Regular Session Vaughan Council

CONTRACT LET FOR CONSTRUCTION OF NEW ROAD ON EDGAR AND OAK AVENUES

That the sheep valuator was working in the interests of the Township rather than in the interest of the sheep owner was the charge of Mr. James Stewart who had a sheep claim of \$123. before Vaughan council at its regular session on Tuesday. Mr. Stewart who during past years has had several claims against the municipality for sheep worried by dogs said he did not object to the actual valuation this time but he felt very strongly that he was entitled to some flock damage. He said other townships were paying flock damage. The members of the council expressed the opinion that they had no power to alter an award of the valuator and accordingly the claim was paid as follows; 1 sheep killed \$18, 2 lambs \$20, 10 lambs \$100, making a total of \$138 less \$15 allowed by the butcher.

A sheep claim of \$10.50 was paid to J. A. Savage, lot 25, con. 2, for one sheep killed and one injured.

The bonds for the three township collectors were laid on the table and accepted by the council.

Reports received showed the police court fines for the month of August as \$302.50 and for the month of September \$550.

Mr. J. T. Saigeon appeared on behalf of the King and Vaughan Plowmen's Association and a grant of \$25 was made to the organization.

On motion a grant of fifty dollars was made to Mr. Edgar Brownlee of the eighth concession who suffered the loss of his outbuildings and crops by fire this year.

A communication was received from the East Vaughan Ratepayers Association asking once more for action with regards to lights and sidewalks on Yonge Street. It also inquired if any action would be taken regarding the change of polling hours on election day.

Mr. Gibson, Township surveyor was in attendance and consulted with the members relative to drainage problems on May Avenue, near Yonge St.

Engineer Babcock advised that the contract had been set for the construction of new roadways on Edgar and Oak Avenue. The work will be commenced almost immediately and will be completed by the end of October.

MAPLE

After a long illness, Mr. Wm. Minton passed away at his home on Thursday morning of last week. The interment took place on Saturday when a large number of friends and relatives attended the funeral.
