

## Rheumatism no Part of Nature's Plan

She offers her healing herbs to stop suffering

When America was wilderness, Indians were using herbs successfully. From the Redmen, 50 years ago, James Gallagher learned herbal secrets and compounded Gallagher's Herbal Household Remedies. His famous Kidney Remedy has helped many a sufferer from Rheumatism.

This fine, time-proved remedy, drawn from the heart of Nature, heals and cleanses kidneys. Quickly stops back-ache, dizziness and other nagging kidney and bladder ailments. Try it! For sale by

## LETTERS FROM THE PEOPLE

### MARKHAM VETERANS WANT SOME ACTION REGARDING WAR TROPHIES

Editor of the Liberal,

Dear Sir—  
Please allow us space in your valuable paper to express our opinion in regard to the action of the Markham Township council re the mounting of war trophies donated to the Township.

To enlighten the public we may state that two machine guns are now in a deplorable state for want of proper erection and attention, while no one made favourable comment on this worthy piece of work several members of the council voiced their opinions against it. Mr. Stiver a prominent member spoke of them as pop-guns and Mr. Smith said they were of no use. Mr. Beatty wanted to know where they were at present. Mr. Padget and Mr. Gohn did not give their opinions.

Now Mr. Editor, we know these trophies are of no practical value but we feel that our request deserves more attention than that given by our worthy council.

Let us keep faith with those who have sacrificed their lives for us and

may the memory of their brave deeds be never forgotten.

Yours truly

Markham Tp. War Veterans Associ.  
Allen Meyer, Secretary-Treasurer

### Victoria Square

The members of the J.W.I. met at the home of Miss Laura Gee on Saturday, November 3 at 2.30 p.m. The meeting opened with the singing of the opening ode, followed by the Lords Prayer. The roll call was splendidly responded to by a helpful idea for blue Monday. Then followed the debate "Resolved that the freedom allowed to modern young people is good for them." The affirmative side was upheld by Miss Mae Meek and Miss Mabel Boynton while the negative was upheld by Miss Dorothy Valliere and Miss Ethel Mortson. Both sides put up a strong argument, but the judges Rev. Haig, Miss Laura Gee and Miss Vera Nichols finally decided in favour of the affirmative. Miss Pearl Ash, of Toronto, sang a solo which was much appreciated by all. Community singing a new idea on the program was well enjoyed by all. A dainty lunch served by the hostess brought the meeting to a close.

## Announcing the NEW OAKLAND SIX Olympic Series

with an array of features unusual for cars in its price class

ANOTHER predestined champion enters the field. Keen . . . clean-cut . . . capable!—Ready to meet every challenge . . . to set a new high record of performance. Oakland presents the new Olympic Series . . . refreshingly original . . . brilliantly executed.

Created by engineers famous for their contributions to automotive design. Built to amazingly rigid standards of precision . . . on a 117-inch wheelbase.

Daring in style . . . superb examples of Fisher originality and automobile body genius in creation. Brilliant in beauty . . . revealing new harmonies of color and lines. Seven new body styles. Triumphantly new . . . different . . . finer.

A new chrome-plated radiator . . . high . . . narrow . . . surmounted by a large flat bayonet cap . . . graced by a new front of exclusive chevron design . . . flanked by new seamless full-crown fenders, with a 71-inch spread, which completely shield the massive new wheels.

A sweeping hood . . . high and rakish . . . distinguished by an

effective new grouping of louvers. New chrome-plated headlights and cowl-lights.

And such glorious performance as you've never known before. Soaring top-speed. Flashing pick-up . . . 10 to 25 miles an hour in six seconds.

Such balance . . . such smoothness . . . such silence . . . such poise. The results of Oakland's great new 228 cubic-inch engine, with exclusive rubber-cushioned mounting . . . 81-lb. crankshaft . . . harmonic balancer . . . larger, improved carburetor . . . G-M-R cylinder-head.

Such marvelous control. Steering ease from a new-type mechanism. Braking ease from the new Oakland internal-expanding four-wheel brakes . . . requiring minimum pressure for a sure, silent, velvet-smooth stop.

And only the highlights have been mentioned . . . only a hint regarding the pulse-stirring performance and style of Oakland's OLYMPIC Series. To get the full picture . . . come in and learn what Oakland price will buy.
