

### Newtonbrook Newsy Notes

Miss Cade, of Parkdale, spent Sunday with her brother, Mr. A. R. Cade. Mrs. George Lockyer and family have returned from a delightful holiday at Wasaga Beach, Georgian Bay. Mrs. Egerton R. Young, of Toronto, is visiting her son, Rev. E. R. Young, at the Parsonage.

Mrs. George Bryant, of Bishop Ave. died at St. John's Hospital, Toronto, on Saturday, following an operation. The funeral took place on Tuesday afternoon from the home of her father, Mr. E. W. Nicholson, Langstaff, to the Anglican Church, Thornhill. Keen sympathy is extended to Mr. Bryant on the loss of his young wife. Mrs. Bryant also leaves a little son, Ralph, two years old, to mourn her loss.

We are very glad to see the "clean-up gang" along the Newtonbrook section of Yonge Street. They cut the tall grass, the tree-like docks and the low limbs of the trees that hung over the side walk. The job was calling loudly to be done and the only fault to be found is that they did not cut away enough limbs nor did they cut the grass short enough. The board sidewalk is also in sad need of repair. In fact it is dangerous to walk on it. Then how comes it that the side streets running out of Toronto, like Kingston Road and Dundas Street, can have fine, permanent cement sidewalks and Yonge Street, the most important of the lot, has still to endure the presence of narrow, rotten, broken board walks?

At Agincourt two Zion young people were successful, Sivilla Smart and Melville Woods, the latter receiving honour standing.

The Newtonbrook Women's Missionary Society met at the home of Mrs. C. Dempsey on Tuesday afternoon. Ladies held a very interesting and profitable afternoon. The subject under consideration was "Community and Medical Missions in Canada."

Many young people of this section are planning to join in the Toronto Centre Presbyterian Young People's Picnic, which is to take place at Bond Lake, Saturday afternoon, July 21st.

The results of the recent public school entrance examinations are coming in slowly and are being recorded under the heading of the centres at which the young people wrote their examinations. All the Newton-

brook young people who tried at Lansing were successful. In the reports we notice the following names: Eddie Boxall, Bessie Brett, Mary Cade, Ivy German, Helen McBain, Audrey Phinnemore (Hon.), Morris Paul, Philip Stephen, Wilton Taylor, Ross White, Eleanor Jones and Olive Proctor.

#### Softball Notes

On Friday, July 13th, the Newtonbrook team journeyed to Roselawn Park for the semi-final contest in the Tely League and met the Marlboros in a drizzle of rain. The game was keenly contested and very even until the Newtonbrook pitcher weakened and "walked" two or three of the Marlboros, allowing them to take the lead and finish the game with a score of 11 to 9. The Newtonbrook battery was, Ed. Dawn and Chas. Proctor.

The second game of the series was played on Monday evening at Ramsden Park. Ted. Bennett was in the box and he was well supported by catcher Charles Proctor and the team but the boys were eliminated from the running by a score of 11 to 3. Better luck next time, boys; but luck of the baseball kind comes from regular practice and good team work.

On Tuesday evening the new aggregation from the fusion of Willowdale and Lansing ball teams styled "Half-Wits," visited Newtonbrook and played the Newtonbrook team. If these players were "Half-Wits," some Newtonbrookers wished to know if the home team was to be designated "Idiots," or some such comparable term? Anyway a good game of ball was played and to decide the tie, it had to run to the tenth innings and into the dark, when Newtonbrook came through on the big end of a score 6 to 5. Ed. Dawn pitched for the visitors and Tom whitehorn for the locals.

**S. S. FIELD DAY**  
 \* Unionville Central United  
 \* Church Sunday school are holding  
 \* a Field Day in the Crosby  
 \* Memorial Park, Saturday after-  
 \* noon, July 28. Games start  
 \* at 2 o'clock sharp. Tea served  
 \* at 5. Come and enjoy the  
 \* afternoon with us. Admission  
 \* 25 cents.

### Cashel News

We are very glad to report that Mr. William Forrester is progressing favourably during past few days having been suffering from an epileptic stroke since last Monday.

We notice that there has been considerable improvement made on the good road leading through our burg. A gang of men have been busy patching the road during this week. Their efforts will be greatly appreciated.

Miss Margaret Walton, of Riverdale Technical School spent last week holidaying with Miss Flossie Roberts of this burg.

Mrs. Tom Wilson, Mr. and Mrs. W. Stephenson and family, Mr. and Mrs. George Bickle and sons, Arthur and Kenneth all of Toronto, and Mr. Alf. Summerville of tenth line Markham were guests of Mr. and Mrs. Russell Lotton over the week-end.

Haying is in full swing around this point. We hear mowers singing in every direction.

Wonderful improvements have been made on the farm of Mr. Len Roberts during the past month. Besides having the lane leading to the premises completed, the barn has also received a coat of paint. The house is now under repair. A new veranda is being put up and the exterior is to be painted. Besides being of more convenience and pleasing to the eye it has also added to the value of the farm.

We are pleased to see Miss Doris Johnson who spent last term at Lorne Park College, Port Credit in our midst again.

Miss Ruby Forrester of Toronto, spent the week-end with her parents Mr. and Mrs. William Forrester.

Mr. and Mrs. Thomas Popham, of Toronto spent Sunday with Mrs. Popham's parents, Mr. and Mrs. Wm. Stots of Cashel.

Rev. Gray has purchased a new Chevrolet Coach.

Things sure are picking up around here and we have an idea business must be good. Mrs. Honck has also made a very great improvement on her residence during the past two weeks.

Mr. and Mrs. William Salt and daughter Edna, Mr. and Mrs. Bob Salt and family, and Mr. Coxall, of Toronto, were the guests of Mr. and Mrs. Arthur Barnett on Sunday last.

We regret that we have so much sickness around our burg this summer. However we are very pleased to say that Mr. Fred Baggs who has been laid up with blood poisoning in his foot for the past two weeks is able to be out again.

Mrs. Ross Gowland and daughter Shirley, of Markham, Mr. and Mrs. Wilfred Lunau and family, of Richmond Hill, and Mrs. Frank Roberts and daughter Marjorie spent Sunday with the former's parents Mr. and Mrs. Leonard Roberts.

Look out for a big Chivaree boys. If rumors are right wedding bells will soon be heard in this locality.

**Injured While Blasting**  
 Russel Lotton was quite severely injured while blasting stone on the farm of Leonard Roberts. It seems that Mr. Lotton waited too long before making an exit and the charge exploded while he was still on his knees. He received injuries to his scalp, neck, face and hands and arms. He was rushed to the office of Dr. C. R. McKay of Unionville where he received medical attention and several fragments of stone removed from his arms and face. However the wounds are healing favorably but he has not yet recovered his hearing, and is quite deaf. We wish him a speedy recovery.

The heavy rains of last week certainly laid crops of barley and mixed grain in our district. We awoke to find a few of the crops as flat as a carpet the following morning. Glad to say that the barley has come up a little, but we fear it will be miserable to use a binder.

We hear that Miss Valentine who has taught school here for the past four years has resigned from her post and Miss Nita Taun from Bethesda will take Miss Valentine's position here at the beginning of the term.

Over 700,000 school children of Canada have received invitations to attend the Canadian National Exhibition as guests of the management on Young Canada's Day.

The Agricultural Section of the Canadian National Exhibition offers prizes totalling approximately \$100,000.

The old Midway has gone. In its place has come a line-up of entirely new shows and new fronts, which means that the famed midway of the 1928 Canadian National Exhibition will present an unfamiliar appearance this year.

Swimmers from the four corners of the world will seek the world championship in the Third Wrigley \$50,000 Marathon Swim at the Canadian National Exhibition, Toronto.

### King Township Council

The sixth regular meeting of the Municipal Council of the Township of King, was held in Community Hall, Nobleton, on Saturday, June 30th, 1928, when all the members were present, and the minutes of last regular meeting was read and confirmed.

A number of communications were presented and placed before the Council for consideration.

On motion council went into committee of the whole on Bills and accounts Mr. N.D. MacMurchy in the chair, when the following bills were presented and ordered paid:—
