Magistrate Duncan Honored By Friends

FIRST SESSION OF POLICE
COURT HELD ON WEDNESDAY
MORNING

A notable landmark in the history of Richmond Hill and the County of York was noted on Wednesday morning when the first session of the Richmond Hill Police Court was held under the newly appointed Police Magistrate, Mr. Garnet H. Duncan. Three cases of infraction of the Highways Act were on the docket and were dealt with expeditiously by Magistrate Duncan who registered convictions in all three and assessed fines of five dollars and costs amounting to \$10.30.

Promptly at 10 a.m. Magistrate Duncan took his place on the bench and before Constable Barraclough called the cases for the session Mr. W. H. Legge on behalf of a gathering of citizens asked the court for the privilege of saying a few words. He extended congratulations to Magistrate Duncan on assuming the high and honorable position of Police Magistrate. He referred in glowing terms to the splendid record of Magistrate Duncan as a citizen, as a member and chairman of the School Board and as director of the Agricultural Society. "In fact" said Mr. Legge, "any good move in the interests of the progress and betterment of the community or county has had your whole hearted support." The speaker referred to the pioneer family of which Mr. Duncan was a member and remarked that it was a fitting climax to the long record of public service of the family that Mr. Garnet Duncan should now be appointed to such an important position as that for the administration of justice in this County. On behalf of a few of his friends Mr. Legge asked Magistrate Duncan to accept a handsomely carved wooden gavel which he said was symbolic of the authority of his office and he expressed the wish that he might be long spared to preside over the court which had opened this morning for the first time and that his tenure of office would be a rich blessing for the community which he will serve. He was confident that true justice would be meted out in a manner which would reflect credit on the Magistrate and on the County of York.

A beautifully carved gavel bearing a silver plate with the inscription; "Presented to Garnet H. Duncan by Richmond Hill citizens on the occasion of his assuming the office of Police Magistrate, September 26, 1928" was presented by Mr. J. R. Herrington.

Mr. J. H. Naughton representing the legal fraternity extended best wishes to Magistrate Duncan. He congratulated him on receiving the appointment and forecasted a great future for the Richmond Hill court, a future which he predicted would be a rich contribution to a better citizenship in this county. He pointed out the need of such a court, presided over by a magistrate with an intimate knowledge of local conditions had long been realized by those closely associated with law enforcement and he emphasized the great field of usefulness which was opened up to Magistrate Duncan. He assured him of the best wishes and the whole-hearted co-operation of the legal fraternity.

Mr. W. A. Wright on behalf of the Richmond Hill Board of Education extended congratulations. He said that those who had been associated with Magistrate Duncan on the Board had learned to look upon him as a man of many admirable qualities and at all times respected his excellent judgement. His associates were delighted with the honor which had been conferred upon him and wished him every success in his new duties.

Ex-Reeve, W. H. Pugsley, Mr. J. R. Herrington and Mr. J. E. Smith added words of congratulations and best wishes to the new magistrate.

Magistrate Duncan was taken completely by surprise and was deeply moved by this token of good will from his friends in Richmond Hill. He expressed his sincere thanks for the presentation and assured the gathering of his appreciation of their good wishes. He said he appreciated the responsibility of the office to which

PLAN IMPROVEMENTS ON LANGSTAFF ROAD

Work is proceeding on the Langstaff sideroad which is now a link in the Sarnia—Ottawa Provincial highway. The highway, with a minimum width of 20 feet of pavement as against 16 feet at the present time, will from Concord on Dufferin st., use the present highway to Thornhill, a distance of 2½ miles. Wherever necessary the fences are being moved back. At Langstaff, opposite the Industrial Farm, the new highway, according to the engineers, cuts a wide circle, eliminating the dangerous crossing over the Hydro Electric lines. At the 2nd concession another dangerous corner is eliminated by cutting off both corners and by heavy filling.

At Dollar, a mile and a quarter further on, the right-of-way has been acquired through the Boynton farm, a grove of trees is already cut down and an entirely new highway will be built. The same thing occurs at Brown's Corners crossing and again on the 5th concession, where a wide strip of land is taken off the Cox farm.

Between the 5th and 6th concession the highway is being entirely reconstructed, thousands of weeping tile inserted for drainage and the pavement relaid. At Unionville, on the Elliott farm at the intersection of the Kennedy road and the Langstaff highway, one of the biggest fills on the whole route will be closed up, the bridges widened and the whole contour of the highway altered. The bulk of the work this year on the projected Sarnia-Ottawa Highway will be between Thornhill and Markham. Active construction on this division will proceed until winter.

Milch Cows Brought Some Record Prices

CATTLE SALE REALIZED OVER
\$7000

Record prices were obtained at the auction sale of milch cows and young cattle held by L. H. Clement at the Fahey farm, Elgin Mills on Saturday last. There was a large representation of farmers present from Markham, Vaughan, King and Whitchurch and other parts of the County. Bidding was brisk and conducted under the able hand of J. T. Saigeon, Auctioneer, Maple, the sale progressed briskly and was one of the most successful ever held in this district. Over \$7000 was realized. Milk cows sold as high as \$200 and young stock off the grass as high as \$75 and \$80. Two year old Jersey heifers sold for \$130. The great scarcity of cattle throughout the province was reflected in the high prices paid and drovers, dairymen and butchers forecast even higher prices on the cattle market.

GORMLEY

Communion services will be held at the church at Heise Hill on Saturday evening, next, September 29th. An all day service will be observed and on Sunday morning at 10 o'clock the pulpit will be occupied by visiting ministers. On Sunday evening at 7 o'clock the Rev. J. L. Meyers returned Missionary from South Africa will give a Missionary talk relative to the work at that place and an offering will be taken for the foreign Treasury.

HEADFORD

The Liberal extends congratulations to Miss Gwen Smith the eleven year old daughter of Mr. and Mrs. Herb Smith who was successful in winning the Eaton Trophy at the Markham Township school fair held at Unionville on Monday. The trophy is awarded to the pupil winning the highest number of points. The winner is a pupil at Headford school, S. S. No. 3 and her teacher is Miss Kirkpatrick.

Meeting Called To Re-Organize Richmond Hill Board of Trade

Local Organization Planned To Stake Active Interest
In Civic Improvement and Progress.

MEETING IN COUNCIL CHAMBER
NEXT WEDNESDAY EVENING
AT 8 P. M.

President W. H. Murphy, of the Richmond Hill Board of Trade has called a meeting on Wednesday evening next at 8 p.m. in the Council Chamber for the purpose of re-organizing that body for the coming term. Interviewed by The Liberal Mr. Murphy stated that he felt that the Board of Trade organization should be a live issue in the town as it had an important duty to perform and that there was need of such an organization in Richmond Hill.

Richmond Hill to-day needs a Board of Trade a live Board of Trade which will take an active interest in local business and civic affairs with the view of improving conditions and increasing the prosperity of the community. There are many avenues of endeavour open to such an organization. Development along industrial lines is impossible without organized effort. Hit or miss campaigning will get the town nowhere. Individual effort although commendable is not to be compared with the effort of a duly formed organization working efficiently and systematically towards an objective. Those towns which are making progress are those towns where the right kind of leadership is manifest in public bodies working for the improvement of the various cen-

tres. Civic affairs will be discussed and local business problems analyzed. Community get-together meetings could be staged to the benefit of a better Community spirit in Richmond Hill, and in a multitude of ways a Board of Trade could admirably serve this municipality.

It is not a question of what such organizations have accomplished or have not accomplished in the past. We are living in the present and should build for the future therefore the question is what an organization such as the Board of Trade can do for Richmond Hill. What can be accomplished is limited only to the degree in which local business men and citizens support the proposal and proposed organization.

The local council chamber should be filled to capacity next Wednesday evening when the re-organization meeting will be held and when an open discussion of local affairs and problems will take place.

BOWLING TOURNAMENT

Twenty eight rinks were entered in the Fall tournament of the local bowling club held on Wednesday afternoon. First prize was won by Chas. Reid's rink of the Oakwood club, second prize went to Tottenham and third prize was won by a Toronto rink. Five local rinks took part.
