Council Meeting

COUNCILLOR SLOAN'S RESIGNATION LAID OVER UNTIL NEXT MEETING — PROPOSAL TO LEASE RINK FOR SEASON

The regular October meeting of the Richmond Hill council was held in the clerk's office on Monday evening with Reeve Lunau, and Councillor Sloan Chapman and Hill present.

Magistrate G. H. Duncan appeared before the council and pointed out the necessity of a suitable office for the carrying out of his duties and the desirability of better quarters for holding court sessions. Reeve Lunau gave assurance that the council was willing to cooperate in any way possible and agreed that the council should meet in special session at a later date to consider the matter.

Mr. Wes Middleton appeared before the council with a proposition relative to leasing the municipal rink for the season. The matter was not discussed as Reeve Lunau said that the committee would consider the question and see Mr. Middleton at a later date.

Mr. B. H. Lasher advised the council that the boiler at the rink was getting ancient and was in need of inspection.

Mr. V. H. Metcalfe applied to join the Richmond Hill Fire Brigade and his application was accepted.

The council considered the advisability of purchasing some lead pipe for the waterworks department in view of present favorable market conditions. Councillor Hill wanted to know if there were any applications for new water services. The clerk advised that there were no applications at present. Councillor Sloan suggested that he thought the time opportune for having an inspection of wells by the Provincial Department. He pointed out that the last inspection showed many of the town wells to be in a very unsatisfactory condition. No action was taken.

The resignation of councillor G. H. Sloan was read. In answer to a question of the Reeve the Clerk stated that when a vacancy was created on the council previous to November 1st it was necessary to have it filled. Apparently not anxious to bring a new member on the council at this time of year it was decided to withhold action on the resignation until the November meeting.
