Newtonbrook Newsy Notes

Social and Personal

Mr. and Mrs. Robert Cade, of New York, paid a visit to their father and mother, Mr. and Mrs. A. R. Cade, last week.

Mr. and Mrs. R. F. Hicks have gone on a motor trip to Montreal and other Eastern Points.

Mr. Taylor, of Rochester, is spending the week with his uncle and aunt, Mr. and Mrs. F. Summers.

The new room in the Newtonbrook Public school has been opened with Miss Doris Soden in charge.

Rev. D. M. Solandt, D.D., the associate Book Steward, and the Rev. A. H. Halbert, who as a young man was once a popular junior pastor of this charge, are to be the preachers at the Newtonbrook Harvest Home Services on Sunday next, September 30th.

Rev. R. Newton Powell, one of the most popular and entertaining ministers of Toronto, is to give one of his clever travelogues in the Newtonbrook United church in connection with their Harvest Home Supper, on Tuesday evening, October 2nd. Other entertainers on that occasion will be, Miss Jocelyn Berry, Mrs. Earl Bales and Miss Marion Forrester.

There was a fine rally of children and their parents at the morning service last Sunday in the Newtonbrook United church. The children marched in and had their part in the service taking most of the programme. Mr. L. A. Grisdale, the superintendent had charge of the service. Rev. E. R. Young preached a short sermon of "Blessed are the Peacemakers;" pointing out the fact that to be a peacemaker, one needed at first to be peaceable. Then in the art of bringing about peace and good will in this world, we have had good training. At Christmas time, we go about scattering good words, by tongue and letters and pretty cards; we also pay friendly visits, give gifts and do every kind of deed of kindness possible. If this were done by all boys and girls, all men and women, for one generation,

the whole world would be filled with love, peace and good will and men would find most of their troubles blown away.

Zion United Church Harvest Home

The Harvest Home Services of the Zion United church were an unqualified success every way. The church was beautifully decorated for the occasion. Special music was provided at the Sunday services by Mrs. Pike and her talented sons, who sang and played their instruments very efficiently. In the afternoon, Rev. E. R. Young chose for his subject, Ornan, the man who, while he was threshing wheat, saw an angel. Mr. Young stressed the fact that in doing our every day duty we were in line with God's great purpose and, if our hearts were right and our eyes open, we might realize the presence of His angels. Harvest scenes were very suggestive of spiritual life. In the great day when the angel reapers will come, we shall all be brought before the Lord; the wheat to be gathered into the heavenly garner, the chaff to be blown away. Rev. F. T. Grafton, of Oriole, assisted in the service. In the evening the church was filled to capacity again with another audience, when the Rev. Herman Moore, a former pastor, preached a eloquent sermon upon our heavenly home.

On Tuesday evening, the church was filled and even standing room was at a premium. After a bounteous supper, provided by the Zion Womans Association a very excellent program was presented under the chairmanship of Rev. E. R. Young. The piano selections of Miss Margaret Clemens were very daintily and cleverly executed and so were the musical numbers of Mr. Osburn and Mr. J. G. Pike with their guitar and mandolin. Master Nelson Findlay proved himself a real boy entertainer. But the stars of the evening were Mr. Duncan R. Cowan and Miss Fanny Rogers with their characters songs and sketches and duets. They never failed to make a great hit with their audience.

CASHEL

Mr. and Mrs. Stephenson, and sons Arthur and Kenneth, Mr. and Mrs. Edward Jarvis, his mother, Mrs. Jarvis, Mr. and Mrs. Bickle and family, and Mrs. Jacks, all of Toronto, were the week-end guests of Mr. and Mrs. Russell Lotton.

Filling the silos, cutting buckwheat, sowing fall wheat, plowing and attending the fall fairs is the order of the day and believe me this sure is a busy season on the farm.

A successful corn roast was held under the auspices of the Young People's Society of Melville Presbyterian church, last week. It is reported everyone present spent an enjoyable evening.

Dr. H. Ley, of Toronto, accompanied by his two sisters, Miss Edith and Mrs. Parrot both of Markham; also Mr. and Mrs. Ross Gowland and daughter Shirley were the guests of Mr. and Mrs. Leonard Roberts last Sunday.

Mr. Harry Jarvis has taken a position on the farm of E. T. Stevens, Yonge Street.

Mr. and Mrs. I. Wagg and son, John and Mr. A. Wagg and Miss G. Wagg motored to Mount Albert last Sunday to spend the day with relatives there.

Mrs. Howard Summerfeldt visited her sister, Miss Nellie Bond last week.

Mrs. Byron Storms, of Toronto, visited her son Arthur, who is employed on the farm of Mr. Russel Lotton, over the week-end.

Mr. and Mrs. William Hopkins and children of Stouffville were the guests of Mr. and Mrs. Frank Roberts last Sunday.

A large number of our neighbors attended the school fair last Monday, which was held at Unionville. The exhibits were on display inside the rink, and sports of all kinds were carried out successfully on the athletic grounds. A number of the pupils here were successful prize winners. In spite of the weather which proved to be cold, the pupils spent an enjoyable time.

Ernest Appleton's car, a Ford was badly damaged when he had the misfortune to be side-swiped and cut off into the ditch at the north of the village of Unionville. Ernest turned out to let a south-bound car pass and a car from the rear cut in on him forcing him into the ditch. Although no one was hurt other than suffering from shock, the car was very badly damaged. In spite of new laws and sufficient caution on public highways it seems that motorists are forever in a most desperate hurry.

Death of The Late Mrs. James Maynard

We regret to record the death of a former and highly esteemed neighbor of our locality in the person of the

late Mrs. James Maynard, who passed away at the home of her mother at Todmorden, after a prolonged illness, and with whom she has been staying for the past eight months. Mrs. Maynard had been suffering for some years with a serious illness. After retiring from the farm here they moved to Muskoka where it was believed the climate would be beneficial to her health, and later brought her back to Toronto where she received all necessary treatment under best medical care.

Left to mourn her loss are two little sons, James, the eldest and Kenneth and one daughter Audrey, and her husband. Friends and neighbors of this locality wish to extend their deepest sympathy to the bereaved husband and family. Interment took place to St. John's cemetery Norway from Wear's undertaking parlours, Kingston Road.

Maple

Early on Thursday morning of last week, Geo. W. Nixon, second son of the late Mr. and Mrs. Chas. Nixon passed away at the General Hospital. The funeral took place on Saturday from the home of his brother, Mr. T. O. Nixon, and was attended by many relatives and friends. The brother and sisters, and the other relatives have the sympathy of all in their bereavement.

Next Sunday, Rally Day services will be held in the United Church at 2.30 p.m. and in St. Andrew's at 11 a.m. Miss Lewis, of Toronto, is expected to give an address at the service in the former church. It is hoped that there will be a good attendance at both services.

The funeral of the infant son of Mr. and Mrs. Garnet Keffer, of Edgeley took place on Saturday afternoon to the Lutheran cemetery.

At a meeting of the congregation of St. Andrew's church it was decided to hold anniversary services and a supper in the near future.

A gang of workmen are engaged in putting in new switches on the railroad near the station.

Mr. and Mrs. Kenneth Murray have returned from their honeymoon and have taken up residence in the village.

Mr. H. C. Bailey and Mr. W. Woods left on Monday on a trip to Hillsdale.

Mr. R. and Miss J. Walkington have been away on a week's visit to friends in the United States.

BUTTONVILLE

Although the night was stormy, a large number spent a very sociable evening at the home of Mrs. R. L. Stiver on Wednesday evening last. After an evening spent in various games weiners, corn and pie were served and enjoyed by all.

We are glad to report that Mrs. Wm. Mackerel who has been confined to her bed is improving nicely.

Mr. Bernice Padget has been ill for a few days but has recovered again.

The re-opening of Brown's Corners church was held on Sunday. Large crowds attended both meetings. In the morning Rev. Mr. McCleod conducted the service while in the evening Mr. Sellar preached to a crowded house. The church was profusely decorated with flowers from the community. A social evening for the congregation will be held in the church in the near future.

Rev. Mr. Brown, evangelist who was a former policeman in New York gave a lecture on "Chinatown" in the former Methodist church last Tuesday evening.

The School Fair on Monday was a decided success. Buttonville school won 26 prizes with a total of 79 points. Miss Jessie Burr won the certificate of honour for S.S. No. 5, with total of 21 points from 6 prizes. Miss Helen Fierheller was second with a total of 14 points from 5 prizes. (Well done Boys and Girls.)

HEALTH SERVICE

CANADIAN MEDICAL ASSOCIATION

SUSPECTING TUBERCULOSIS

Perhaps, to most persons, a suspicion of tuberculosis means cough, sputum, the raising of blood, and pain in the chest. These are indeed signs of tuberculosis. Blood spitting should always be considered as due to tuberculosis until it is proved otherwise. We may say that the person who raises some blood early in the disease is fortunate, because this frightens him and sends him to his physician. However, the signs mentioned above are what occur when the disease is well established, and what we should know are the signs and symptoms that occur earlier than this.

It is not our intention to attempt to describe all the earliest signs which would make one suspicious of tuberculosis, but rather to point out one or two of the commonest, which should be known to all, and the presence of which should send them to their physician for examination, to find out whether or not there is any actual disease.

The most important of these early suspicious signs is the most difficult to define. It is chronic fatigue, un-

due fatigue, causing the individual to tire easily. The person who finds that he is regularly tired from work which usually does not fatigue him, that he is tired every afternoon, that everything is an effort, should have a medical examination.

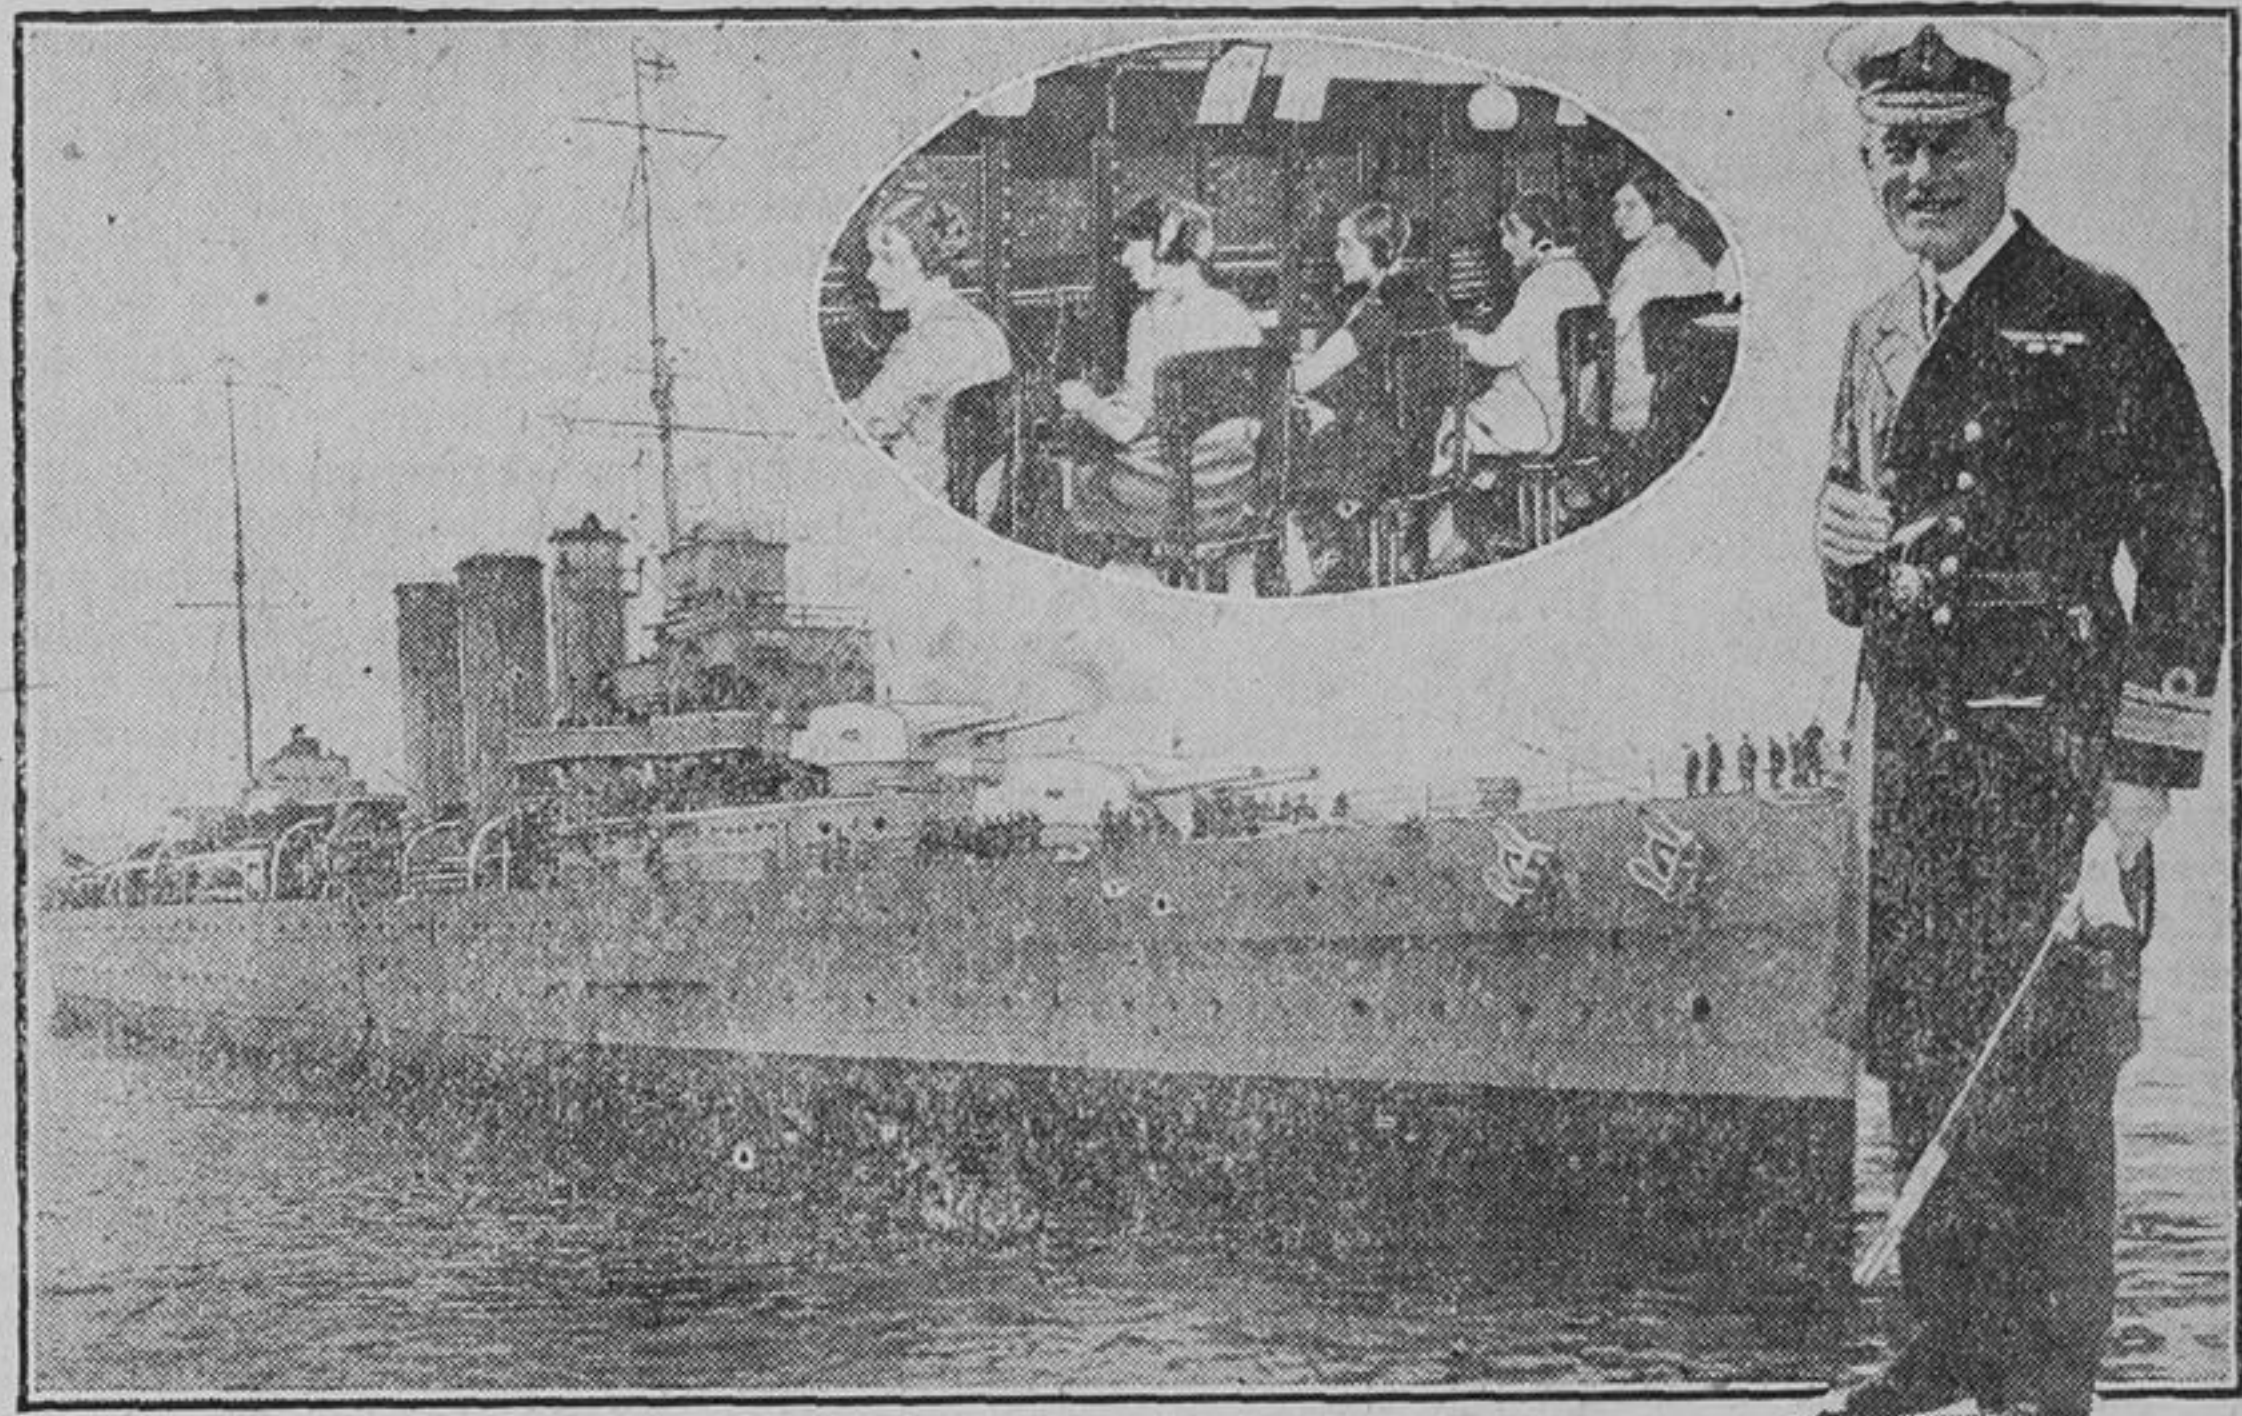

Any cough lasting over six weeks should suggest medical examination.

If these two signs were considered by all as danger signals which would turn them towards their doctor's office there would be fewer cases of tuberculosis that are far advanced when the physician first sees them.

Not everyone with these symptoms has tuberculosis, but some have, and the only way in which one can protect himself is by having a thorough medical examination to ascertain the cause in any particular case, and, if it is tuberculosis, to secure early treatment which offers the best chance for cure.

Questions concerning health, addressed to the Canadian Medical Association, 184 College Street, Toronto, will be answered by letter. Questions as to diagnosis and treatment will not be answered.

Australian Flagship at Montreal

Welcomed by reception committees composed of prominent citizens and civic authorities, H. M. A. S. AUSTRALIA, the new 10,000-ton flagship of the Australian Squadron in charge of Rear-Admiral George F. Hyde, C.V.O., C.V.D., R.A.M., (inset) has recently called at the Canadian ports of Montreal, Quebec and Halifax, after completing her maiden voyage from Portsmouth, England, where she was commissioned recently and visited by King George.

The Australia, which is the largest battleship to have visited Montreal, is equipped with three telephone exchanges known as the "Ship's Exchange", "Gunnery Control" and "Engine Control", and while docked in that port she was equipped by Bell Telephone Company workmen with 87 telephone instruments for direct ship-to-shore communication, the connection being established a very few minutes after the oil-burning cruiser had been made fast at her pier.

JOB P-R-I-N-T-I-N-G

Whatever your job printing needs may be, we can take care of them and turn out a job that will be a delight to the eye. The importance of good printing cannot be over-estimated. It increases the value of your advertising matter tenfold. We can take care of both big and small jobs at exceptionally low prices. Work turned out promptly—no waiting. Come in and consult us on your printing problems! Estimates cheerfully furnished!
