**Cowie — Billerman**  
The United church prettily decorated with palms and gladioli was the scene of a very pretty wedding last Monday evening at 7.30 o'clock, when Pauline Marie, only daughter of Mrs. Reta William Cowie, youngest son of Mr. and Mrs. George Cowie of Acton, Ont. The ceremony was performed by the Rev. J. H. Oke, of Toronto, and former pastor of the United church here. The bride who was given in marriage by her brother entered the church to the strains of Mendelssohn's wedding march played by Miss A. Cooper. She looked charming in a gown of alice blue georgette trimmed with cream lace with large picture hat to match and white kid shoes and hose. She carried a shower bouquet lily of the valley and roses. Mrs. George Billerman, sister-in-law of the bride was maid of honor and wore a gown of pale peach georgette with black velvet hat, satin shoes and peach hose and carried a bouquet of Ophelia roses. Miss Jean McDonald acted as bridesmaid, wearing a gown of shell pink georgette with small velvet hat to match and carried a bouquet of Ophelia roses and baby's breath. Little Misses, Mary and Ruth Cowie, of Richmond Hill, neices of the groom made sweet flower girls in frocks of pale pink and blue and carrying bouquets of sweet peas and roses. Mr. William Moss, of Toronto, supported the groom. The ushers were Messrs. Bruce McDonald and Floyd Davies.

As this was the first wedding to be solemnized in the church since its erection seventy-five years ago, the bride was presented with a bible by Mr. Pearce Robinson, chairman of the board of managers. Following the ceremony a reception was held at the home of the brides mother for the immediate relatives and friends, after which the happy couple left on a honeymoon for points East, the bride travelling in a two tone grey tweed tailored suit with small felt hat, shoes and hose to match. On their return they will reside in Toronto.

## Victoria Square News Items

This part of our township has had ideal weather for harvesting a bountiful crop. With a few days more of such favourable conditions the bulk of another harvest will be safely garnered in. The yield of cereals is not high considering the bulk of straw. Much of the grain went down early hence it did not mature as well as it had stood up.

Mr. Wilmot Brumwell is smiling now. He is one of the first to finish harvest. Not only to finish harvest but to have his threshing completed, and his grainary filled to the ceiling gives him cause to smile. Your columns reported the yield of alsike at about two bushels per acre in this neighborhood, but Mr. Brumwell's seed yielded nearly four bushels to the acre. His threshers Cecil and Frank no doubt deserve part of the credit.

Mr. Ross Nichols is close on the heels of his neighbor Brumwell, he having his sheaves all in on Tuesday. We are pleased to state that the Wellman Bros. are both able to return to work after suffering from poisoned hands, Harold having used a pin to remove a thistle, and George had a badly blistered palm in which poison entered. Both were some days under the doctors care.

Mr. and Mrs. Roscoe Mortson, of Cochrane motored to visit the Mortson's here this week.

Miss Jean Taylor, of Toronto, is spending a few days with her cousin Miss Ethel Mortson.

We regret to report that our genial pastor Rev. W. Haig is under the doctors care, suffering from a growth in his jaw. Mr. Haig's services are always in demand hence we miss him very much.

Mrs. R. F. Boynton is also under the doctors care, Mrs. Boynton we are sorry to say has a severe attack of asthma.

Master Archie Nichols had a dirty fall on Monday. He was on the back of a load of sheaves in the field while his brother was loading. When the horses stepped up Archie a stout lad of eleven fell over the back ladder to the hard ground below with a heavy thud, Mr. Eli Dennie who was pitch-

ing immediately turned to hear the cause of the jar. On reaching the lad he said, "Pick me up Mr. Dennie." Fortunately he appears none the worse for his mishap.

Mrs. Andrews of Toronto, visited with Mrs. W. F. Nichols this week.

We congratulate the young ladies who went to Newmarket last Friday and won prizes:—Miss Dorothy Valliere, a first prize; Miss Vera Nichols, second and Miss Laura Gee, third; Miss Viola Walker won second in her class.

Mrs. Bryan, of Toronto, very kindly taught the adult bible class in Sunday School. We appreciate very much her willingness to serve.

Mr. Martin of the Fifth line met with a very painful accident on Saturday afternoon. He had almost completed hitching his horses to the binder when they started away. He was between horses and the binder and missed the lines and tripped and fell in front of the binder which was not in gear. The horse dragged him for about forty feet under the machine and were brought to a standstill because one of the lines wound up on the machine. Mr. Mortson was badly bruised, every rib on one side was broken. At first little hope of recovery was cherished by those taking care of him. At time of writing we are pleased to state that prospects are bright that he will get better.

His neighbours turned out this week and drew much of his crop to the machine and Mr. Martin now has the bulk of his crop in the grainary.

Mr. and Mrs. Stanley Boynton and family visited with Mr. Wesley Boynton, Port Perry on Sunday.

Mrs. E. McCrown, Mr. and Mrs. A. Boucher and baby Marguerette of Toronto, visited with the formers sister, Mrs. Wm. Dennie of Gormley on Sunday.

Miss Delta Wideman of Elgin Mills, and Miss Dorothy Doust of Gormley, spent Sunday with Miss Pearl Dennie. Mr. and Mrs. Norman Horner, of Headford, visited with the latter's brother, Mr. Wm. Dennie, of the fourth line on Sunday.

## MARKHAM

Hot! Well, it was rather for a few days. The old Indian was right. One of our citizens was with a motor party up near Eugenia Falls and they were complaining about the heat. An Indian said, "Call this hot! You are going to have it far hotter than this." The most popular person those days was the small boy who would carry a cool drink to the men who were working in the harvest fields.

Summer is passing all too quickly. A few days ago the park was crowded with tents and summer visitors. About forty young lads enjoyed a two weeks outing in charge of a camp director from Toronto. They made things lively with their fun and their boating and swimming. But they have gone back to the city and all is peace and quietness again.

The raspberry crop which has been abundant in all parts is now at an end. Every available person, young and old, was called on to pick berries, some going out to Green River and some to Dunbarton.

The Horticultural Society will hold the annual show of flowers and vegetables on Saturday evening. Our citizens are busy putting the final touches to their lawns and flower beds to make them attractive and a credit to themselves and to the town.

Much sympathy is extended to Mrs. Robt. Hill, Church St. in the sudden death of her husband on Saturday last. The deceased attended St. Andrew's Presbyterian Church and the funeral was held from there on Tuesday at 2 p.m. Interment followed at Bloomington.

In the midst of the heavy traffic on the eighth line, Sunday evening one of our townsmen turned out to pass two other cars with the result that their bumpers interlocked and both were crowded into the ditch. They had to remove one bumper before they could separate the cars. No one was hurt, though the ladies were badly frightened.

It is not advisable these days to carry all your money in one pocket. They are holding people up at lonely corners and relieving them of their few odd dollars.

Several farmers in this vicinity have had the misfortune to lose valuable horses as a result of the recent hot spell.
