

GORMLEY

A very pretty house wedding took place on Saturday, October 20, when Davina Grace, daughter of Mr. and Mrs. David Fraser, Creemore, became the bride of Donald Victor Wilson, Oshawa, son of Mr. and Mrs. William Wilson, Gormley. The house was attractively decorated with ferns and chrysanthemums. The ceremony was conducted by Rev. J. E. Kirkwood, minister of Creemore Presbyterian Church. The bride who was given in marriage by her father looked charming in her gown of white georgette and lace, with shoes and hat to match. Her veil of embroidered tulle was arranged in cap effect, with pearls and orange Blossoms. She carried a shower of bouquet Butterfly Roses, baby breath and Maidenhair fern. She was attended by her sister, Miss Jean Fraser, as bridesmaid, who wore a period gown of pink georgette and lace and carried a bouquet of Butterfly roses. Mr. Allan Wilson, Toronto, brother of the groom was bestman. During the signing of the register Mrs. J. E. Kirkwood sang. Immediately after the wedding breakfast the couple left on a short motor trip and

on their return will reside in Oshawa. The bride travelled in a navy-blue coat and hat, and Isabella fox fur over a gown of grey and blue flat crepe, with shoes and hose to match.

VAGRANT ARRESTED

Constable Barraclough accompanied by County Constable Thompson on Sunday morning last took into custody one of "natures noblemen" on a charge of vagrancy and the arrest has contributed considerably to the peace of mind of many citizens in and about Richmond Hill who during recent weeks have been concerned for the safety of their chickens, live stock or in fact anything movable about the premises. The man was arrested in a house in the sub-division south of the village where he had taken possession presumably without the formality of consulting the owner. This fact however appeared to be of no particular concern to him and he considered it as merely an unnecessary detail. The accused appeared before Magistrate Brown in the County court on Monday and was remanded a week for "examination."

Letters From The People.

MARKHAM TOWNSHIP FARMER ACTED PART OF "GOOD SAMARITAN"

Editor Liberal, Sir:—

An example of how Government Control and Automobiles are combining for the "betterment" of social conditions was demonstrated in Markham Township a few nights ago when one of our tillers of the soil who was enjoying his peaceful slumbers in his quiet home was aroused by someone seeking admission. Rising quickly and donning his wearing apparel he was indeed surprised to find four young women at his door. They had been brought out to enjoy "an evening of pleasure" at as they supposed some important club function. After enjoying a meal and after they had been offered some strong drink (which they claimed they refused) other autos arrived carrying loads of men. This appeared too "fast" a place for the girls and they took to the fields and found themselves in the hands of a Good Samaritan who kindly motored them to Toronto. The girls were very thankful that they had got out of such "inferno" and were safely guided back to their home city. Now Mr. Editor we contend that such places should not be tolerated in this township. READER

IS THERE A "MATCH" FOR THE PANT SNATCHER

Richmond Hill, Oct. 23 Editor Liberal, Sir:—

Some time ago we read a lot in the press about a "pant snatcher" in Hamilton. Did you ever hear of a "sweater snatcher" in .....? INQUISITIVE READER NOTE:—The vagueness of this letter would prompt us to suggest that it should have been addressed to Dr. Langsner instead of to the Editor. We confess we have heard of cradle snatchers, meal snatchers and a lot of other kinds of snatchers but never of a "sweater snatcher in .....". We don't even know whether the blank stands for the same place usually denoted in print by ..... or whether it stands for Richmond Hill.—(Ed.)

WILL HAVE HOCKEY MEETING SOON

Richmond Hill, Oct. 22nd Editor Liberal, Sir:—

I was very pleased to note the letter from "Hockey Fan" in your last issue. It augurs well for the success of the season that such interest is manifested and is a healthy sign when "hockey hearts beat." I wish to assure your correspondent and all other hockey fans that a meeting will be called in the very near future and I hope "Hockey Fan" and a goodly number of his associates and others who want to see good clean sport in Richmond Hill will be on hand. The date will be announced in The Liberal in ample time so that everybody in Richmond Hill (and most of York County I believe) will know in time to attend. Thanking you for the space.
