**Appreciate The Work Of Miss Marguerite Boyle**

"Marguerite Boyle, the talented graduate of the Owen A. Smiley elocution studio is again starting her fall classes in dramatic expression and elocution at the Harris School of Music, 2881 Dundas Street. The success of Miss Boyle's pupils in concert and recital, has been very flattering, five of them having joined the ranks of paid Professionals. The acid test of instruction is not a mere academic or theoretical smattering of information, but a solid grounding in actual repertoire which can be verified by public presentation. Examinations are not annual or semi-annual affairs but must be passed each time the pupil faces an audience. This is real instruction in a practical subject and Miss Boyle's success warrants us in again welcoming her to West Toronto."—West Toronto Herald.

**WEDDING SNIDER — BECK**

A very pretty wedding took place at the King City United parsonage on Wednesday, September 12, when Nellie second daughter of Mr. and Mrs. John Beck was united in marriage to Mr. John Henry Snider, son of Mr. and Mrs. John Snider, Downsview, Ontario. The ceremony was performed by the Rev. A. H. Halbert. The bride looked charming in a gown of pale blue georgette and lace, she carried a shower bouquet of sweet-heart roses and maiden-hair fern. Miss Gwendolyn Beck sister of the bride acted as bridesmaid, and looked very pretty in a dress of honey-beige and velvet hat to match. The groom was attended by Mr. John Henry Beck. After the ceremony a reception was held at the home of the brides parents which was beautifully decorated in pink and white. The bride was recipient of many beautiful and useful presents. Later the happy couple left on an extended motor tour to points north the bride travelling in a grey ensemble. On returning from their honeymoon Mr. and Mrs. Snider will reside near Unionville.

**OBITUARY**

**LATE GEO. SCHELL**

On Thursday, September 20 at Aurora, the death of Mr. Geo. Schell in his seventy third year removed from the County a respected citizen, a loving husband, a kind father, an ardent supporter of the churches, and an agriculturist who made a success of his calling.  
 Born at Carville, Mr. Schell farmed there until six years ago when he retired to Aurora. About fifty years ago he married Miss Baker who survives him. To them were born nine children, five boys and four girls.  
 He was a man who knew what trouble was for in 1905 diphtheria visited his home and carried away five of the family. Two men of the neighborhood turned in and carried the corpses to their last resting place, a fact that they vividly remember until to-day.  
 One year ago last spring Miss Ada Schell only daughter at home died in Aurora.  
 Mr. Schell was a member of the church of Christ for forty five years. He was faithful to its doctrines as he saw them and always took an active part in the services.  
 Until two or three years ago when he suffered a stroke he had always enjoyed good health. Since that time his health had been fairly good. Another stroke seized him a few days before his death while on his way for the mail. Had he lived a few days longer he and his bride could have celebrated their golden wedding.  
 The funeral services, which were attended by very many friends was conducted by Rev. Mr. Brown of Bathurst Street in Cober's church, Vaughan.  
 Besides his widow he leaves two daughters, Mrs. B. Boston, Victoria Square, Mrs. Howard Jackson, Maple, one son Rev. Ralph Schell, pastor in Boston Baptist church.

**LATE E. R. LOVE**

A son of York County passed away in Western Canada and was buried at Stony Beach Sask., on Thursday, September 7, in the person of Eger-ton Ryerson Love. The late Mr. Love was born in King Township, his father having owned the farm on which the church at Temperanceville now stands. He passed away at the age of 77, after a short illness of about one week. He was the last surviving member of the Love family.  
 In 1882 he left Ontario to pioneer in Western Canada and settled in Manitoba near Brandon. After a short time he left Brandon and took up homesteading in the Stony Beach district. Owing to ill health Mr. and Mrs. Love moved about nine years ago to Vancouver where they made their home. Since that time they have visited their old home in Saskatchewan each fall and it was during his most recent visit that Mr. Love was taken ill.  
 From all parts of the Moose Jaw district and various parts of Saskatchewan hundreds of early settlers and old time acquaintances gathered at the funeral to pay their last respects to the late Mr. Love. Private services were held at the home and afterwards a funeral service was held in the United church at Stony Beach. Floral tributes were banked around the casket in profusion, bearing testimony to the high esteem and respect of a wide circle of friends. Fellow old timers acted as pall-bearers.  
 The late Mr. Love was known as an ardent Liberal in politics and was a faithful supporter of the Presbyterian church. Only last winter Mr. and Mrs. Love celebrated the fiftieth anniversary of their wedding and to honor the occasion the whole family gathered around the home fireside in Vancouver.  
 Left to mourn his passing besides his widow are two sons, William and John, and five daughters, Mrs. Frank Porter, Mrs. Henry Haggerty, Mrs. Bradley, Mrs. Robert Larter and Mrs. Len Sgort all in Western Canada. A daughter Mrs. Charles Dean predeceased her father in 1908 and a son Edgar in 1882. Twenty eight grandchildren and one great grand-daughter survive. The late Mr. Love was an uncle of J. T. Saigeon, of Maple.

**VILLAGE COUNCIL**

The regular meeting of the Richmond Hill council will be held in the Clerk's office on Monday evening at 8 p.m. Among the items to be considered will be the resignation of Councillor G. H. Sloan and the question of providing suitable quarters for the local Police Court which held its first session on Wednesday in the Council Chamber.

**RALLY DAY**

Rally Day will be observed by the United church next Sunday. A special service will be held in the church auditorium at 2.45 p.m. and will be addressed by Dr. F. Routley. All parents and friends are invited.

**MARKHAM TOWNSHIP COUNCIL**

Markham township council will meet in the Township Hall, Unionville on Monday afternoon at 1 p.m. for the transaction of general business.

**Victoria Square News Budgets**

Weather conditions continue to be ideal in our township while a few miles north of us rain has fallen almost daily for one month. The fields sown to fall wheat are already covered with a coat of green.  
 Potato picking is about completed on the farm of Francy Bros. A fine crop of tubers and harvested in fine shape makes the owners smile. Many fields of potatoes promise to yield well in this district.  
 The young people about thirty in number had a pleasant evening together in the park on the Nichols farm on Saturday evening. After a few pleasant hours they enjoyed corn, and other delicacies of the season. Three young men who indulged on the sly have been surely pious all this week.  
 Mr. John Holmes of Meaford spent two or three days with friends here at the end of last week. He received a message on Sunday evening that his sister-in-law Mrs. Henry Holmes, of Meaford had died. He returned to the funeral on Tuesday with Mr. and Mrs. W. F. Nichols and Miss Ella Nichols.  
 Mr. William Wilson, of Toronto, had dinner with his parents at Gormley on Wednesday of this week.  
 Miss Gladys Reid, and Miss Mary Campbell, nurses from Brooklyn, N.Y. spent the week-end with the former's sister, Mrs. Robt. Beatty of this place.  
 Mr. and Mrs. W. B. Heise returned to duties this week after enjoying a trip to the fruit belt.  
 Rev. W. Haig we are pleased to state is able to be on duty again. His sermon on Sunday was on Jacob's ladder. Which in our language he called prayer. "The first round is the call of distress. The second the call for forgiveness. The third round prayer for christian growth in all graces. The fourth not easily attained is the prayer—"Thy will be done?" Here we have real communion and fellowship with God. Prayer becomes a joy when our wills are resigned to His."  
 A Rally Sunday service in connection with our Sunday school will be held in the church auditorium on Sunday afternoon beginning at 2.30. The address of the afternoon will be given by Mr. Edgar Wall, of Richmond Hill. Other features of the service will be in keeping with the day.  
 The School Fair held at Unionville on Monday was well attended by the pupils of the schools and their friends. While the day was rather cool and a little damp about noon, the program was successfully carried out. Some of our boys and girls came home with red ribbons. Miss Margaret Avison for scrap book; Miss Marjorie Hart, won junior public speaking contest; Master Frank Bennett, for his chickens, Master Leslie Hart for snow-apples, Miss Topper for asters and the laurels for stock judging team were won by Master's Earl Empringham and John Smith. These two lads are expected to have a day at the Royal Winter Fair to continue their studies.  
 We offer our congratulations to Mr. Clarence Sanderson for his success in coaching the stock judging team in No. 7. The competition at the fair was keen, there being many teams entered. Mr. Rogers sent Mr. Sanderson his congratulations for such signal success on his first venture.  
 Messrs Cecil Nichols and Harold Wellman accompanied by Misses Vera and Reva Nichols and Annie Avison spent Sunday in Creemore with Mr. and Mrs. W. A. Helmky.  
 Mr. Frank Brumwell accompanied by some of his friends spent Sunday with friends at Bond Head.  
 Colds seem to be the order of the day this week. At time of writing Mrs. Frank Brumwell is enjoying one to the full.

**THE WORLD HAS A NEW AND FINER MOTOR CAR**

**It was a Twin-Ignition Motor** that carried Lindbergh over the Atlantic, Goebel\* over the Pacific, Byrd over the Pole!

In history-making flights Lindbergh, Byrd, Goebel\* and a host of others have established dramatically and conclusively the superiority and reliability of twin ignition, high compression, valve-in-head motor performance.  
 spark plugs (airplane type) to each cylinder instead of one, 360 sparks a second instead of 180, at top speed, burns the highly compressed gases more thoroughly and economically.  
 And all three principles are combined in the great new Nash Twin Ignition Motor which powers every Nash "400" Special and Advanced Six model.
