

Newtonbrook Newsy Notes

Mrs. Drewry, corner of Connaught Avenue and Yonge Street, met with a very painful accident a few evenings ago by being knocked down by an automobile. She was badly bruised and unconscious for some time. According to last reports, however, she is doing nicely.

The Bazaar conducted by the Woman's Association of the United Church, on Thursday, November 15, proved not only a successful financial enterprise but a delightful social event as well. There was a constant stream of visitors, who not only purchased readily the beautiful things exhibited but enjoyed the afternoon tea, many staying for supper and the lecture.

The bazaar was gracefully opened by Mrs. Phillip Jourdan, the widow of a former pastor, and during the afternoon music was provided by Miss Helen Bales.

In the evening, Rev. R. Newton Powell, of Toronto, delivered his lecture, "A Trip Through Europe," which was illustrated by slides. He took his hearers through France and Switzerland and Italy and ended by exhibiting scenes of the battlefields, graves and monuments erected to the memory of Canadian soldiers in Northern France.

The Woman's Missionary Society met on Tuesday afternoon, at the Parsonage. Mrs. Cade gave a very interesting and informing talk on the origin on missionary work by the Canadian church in Angola, Portuguese West Africa. Mrs. D. H. Bales contributed a special solo to the pleasure of the members.

Keen interest was taken in the Missionary anniversary services last Sunday. Mr. Arthur T. Ingram gave a good business-like address, full of information and inspiration in the morning. We have sent fellow men and women into the mission fields to be our representatives and it is both our privilege and our obligation to support them. Excellent reports were brought from all the far-flung line of our missionary work. Over one thousand missionaries are giving a good account of themselves. It is the

part of the church at home to be equally faithful, consecrated and self-sacrificing.

In the evening the Rev. Denzil G. Ridout, one of the Secretaries of the fund, gave a stirring address illustrated with slides depicting missionary work as it is now done by our missionaries. It was a graphic exhibition of the beneficent work financed and supported by our Church people and it was thrilling to realize that such good work was being done for needy people in so many different places. Truly, they who do and support such enterprises, are the children of God and the friends of man.

Monday evening proved to be very unpleasant. In the absence of the expected speaker the pastor, Rev. E. R. Young, gave an address that dealt with one phase of citizenship work, "The Clash of Color." He took his hearers on a little trip to "The land of the Darkies," and while it had much that was provocative of thought and revealed hard social problems that were far from being solved, the address was full of humor and laughter, such as is revealed in the life, stories and sayings of these colored people. Those present thought they had a most enjoyable evening and felt well repaid for braving the unpleasant weather. Miss Irene Smith contributed a special solo, which was much enjoyed, and Miss Eva Tate was the chairman.

The people here are looking forward to the week of preaching and song to be conducted by the distinguished preacher, Rev. Solomon Cleaver D.D., of Toronto, and which begins next Sunday morning. Dr. Cleaver has filled some of the most important pulpits, not only in Toronto, but in Ontario. He is now giving himself to evangelistic work and has conducted many successful campaigns in many parts of the country. His eloquence, hopefulness and personal charm make a strong appeal to old and young alike, but especially to the young people. To hear Dr. Cleaver once, people desire to follow him to the close of the meetings.

WILLOWDALE

REEVE W. W. ANDERSON WILL RETIRE FROM OFFICE

Reeve W. W. Anderson, of North York township announced this week that he would not contest the reeve-ship in the coming municipal elections. Mr. Anderson is retiring after three years of service to the township, the last two of which have been spent in the reeve's chair.

In conjunction with Mr. Anderson's retirement, James Muirhead, veteran councillor, has announced that he will be a candidate for the vacant post. Mr. Muirhead is the only member of the present council who has held continuous office since the formation of the township in 1922. He was a member of the committee which divided the present municipality from the old original York township.

While no formal announcement has as yet been made it is believed that R. F. Hicks, who was in the reeve's chair prior to Mr. Anderson's election, will oppose Mr. Muirhead.

Another good test of will power is to sit beside the driver and not comment on his technique.

Another good intelligence test is the choice between a \$30 white-collar job and a \$75 overall job.

An executive is a man who looks solemn and tells you to go ahead and do the best you can.

Ten Years in Hospitals

How would you like to spend ten years of your life in hospitals? Perhaps you would be glad if you had no other home most of the time and the hospital offered the only chance of staying alive. Mrs. Patrick has been living this way for years. Her trouble? Common enough—consumption, and she is poor and almost friendless. Her present stay at the Toronto Hospital for Consumptives has done her so much good, however, that she believes she will stay out for good when she leaves. She is anxious to get away to a quiet life in some small town, perhaps to open a small millinery shop. The excellent treatment she has been getting has put new life and new hope in Mrs. Patrick; but, of course, she and so many hundreds of others who have spent their last cent in the search for health must be helped by warm-hearted friends. A contribution from you would be greatly appreciated. Such may be sent to Hon. W. A. Charlton or A. E. Ames, 223 College Street, Toronto 2, Ontario.

A First Aider to the Rescue

"I was going to work on my motorcycle," explained the victim of a serious accident as he lay on a snowy hospital cot, "when an auto came out of an alley, threw me to the pavement, tearing my foot off and severing an artery. Fortunately a Bell Telephone man was passing. He stopped the bleeding, made a tourniquet and had me in a fine shape when the ambulance arrived."

Instruction classes in all ranks of telephone employees have turned out an army of skilled First Aiders who are continually happening along when some victim of serious mishap is in dire need of assistance. Knowing what to do and just how to do it has saved many lives. Seventy per cent of all Bell Plant workers are qualified First Aiders.
