MOTION OPPOSING MUNICIPAL BUILDING PROPOSAL DEFEATED

The Richmond Hill Board of Trade met in the council chamber on Wednesday evening. The attendance was not large but there was an interesting discussion of local issues and plans for further organization of the Board were made. Mr. R. Edean presided in the absence of President W. H. Murphy.

An executive of eight was elected in addition to the present elected officers, the new members being R. Edean, G. H. Duncan, W. G. Baldock, J. Lunau, T. H. Trench, C. H. Cowie, J. A. Greene and W. Davies.

There was considerable discussion concerning a recommendation regarding action to equalize the assessment but no action was taken.

The matter of the proposed agreement between the Board of Education and the council re taking over the Old High School was the subject of a lengthy discussion. Mr. T. H. Trench and Mr. W. H. Pugsley spoke at some length in opposition to the proposal. A motion was submitted asking that the Board of Trade go on record as being opposed to the agreement to take over the building but when put to the meeting was defeated.

Among the suggestions brought forward at the meeting was one for the beautification of the west bank on Yonge Street at the south entrance to the village. It was also suggested that as a medium for publicity for the village tire covers could be utilized. These suggestions and others will be considered by the various committees.
