WEDDING

HILL — MILLER

The new Erskine United Church, decorated with ferns and pink mums, was the scene of its first wedding on Wednesday evening, when Dorothea Helen elder daughter of Mr. and Mrs. Richard T. Miller, became the bride of Albert Richmond Hill, youngest son of Mr. David and the late Mrs. Hill, of Richmond Hill, the pastor, Rev. R. S. Laidlaw, D. D., officiating. The wedding music was played by Miss Maude Masecar, and during the signing of the register Miss Suzanne Angus sang. The bride who was given in marriage by her father, wore a charming gown of white chiffon over shell pink, with chantly lace points falling to the feet. The bride's only ornament was a beautiful string of pearls with a diamond clasp, the gift of the groom. Her veil was of net with inserts of hand-made point lace and was caught in cap effect by a strand of orange blossoms from which fell a misty cloud of tulle. She wore white satin slippers and carried a shower bouquet of Butterfly roses and lily of the valley. The bride was attended by her sister, Miss Marian Miller, in pink taffeta, and Miss Frances Cootes in blue taffeta. Their frocks were fashioned alike in period style, featuring the uneven hemline, and were frilled with net. They wore hats of felt matching their gowns and silver slippers, and carried sheafs of pink mums. The groom was attended by Mr. Rand Phipps as best man. Mr. Jack Miller, brother of the bride, and Dr. Carl Hill, brother of the groom, acted as ushers. After the ceremony a reception was held at the home of the bride's parents. Mrs. Miller wore a gown of beige lace, with a black velvet hat, and a corsage of lily of the valley and Killarney roses. Mrs. Victor Pugsley, sister of the groom, wore a modish gown of blue georgette trimmed with velvet, with a metallic hat and corsage bouquet of lily of the valley and Richmond roses. Later the bride and groom left on a motor trip to Ottawa and other Eastern points, the bride travelling in a French frock of brown crepe satin, fox trimmed muskrat coat, with brown hat, shoes and bag to match.

RADIO WORLD AWAITS GREAT FIRESTONE PROGRAM MONDAY NIGHT

The inaugural program of the Firestone Tire & Rubber Co. has been set for Monday evening, December 3. The broadcast will be over 41 leading stations, associated with the National Broadcasting Co., with short wave transmittal linking up every country in the world.

This will be the greatest event in industrial radio history because of the fact that it will be world-wide and because of the number and rank of the artists taking part in the program.

Frank Bauer, famous tenor, who heads the program, will be heard on the air exclusively as "The Voice of Firestone." Bauer is well-known as a former principal of the Ziegfeld Follies and a Victor recording artist.

Miss Vaughan De Leath, noted contralto is widely known as the Original Radio Girl. Her unusual voice has earned her an international reputation.

Supporting these soloists will be the finest radio orchestra — 35 pieces — ever assembled.

Further variety is given the program by a wonderful octette made up by combing two great quartettes.

Every member of the family should "stand by" for the opening Firestone program on Monday night, December 3, at 8 p. m. Eastern Time, and following Monday nights at the same time. These concerts are being sponsored by the makers of the famous Firestone Gum-Dipped Tires.

OBITUARY

LATE ANDREW A. NESS

The death occurred on Wednesday, November 14th, of Andrew A. Ness at his late home 46 Atlas Avenue, Toronto. The late Mr. Ness was born at Patterson in Vaughan Township some fifty six years ago and at an early age moved with his parents to King, where he spent his boyhood days and received his schooling. He first entered business with the Robertson Candy Co. with which firm he was associated for a number of years. Later he was identified with the Christie Biscuit Co. and served with this firm both in Toronto and Ottawa, and enjoyed to remarkable degree the confidence and esteem of his associates in business where his passing is keenly mourned. The funeral which was held on Friday, November 16th was very largely attended by friends, relatives and business associates and the profession of floral tributes was evidence of the high esteem in which the deceased was held. Rev. Walter Amos a friend and minister of the family for many years conducted the service. Interment followed at Mount Pleasant cemetery.

Left to mourn his passing besides his widow is one daughter Margaret Edith, of the Collingwood Collegiate staff as well as four brothers, Thomas of Boston; John of Montreal; William and Walter of British Columbia, and two sisters, Mrs. W. S. Jenkins, of Carman Man, and Miss Helen B. Ness, of Richmond Hill.

Newtonbrook Newsy Notes

Mr. Percy Riddle, of Steel's Corners met with a very serious accident last Friday while he was working on the St. Andrew's Golf Club building. He broke a leg near the thigh, tore his left hand and was otherwise injured. He was rushed to the General Hospital and will be confined there for some time.

Mr. Gordon Galbraith, we are glad to say, is around again, having made a good recovery from his recent illness.

Mr. and Mrs. Paul, of Brockville, are guests of their aunt, Mrs. Thomas Street, while visiting the Royal Winter Fair.

Mrs. Henry Stewardson, of Lake Orion, Mich., is visiting her aunt, Mrs. F. Summers.

Miss Doris Goulding, of Macdonald Hall, Guelph, spent the week-end with her parents.

Mrs. E. Barker, who has been on the sick list for many months, had a very unfortunate accident when she was being taken to see a specialist in the city. The car in which she was riding was caught in the traffic on Spadina Avenue and was smashed. The flying glass cut Mrs. Barker badly and she was rushed to the Western Hospital. After first aid was rendered she was permitted to return home where she is confined to her bed.

The Young People's Society, on Monday, December 3rd, will attend a rally of the Young People's Societies of the Toronto Centre Presbytery at the Bond United Church on Oriole Drive.

The Zion Ladies Aid Society met last Thursday at the home of Mrs. Edmund Traviss. The piano, that the ladies put into Zion United church some time ago is now paid for and the ladies are the recipients of the thanks and congratulations of the members of the congregation and the official board.

Mr. and Mrs. Roy Middlebrook, of Pemberton Avenue, lost their twin baby boy, Joseph William, last Friday. The little boy died in the Sick Children's Hospital and was buried on Saturday at the Necropolis. Much sympathy is extended to the sorrowing parents.

The Rev. Dr. Cleaver, of Toronto, had two fine audiences to preach to on Sunday. The wonderful city pulpit orator has lost none of his power. He is, if anything, more earnest that people should heed the message that he bears. In the morning he spoke of the tragedy of many lives; rushing on without God's best blessing to them the presence of Christ in their heart and lives. The world needs Christ to-day, as it never needed Him before, and without Him, it is not extravagant to say, that it is lost. On Sunday evening Dr. Cleaver spoke of the wastage of human life; that which might be of such usefulness to the glory of God and the blessing of humanity, turned by sin and selfishness into waste places, breeding grounds for foul things. On Monday and Tuesday evenings, Dr. Cleaver spoke more particularly of man's part in salvation; opening the heart to God by prayer and permitting God to abide in the soul to work His divine will. Dr. Cleaver will speak every evening this week except Saturday, at 8 p. m. The song service begins at twenty minutes to eight. Mr. Alex Park, of Toronto, is an excellent song leader. He will be present Friday evening, and at both services on Sunday. There will be a song service at ten-thirty in the morning as well as at twenty minutes to seven in the evening.

On Tuesday evening, December 4th., Dr. Cleaver will tell the story of "Jean Val Jean," the classic story of Victor Hugo's "Les Miserables." Dr. Cleaver is noted for his word pictures and Jean Val Jean is his masterpiece. He has told this story to crowded churches from the Atlantic to the Pacific and the people of Newtonbrook and environs have a great treat in store for them. They will, no doubt, crowd Newtonbrook church on this occasion.

Home and School Entertainment
 Mr. James Fax again proved a great drawing card in Newtonbrook. The gymnasium of the new School was taxed to capacity last Thursday evening to accommodate the people who wished to hear him. He was supported by an excellent group of entertainers. His accompanist, Miss McGregor, was superb and her instrumentals were very fine. Miss Bird with her cello is a great artist. The songs of Miss Barker and the violin selections of our local artist, Miss Lewis, were fully appreciated. A cordial vote of thanks was extended to the entertainers by Mr. G. R. Goulding, which was seconded by Miss Tate and most heartily endorsed by the audience. Mrs. Nuttall, in a gracious speech, explained the purpose of the entertainment. Rev. E. R. Young filled the duties as chairman.

Mrs. Melinda Cummings Carlisle The announcement of the death of Mrs. Carlisle, the wife of Mr. George Carlisle, second line east, North York, on Thursday, November 22nd, came as a great shock to her many friends. Besides her husband she leaves two

children; Miss Flossie at home and Mr. Cecil Carlisle, of Hamilton. The funeral service, held on Monday at the family residence, was very largely attended. Interment took place in the Richmond Hill Cemetery.

ANNUAL APPEAL OF THE BIBLE SOCIETY

The intimation that the Richmond Hill branch of the Bible Society is planning to make the annual canvass during the next few weeks, recalls something of the immense work which this organization is doing throughout the world.

Just a few weeks ago, at Queen's Hall in Old London, the Society held its 124th Annual Meeting. A year previously it had been announced as a remarkable achievement that the Bible, or Portions of it had been translated into fourteen new languages. But last year even this record was passed. The versions published by the Society now account for 608 languages and dialects. These include the entire Bible in 145 forms of speech, and at least one complete book of Scripture in 317 others. Fifteen of the new versions have been added since the 1st of April 1927—an average of about one every twenty-four days.

As in previous years, Africa takes the lead, as nine of the new versions are for tribes in this great land. Two are for the South Sea Islands and the rest for European Peoples.

In the Italian Colony of Eritrea, there lives a pagan tribe numbering about 40,000 and speaking a language called Kunama. In 1906 the Gospel of St. Mark was translated into their language, now the Society has published the New Testament.

A form of Arabic known as Sudan colloquial is spoken by groups of Arabs whose fathers took part in the fighting around Omdurman 30 years ago. Two lady missionaries have prepared a Gospel of St. Mark in this form of speech and it has been printed, using the letters of the English alphabet adorned with many strange accents as a basis for the newly written tongue.

During the past year over 9,000,000 Bibles and Scripture Portions were sold and distributed throughout the world by the Society, and it is of particular interest to note that Canada absorbed 111,000 volumes in almost 100 foreign languages and 336,000 in English.

The Bible Society has always enjoyed the confidence and support of the people of this community. There is no great undertaking in which we are engaged which is more worthy of our help.

The officers of the local branch are Rev. N. Wellwood, President and W. A. Wright, Secretary-Treasurer.
