Why don't you Get some Expert Advice about Your Tires?

"Air costs nothing—lack of it means miles off the life of your tires."

**M**ORE than half your tire troubles are caused by under-inflation. There's a correct pressure for every size tire according to its load. Two or three pounds under this will take miles off its running life.

Near enough won't do. Use a reliable gauge and be sure.

Or, call at this depot once a week and let us look over your tires. We'll watch for bruises, rim cuts and embedded flints. At least twice a season let us remove each tire and look for inside fabric breaks. It will mean extra mileage—and dollars off your tire bills.

A Dominion Tire will give marvelous mileage if you treat it right.

# QUALITY

that is winning new thousands every week

**E**ACH week the Pontiac Six forges ahead to a new high point in sales. Each week this lowest-priced General Motors' Six surpasses its own amazing records of success. And the reasons for its tremendous popularity are found in the quality which Pontiac provides!

From the day of its introduction, Pontiac Six has served as an outstanding example of quality—quality of materials, quality of design and quality of workmanship. And emphasizing its quality are numerous features which Pontiac alone in its field embodies.

No other six so low in price offers bodies by Fisher—with the high-grade coachwork and materials which the Fisher emblem represents. No other six so low in price offers a 186 cu. in. engine—together with the stamina and long life for which Pontiac is famed. And none other enjoys the advantages of being built by the world's greatest automobile organization.

Why not learn for yourself what high quality of materials, sound basic design and super-precision construction mean to a motor car? Why not come and drive a Pontiac Six today?

Ask your dealer about the G.M.A.C. Deferred Payment Plan which makes buying easy.
