WEDDING

MATTHIE — SMITH

On Wednesday, November fourteenth, at the home of Mr. and Mrs. Jerry Smith, Richmond Hill, was the scene of another happy event, when their daughter Beatrice was married to Willard Matthie, of Carelton Place, Ontario.

Shortly before four-thirty guests assembled from Orillia, Carleton Place, Gormley, Maple, Lansing, Toronto and Richmond Hill. The bride who was given away by her father looked charming dressed in white georgette with veil trimmed with orange blossoms and carrying a bouquet of butterfly roses and maiden hair fern. Miss Queen and Miss Ivy Smith sisters of the bride acted as bridesmaids and were becomingly gowned in pink taffeta with cream lace and coral georgette and wearing a corsage bouquet of roses. The groom was attended by Mr. Bert Thompson, of Toronto.

The home was tastefully decorated for the occasion with ferns and autumn flowers and the ceremony was performed by Rev. A. A. Wall, beneath an archway of pink and white. Immediately after the ceremony tables were set for the wedding breakfast after which short speeches were made by the minister and others.

The happy couple left mid showers of good wishes for Carleton Place, Montreal and other eastern points, the bride travelling in navy georgette and a lovely black broadcloth coat with sable trimming, a gift of the groom.

The bride and groom were the recipients of many beautiful and costly gifts which was evidence of the good wishes of a host of friends and of the popularity of the couple. The groom's gift to the bridesmaids were gold bar pins set with birthstones, and to the best man, cuff links. On their return Mr. and Mrs. Matthie will reside in Toronto.

Wright was appointed a member of the Library board to represent the childrens hour, which will be continued through the winter months. Elaborate arrangements were made for the Christmas party. The speaker for the day was Mrs. A. A. Perry who took as the subject, "The Woman and Her Vote" and treated the members to a very interesting address touching on many topics of timely interest.

TEMPERANCE EDUCATIONAL CONTEST

The Temperance Educational contest which opens November 18 promises to be very interesting. The lessons given in the Northern Messenger may be secured through the United Church Sunday school or through the local W. C. T. U. The material used for this nation wide contest is taken from the Canadian Lesson Book on Temperance and Life. This book given scientific facts about alcohol and is recommended by educationalists as a study book. The twelve lessons; one for each week may be secured for the sum of ten cents (Per twelve copies).

There are two classes—Senior 14, 15, 16, 17 years and junior open for all under 14. Attractive prizes are offered by the local W. C. T. U. and also by the county, province and Dominion. The examination papers will not consist of difficult questions. The idea being to acquaint the pupil with facts contained in the lessons. Permission will be given for the examinations to be written at home, with free access to the papers containing the lessons—hence the importance of preserving all of the twelve issues. This is not a competition in which the prizes are the only goal. The knowledge obtained through these studies will be of inestimable value to the boy or girl as he or she grows into manhood or womanhood.

It is earnestly hoped a large number of our young people will embrace this opportunity to acquaint themselves with scientific facts regarding the effects of alcohol on the human body. We would urge the parents to encourage their children to enter this contest if for no other reason than its educational value. The prize list will be printed in detail at a later date. For further information communicate with Mrs. J. P. Wilson or Mrs. A. L. Phipps, committee for this local work.

Mr. Henderson, of Toronto, is relieving Mr. Franklyn Lunau, the teller in the Bank of Nova Scotia, while the latter is on his holidays in Northern Ontario.

Some of our citizens have arrived home from a weeks hunt in the district North of Parry Sound.

Sunday was Armistice Day and the weather being ideal, large congregations were present in all the churches for the special Thanksgiving services which were held. Monday, the weather was very unpleasant for those who wished to enjoy the last holiday of the motoring season.

Severe colds are prevalent. A number of people are confined to their homes with a cough resembling whooping-cough.

Mrs. Thos. Morgan who was about to leave on her annual trip to Florida was taken suddenly ill and is still confined to her bed. At last report she was considerably improved.

The many friends of Mrs. John Whitson, of Athaview Farm, Claremont, were shocked to hear of her sudden death on Friday night. Before her marriage, she was Annie Hossark and was raised in the home of her uncle, Peter Mustard whose farm was on the ninth line and was well known in this community. Much sympathy is felt for the husband who has been ill for some months and the two daughters. The funeral which was very large, took place on Monday to St. Andrews Cemetery here and the service was conducted by Rev. W. H. Fuller.
