Proposed Municipal Building For
Richmond Hill

The old High School situated at the corner of Yonge and Wright Streets is proposed as a Municipal Building for Richmond Hill, and according to persistent rumors will shortly be taken over by the municipality for that purpose. The need of a proper building which would provide ample accommodation for all public offices has long been the subject of local discussion and the establishment of a police court here has brought the matter to a head as the need of adequate quarters for the court room and offices was a problem which had to be met by the council. It is proposed that the new building will provide accommodation for the offices of the Clerk and Treasurer, an office for the Police Magistrate and a suitable court room, a council chamber, the Public Library and after alterations and additions the Fire Hall. If this proposal is carried out all Richmond Hill public offices will be housed in a publicly owned building and under one roof.

Interviewed by The Liberal this week Reeve Lunau said that although the proposal had been discussed by council that no definite action had yet been taken and that the terms of such a deal would have to be agreeable to the council and to the Board of Education.

UNEQUAL ASSESSMENT
CRITICIZED AT SESSION
OF COURT OF REVISION

The inequalities of Richmond Hill assessment were the subject of considerable discussion at the session of the council as a Court of Revision on Wednesday evening. Reeve J. Lunau presided and councillor David Hill and Albert Chapman were present.

The facts brought out relative to some of the appeals prompted councillor Hill to strongly criticize present conditions of assessment. "As near as I can figure out our assessment is rotten" he said and he favored a revision as soon as possible. Reeve Lunau said that the council had considered the matter very carefully and that they deemed the winter months the best time to proceed with the work. The 1929 council would therefore take it up after the New Year.

Mr. William Davies appeared seeking information concerning certain claimed inequalities in the business assessments but as he had not entered any appeal Reeve Lunau ruled the discussion out of order.

In all four appeals were filed; three were allowed and in one case the assessment was sustained.

HALLOWE'EN NEXT WEDNESDAY

The ancient and honored festival known as Hallowe'en will be celebrated next Wednesday evening. Let the young folks remember that the fact that it is Hallowe'en gives no license to disregard the law and that any pranks which cause damage to property or discomfort to citizens are not only in bad taste but will not be tolerated by the community.

Advantages of Public
Health Nursing Will
Be Demonstrated Here

NINE MONTHS DEMONSTRATION WILL INCLUDE RICHMOND HILL, MARKHAM TOWNSHIP AND MARKHAM VILLAGE

At a meeting of the Richmond Hill Board of Health held on Tuesday it was decided to accept the offer of the Provincial Department of Health to conduct a Demonstration of Public Health nursing here. The district included in this demonstration will be Richmond Hill, Markham township and the village of Markham. The demonstration is for proving the practicability of an all-year-round Public Health Service in a combination of rural and urban municipalities. No expense will be incurred on the municipalities except the supplying of headquarters for the nursing staff. It is understood that suitable headquarters for this district will be arranged for in Richmond Hill, and that the office will probably be in the Public School or in the old High School.

The meeting of the Board was attended by Dr. McClenaghan of the Department of Health who explained how the course is conducted and the many advantages to be derived by the community served. The demonstration will be conducted over a period of at least nine months and probably will be continued longer. It is understood that it will commence in the very near future.

This announcement should be welcomed in Richmond Hill and throughout Markham Township as the benefits of this splendid work which is carried on by the Department of Health are now generally recognized. Any movement which aims to further the advancement of health is worthy of support, and we have no doubt but that the Department representatives will have the whole-hearted co-operation and support of the people of this district.

LANGSTAFF

SCHOOL CHILDREN HEARD INTERESTING TALK

The pupils of Langstaff Public School were favored last week by a very interesting talk by Mr. Ramon P. Mitra of the Philippine Islands. Mr. Mitra is governor of a jail on Palawa Island and in his care are twenty three hundred prisoners. Murderers there are not hung but after conviction are committed to a farm and are made to work and support themselves.

Mr. Mitra told many interesting features of his trip around the world and said that of all the countries visited Canada was the most beautiful. A magazine is being sent to the children every month from the Philippine Islands. The address was intensely interesting to the children and was very instructive. The speaker was introduced by Major W. J. Morrison.

Mr. Ramon Mitra of the Philippine Islands and Superintendent of the Penitentiary there, has been visiting with Major and Mrs. Morrison.

Miss Gertrude Salsbury, nurse in training, Kingston, and Miss Norma Hicks of Moscow, have returned home after spending 10 days with their aunt Mrs. Ed. Irish, Langstaff.

At the meeting of the Langstaff Athletic Association held on October 15 the officers for the coming year were elected. The success of the organization thus far was highly lauded by the members at the meeting and the confidence and support which the officers enjoy was demonstrated by the re-election of the entire executive. The executive is as follows:—Mr. R. Ross, President; Mr. C. Ball, 1st Vice-President; Mr. T. Harvey, 2nd Vice-President; Mr. E. Richards, Secretary; Mr. M. Traviss, Treasurer. Social Convenors, Mrs. R. Ross, Mr. R. Ross, Mrs. R. Sparkes, Mr. R. Sparkes, Mrs. Newall, Mr. C. Ball. Sport Convenors—Mr. J. Wray, Mr. M. Traviss. Physical Director—Mr. G. Howell.

SPECIAL HALLOWE'EN/NIGHT ATTRACTION

HOW ABOUT YOUR BRAKES?
Are your brakes efficient? If not it would be a good idea to have them tested as Constable Barraclough stated to The Liberal this week that it was his intention to check up on cars for defective brakes as well as for other infractions of the law. City of Toronto police are very active at present in the matter of checking up brakes and local motorists would be well advised to have their brakes tested at home and secure an "O.K." seal and thus ensure an uninterrupted trip to the Queen City. Good brakes are a necessity for safe driving and in the interests of personal safety and the safety of the general public using the highways it is absolutely necessary that every vehicle be properly equipped with an efficient braking system. A word to the wise should be sufficient; have your brakes tested to-day.

TREES
(BY JOYCE KILMER)
I think that I shall never see
A Poem lovely as a tree
A tree whose hungry mouth is prest
Against the earth's sweet flowing breast.
A tree that looks at God all day,
And lifts her leafy arms to pray;
A tree that may in Summer wear
A nest of robins in her hair.
Upon whose bosom snow has lain;
Who intimately lives with rain.
Poems are made by fools like me,
But only God can make a tree.

SALE OF HOMEMADE COOKING
A sale of homemade baking and candy will be held Saturday afternoon October 27, at 3 o'clock in the store recently vacated by Mr. Stein, under the auspices of Presbyterian church choir.

FOWL SUPPER AND ENTERTAINMENT
A fowl supper and entertainment will be held in the United church, Richmond Hill on WEDNESDAY, NOVEMBER 7 under the auspices of the Ladies Aid. A fowl supper will be served from 5.30 until all are served after which there will be a high class entertainment. Among the artists who will take part are; Miss Queenie McGillis contralto soloist the Toronto Conservatory Quartette, Miss Shiprah Goldstick, nine year old pianist, Mr. William Buck, violinist, Miss Hazel Moore, elocutionist and Mr. Adelmo Mellici, organist. Admission 75 cents.

My friend Thelma says she can give herself as good a shampoo as any beauty shop can with the preparation she got last week from Austin's of course!
