Markham Fair held last Friday and Saturday despite unfavorable weather on the first day will go down in history as one of the most successful ever held. The crowd on Saturday was a record breaker and the exhibits in all departments were numerous and of excellent quality. The program of races was attractive and there were some excellent races on the card. Undoubtedly Markham fair lived up to its reputation as one of the best country fairs in Ontario.

For that matter, no man is a help to anybody who sees him in wrinkled pajamas.

Habit is strong. Last night we heard a political orator and thoughtlessly reached up to turn a dial when he got silly.

The span of life is increasing and science claims the credit, but something is due the fact that the good die young.

**MARKHAM**

Mrs. Martin and daughters Violet and Irene; also Mrs. Douglas Martin and little son Hugh, all of Toronto, were visiting friends here last week.

Mr. and Mrs. Douglas Martin had an exciting experience when on their holidays this summer. They motored to Georgian Bay and boarded a steamer to cross to Manitoulin Island. The steamer struck a rock and there's being the last motor car to go aboard it was catapulted out the gangway into the water, almost all their baggage and good clothes were in the car so they were compelled to return home, but the Steamship Company made a settlement for their loss.

We extend our sympathy to Mrs. Albert Pugh, of Church Street, whose husband died suddenly in Toronto last week as he was about to board the Bus for home. Mr. Pugh was a farmer on the ninth concession for a number of years before going to Toronto. They just came to Markham early in the spring for a change as Mr. Pugh was suffering with heart trouble.

A unique exhibit in the flower section at the Fair was a species of cactus known as the "Night Blooming Cerius" shown by Mrs. Phillips. On Friday evening at 5 o'clock one or two of the eighteen buds were open and by the same time on Saturday evening they were all out in full bloom. Instead of being red like the others the flowers were pure white. The flower was a centre of attraction during both days.

The engagement is announced of Nellie Edna, daughter of Mr. and Mrs. David Russell, Station St., to Mr. Joseph Allison, of Dunbarton, the wedding to take place the end of October.

Rev. W. H. Fuller, pastor of St. Andrew's Presbyterian Church, who has been on his holidays, to the States, has returned, bringing with him his bride. The congregation, assisted by Stouffville, tendered them a reception and presentation Tuesday evening.
