is generally known that they are communicable and dangerous. It is agreed that they should be placed under the control of health authorities and that they are a state responsibility. Other acute infectious diseases, such as the summer diarrhoeas of infants, are being successfully combated.

As a result of modern health work, many more people live to reach fifty years of age, but those arriving at the age of fifty have not any greater expectancy of life than had those of the same age during the past few decades.

In later life, the individual is the victim, not so much of acute disease, but of what are called the chronic degenerate disease. These latter are the result of the premature wearing-out or breaking down of one or more

parts of the body.  
In later life also there are infections. These infections are not acute as in early life, but they are chronic. They are dangerous because they are insidious in their origin, hidden and difficult to recognize. They do not destroy life by reason of the damage they do at the point where they exist, but by the damage done to parts distant from this point, through the poison they pour into the blood stream.

Abscessed teeth and infected tonsils are much dangerous foci of infection. Carried for years, with little or no discomfort, they are continually poisoning the blood stream and, sooner or later, they cause damage to the heart, blood vessels, kidneys or other organs.

If a human life after fifty is to be prolonged, such foci of infection must be discovered and removed. The Periodic Health Examination offers the most practical means for doing this.

Questions concerning Health, addressed to the Canadian Medical Association, 184 College Street, Toronto, will be answered by letter. Questions as to diagnosis and treatment will not be answered.

NEWTONBROOK DISTRICT NEWS

Newtonbrook people will be interested in a quiet wedding which was solemnized in the Sherbrooke United Church, Sherbrooke, Que., on June 30, last, when Margaret Douglas, daughter of Mr. J. Waldie and the late Mrs. Waldie, was united in marriage to Ralph Harold Summers, of Arvida, elder son of Mr. and Mrs. F. Summers of Newtonbrook. The pastor of the Sherbrooke Church, Rev. Dr. W. H. Lennon, officiated. Mr. and Mrs. Harold Summers are spending their honeymoon in Montreal and Pittsburgh and on their return they will reside in Arvida, Que.

Mr. and Mrs. Wells and daughter, and Mrs. Stevenson spent the weekend at Long Beach, Sturgeon Lake.

Mrs. Edward Allen, of Toronto, has been visiting for a few days with her daughter, Mrs. E. R. Young, at the Parsonage.

Rev. T. R. White, of Aurora, occupied the pulpit of the Newtonbrook United Church on Sunday evening and preached a very interesting and helpful sermon on, "What constitutes a spiritually-minded man?" There are men in the common walks of life who "are filled with the spirit of God" just as much as the regular priests and prophets and Bible characters Mr. White enforced his point. He particularly mentioned Samson, Bezalel, Stephen and Barnabas, men of strength, skill and business ability, who consecrated their peculiar talents to God and so were used and honored by the Heavenly Master.

Rev. E. R. Young preached at Mount Pisgah on Sunday evening on occasion of their Anniversary.

The Sunday School Picnic to Hannon's Point of Saturday afternoon was a great success. There was a fine rally of scholars, teachers, parents and friends of the school. The day was ideal and the ride and sail, games, contests and supper, were all enjoyed.

Miss Muriel Watson, of Toronto, spent Sunday with Miss Doris Soden. Miss Doris Goulding is spending her holidays with Mr. and Mrs. J. C. Bales at Daytona Beach, Sturgeon Lake.

Mrs. Carson, of Teston, spent a few days last week with her daughter, Mrs. Harry Smith.

Mr. Edgar Woods, who was operated on in Toronto Western Hospital for appendicitis about two weeks ago, was brought home on Monday evening. He is making a splendid recovery from his operation.

Mrs. Maltby, of Kansas, is spending the summer with her sister-in-law Mrs. Robert Pinder.

Softball Notes

The Newtonbrook Senior Softball team suffered their first defeat of the season on Thursday evening, July 5th, at the hands of the Willowdale team and on their home field too. The clever pitching of Ed. Dawn, backed by the excellent support of the Willowdale team, caught the Newtonbrook players napping and defeated them by a score of ten to nine. Ted Bennett in the box for the losers, pitched his usual steady game, but the support both in the field and at the bat was weak. The Willowdale boys were right on their toes and played good ball.

The Tely league Semi-final game between Newtonbrook and Marlboros, which was scheduled to be played on Monday evening, did not come off because of the rain. But these teams, which are the champions of their individual groups, are now due to play at Ramsden Park on Friday evening, July 13th, at 7 p.m. Come to the game and help the boys show that Friday 13 is a lucky day for Newtonbrook. The Marlboros are a fast team and considered favorites to win the city championship; but Newtonbrook is out to upset the pre-season dope. Let's go and cheer them on to victory.

SITUATIONS GUARANTEED

All young people who secure a business education through Toronto's Greatest School of Business are absolutely guaranteed positions. It costs no more to attend this school of strength and character with its university trained staff than an inferior school with instructors of no educational standing. A. H. Snelgrove (late Professor Albert College, Belleville), Principal; Miss E. Sandusky, B.A., Vice-Principal; Miss G. McEachern, B.A., Registrar; George Spotton, M.P., President. Enter anyway. Individual Instructor. Mail courses. Open entire year. Write for particulars to-day to Canada Business College, (College and Spadina), Toronto.

"Give me ten minutes a week and I'll knock dollars off your tire bills"

SET a day every week—preferably any one but Saturday or Sunday—and let me look over your tires. It'll mean dollars off your tire bill.

Maybe they need more air. Two or three pounds under pressure will take miles off the life of a tire. Maybe there's a nail or a flint just waiting to work through and make trouble. Maybe they're O.K. and you can drive away in comfort.

Ten minutes! But isn't it worth it to feel sure of your tires?

Car owners spend many a half-hour on the side of the road because they won't take the ordinary precaution. And that's saying nothing of the extra mileage they might get and the money they might save.
