28 RINKS COMPETE FOR COVETED TROPHY

A very successful mixed Bowling tournament was held at the local green on Wednesday afternoon. Twenty-eight rinks took part in the contest and included rinks from Toronto, Stouffville, Unionville, Tottenham, Newmarket, Richmond Hill and other clubs of the County. The Mrs. E.T. Stephens trophy and the fine individual prizes of silver flower baskets and well and tree platters was won by skip Grant's rink of the Kew Beach club who was also the winner last year. Skip Dr. Barber, of North Toronto won the second prize, skip James McLean third, skip W. Wellman fourth prize and skip Piercy of Tottenham fifth prize. The personnel of the local winning rinks was as follows: Miss McLean, E. T. Stephens Mrs. E. T. Stephens, James McLean, skip. Miss Gibson, George Gee, Mrs. W. A. Wright, Wes Wellman skip.

REGULAR SESSION VAUGHAN COUNCIL

Vaughan township council met in regular session at Vellore on Tuesday afternoon with Reeve George Kellam in the chair and all the members present. A petition was received from landowners on Brookside Road asking for the construction of a macadam roadway as a local improvement. The petition will be considered but in the meantime the Road Superintendent will endeavour to give temporary relief to the residents of that district.

Mr. J. T. Saigeon appeared on behalf of the Police Village of Maple asking for a grant which was voted in a previous year for Jackson Avenue, Maple. The stretch to be done is about fifteen rods so it was agreed that if the Police Village would do the grading that the township would take care of the graveling.

Receipts for fines returned to the Township were as follows: June \$369.50; July \$381.25.

By-laws as follows were passed; to assume Rumble Avenue as a Township road; to appoint an engineer under ditches and waterways act with the name of W. S. Gibson filled in; to authorize proceedings to adequately drain May Avenue; to authorize clerk to take necessary proceedings in the proposed construction of macadam pavements on May Avenue, Oak Avenue and Edgar Avenue under the local Improvement Act; and two by-laws dealing with the Clergy Reserve Funds, and the assessment of the various school sections for the amount required for the current year.

It was reported that the amount spent on roads to date was \$17380.99. The following general accounts were passed and ordered to be paid; S. R. Hart & Co., 1 marriage register 3.27; S. R. Hart & Co, three collectors rolls 19.51; Hydro Electric Power Commission 4.59; D. Hagwan, goods supplied charity 10.50; Harry Chapman, salary for July 130; Thos. Rowntree, salary for July 130.; H. M. Smith, trousers for constable 12.50.

ELGIN MILLS

Don't forget the field day to be held here on Saturday, August 11. Among the entries for the softball tournament for prizes of \$25 and \$15 are teams from Lansing, Thornhill, Aurora, Newmarket, Scotch Settlement and Elgin Mills. Entries for the Horseshoe pitching contest should be given to Mr. Garfield Yerex, track events to Mr. Sprague and midway attractions are in charge of Mr. Whitten. A prize of \$5.00 will be given for the tug-of-war. Elgin Mills band will play from 4 o'clock until sundown. The admission to the grounds will be 25 cents.

SUNDAY SCHOOL PICNIC

St. Mary's church (C. of E.) Sunday school picnic will be held at Centre Island, August 15th. Private car leaves Richmond Hill station 1.30 p. m. sharp. Parents and friends are cordially invited. Return fare, (including Ferry) 50 cents.

TWO ABSENT FROM COUNCIL MEETING

PROTECTION WILL BE PROVIDED FOR SCHOOL CHILDREN—SIDEWALK WILL BE BUILT

There were two vacant chairs at the regular meeting of the Richmond Hill council on Tuesday evening. Reeve Lunau presided and those present were councillors Albert Chapman and James McLean. Councillors David Hill and Gordon H. Sloan were absent. The minutes of the last regular meeting were read and adopted and as business arising out of the minutes it was decided to adopt the plan of dividing the town into three sub-divisions for voting purposes. The divisions will be that portion east of Yonge St. which will have 346 voters, that section west of Yonge and south of Centre with 201 voters and that section west of Yonge and North of Centre St with 291 voters.

Reeve Lunau reported that the weeds around the town had been cut. Councillor Chapman said he had received a complaint from one citizen as to the "slaughter" which was done his hedge. It was claimed that the hedge was cut without any notice having been given the owner. The reeve said that the men were instructed to only cut that which was on the street.

Two verbal complaints were given to Clerk Hume by citizens and were reported to council. One was concerning a vicious dog which ran out and bit a passer-by. The owner will be notified to keep the alleged vicious animal tied up. The other complaint was of the nuisance of unnecessary noise during night-time and in this regard the reeve will visit the offender and try and see if conditions cannot be remedied.

The contractors in charge of the work at the waterworks have finished their work and have departed. An "extra" which had to be done must be undertaken by the town workmen and is now in progress and will be completed shortly. Councillor Chapman complained very strenuously concerning the way the contract was executed. He claimed that the cedar posts which were substituted for concrete abutments were not all satisfactory and that as far as he was concerned the contractor should be made replace them.

Reeve Lunau—The contract laid out certain specifications and called for concrete abutments every ten feet but also provided that these specifications could be changed to something else.

Councillor Chapman—Well you've sure got the something else.

Reeve Lunau—They claim that the wooden posts cost more than the concrete, they are seven feet long and were driven in solid earth.

Councillor Chapman—Yes, maybe. Reeve Lunau said that he was pleased that the water was so good as a result of the improvement. Last year at this season the water was very bad he said.

The bill from the traffic constable for 174 hours work brought up a discussion concerning traffic problems. Councillor Chapman complained that the officer did not seem to be able to slow up traffic and he suggested the idea of stop lights at the intersections.

Councillor McLean thought that if the constable had a police cap on when on traffic duty that it would have more effect on motorists.

Councillor Chapman wanted to know what revenue had been received and Clerk Hume advised that a cheque for \$23 had been received to date and that he understood that there was about \$15 to come. Reeve Lunau explained that the small amount of fines was no indication of work done as he explained the great difficulty which any constable had in securing convictions in the County Court.

G. H. Duncan, Chairman of the Board of Education accompanied by Messrs Herb Sanderson, W. A. Wright W. H. Murphy, Stan Tyndall and R. S. Cooper waited on the council relative to the resolution passed at the last meeting of the Board requesting the town to give protection to children crossing Yonge Street at the Public School. Chairman G. H. Duncan and Trustee H. Sanderson addressed the

council and laid the facts of the case before them. They urged that in the interests of the safety of the children some action be taken. The Reeve assured the delegation that the council was very anxious to give every protection to the youngsters going to school and that the matter would be taken up with the constable and some plan devised before the commencement of school.

Reeve Lunau asked what would be done about the sidewalk which was proposed at the last meeting to be built on the west side of Yonge street north of Arnold Street.

Councillor McLean—Has it been advertised?

Councillor Chapman—I thought it was but I looked for it and could not see it.

It was explained that the advertising was not inserted after the last meeting as it was thought a petition would be forthcoming. On motion it was decided to go ahead with the construction of a five foot walk.

PRESBYTERIAN W. M. S. MET AT BUTTONVILLE

The August meeting of the Presbyterian Women's Missionary Society was held at the home of Mrs. (Dr.) Kelly sr., Buttonville, and was featured by a splendid attendance. The meeting took the form of a quilting and two beautiful quilts were completed. After a most sumptuous repast the regular business meeting of the Society was held. The members were favored with violin and piano solos by Mrs. H. J. Ings, of Ottawa, and Miss P. M. Ramsay, of Winnipeg. A hearty vote of thanks was extended to the hostess for her hospitality.

Township Picnic

Over one thousand people enjoyed the North York Township annual picnic held on Monday. A good program of sports and games was carried out and splendid music was provided by the North York Citizens Band. Clifford Hicks, son of Ex-Reeve Hicks was in charge of the sports.
