### SANTA CLAUS IS COMING

Elsewhere in this issue it is announced that Santa Claus will arrive at Davies Dry Goods Store on Saturday, December 15th and will receive children of the district from 2.30 until 5.30 p. m. This is an annual event for which the children of the district look forward and this year they will not be disappointed. Davies Store is artistically decorated for Christmas and is well stocked with toys and a multitude of presents for every member of the family. Read the store announcement on page four of this issue.

### PRESBYTERIAN Y. W. A.

The Young Women's Auxiliary of the Presbyterian Church, Richmond Hill, met at the home of Mrs. N. Price 171 Davisville Ave., Toronto, on Wednesday evening, December 5. Mrs. K. Blanchard gave a very interesting paper from the study book on "Co-Workers by the Sea." The election of officers for 1929 resulted as follows: President, Miss Reta Stein; Vice-President, Miss Mabel Mackie, Secretary, Miss Mildred Mackie, Treasurer, Miss Frances Drury; Supply Secretary, Margaret Ireland; Press Secretary, Gladys Savage; Junior Look-out Secretary, Lucy Savage; Literature Secretary, Mary Drury; Welcome and Welfare, Mrs. N. Price. At the close of the meeting a social half hour was enjoyed by all.

### CURLERS ENJOY FRIENDLY GAMES

Richmond Hill curlers enjoyed their first taste of the 'roarin' game this week. Last Friday evening two rinks were guests of the Toronto Curling Club to luncheon and after which a friendly game was enjoyed. The local rinks were, W. Benson, F. J. Mansbridge, James McLean, G. Moodie skip; G. Gorman, J. E. Smith, J. S. McNair and G. Yerex skip. The game on artificial ice at this early date was greatly enjoyed and Richmond Hill rinks finished six points and one point down respectively. On Wednesday two other rinks visited the Granite Club and enjoyed some excellent games. The personnel of the rinks were, H. Bennett, C. V. Wright, J. A. Monkman, Harry Thomson skip; W. H. Frisby, B. Bennett, F. J. Mansbridge, Frank Sims, skip. The score gave Richmond Hill rinks the small end of the score by some ten points.

COMING—Dr. F. E. Luke, optometrist at Austin's Drug Store, Richmond Hill, Friday, December 7th, from 1.30 p. m. to 8 p. m.

### Hockey Notes

(By Rail Bird)

#### RICHMOND HILL TO HAVE A STRONG O. H. A. TEAM THIS WINTER

Richmond Hill seem to have the Hockey craze this winter and has entered the O. H. A. The local club is grouped with Oshawa, Varsity II, Willowdale, and Newmarket. The Richmond Hill aggregation promises to be the strongest team that has ever donned the green and white for many years, and they are picked to go along way before the season is over. Just as soon as there is ice on the Local Arena the boys will start their practices and are looking forward to the whole hearted support of the town and district. The club is working hard to put Richmond Hill on the map in the hockey world and look to the public for support.

Just who will wear the Green and White uniform is not known, but manager Middleton and other members of the club are working hard to give the fans of North York something to talk about this winter.

#### A False Alarm

The officers of the Richmond Hill Hockey Club were all worked-up on Monday night, when a wild rumor was circulated concerning some local players. It sure was just a rumor though and maybe a nightmare, because it certainly was a false alarm. It was reported around town that three members of the Local Hockey Club had signed certificates to play with a team in Toronto this winter and when one of the committee heard about it at eleven o'clock was all for calling a meeting at 12 o'clock that night. But it was adjourned when they found it was only a FALSE ALARM, and the evening ended with another wild rumor "spiked."

Don't you think it is about time Richmond Hill is starting the younger "fry" into Hockey? There are plenty of Junior and Juveniles around town at about the right age to start into the game. Here is a list of the boys for any person that is willing to take hold and get the boys together at the Arena when there is practice; Art Crean, John McLean, "Curly" Lynett, Ralph Mackey, Herb Sharpless, Nelson Graham, Ted Bennett, "Sunny" Kendall, Bill Savage, Jim Grainger, Lewis Sims, Alf Stong. This bunch of boys all have three and four more years in Junior Hockey and if they are coached and well managed will take their place on the regular team in years to come. How about it somebody, give the coming generation a opportunity to make good. Other towns smaller than Richmond Hill have good Junior and Juvenile teams and why can't Richmond Hill?

#### NEW RADIO SERVICE ANNOUNCED

Mr. Allen T. R. Armstrong who has been actively engaged in radio work for the past eleven years and who for the past few years has been connected with Toronto's most successful radio firm announces in this issue that he has arranged for a radio service within the reach of the Radio Public of York County. It is interesting to note that the Armistice had been signed only one week, (November 18, 1918) when the late T. F. McMahon former publisher of The Liberal granted to Mr. Armstrong permission to string an aerial to one of the poplar trees at the rear of the Liberal Office lot. The announcement of the inauguration of this service should be welcomed by radio users of the district and the Liberal wishes Mr. Armstrong every success in the undertaking. He is very capable to undertake work of this kind and thoroughly understands the business and we bespeak for him the generous patronage of the residents of York County.

## Markham Township Council Held Regular Meeting

The December meeting of the Markham Township Council was held in the Township Hall, Unionville on Monday afternoon with Reeve Gohn in the chair and all the members present. It was a most harmonious session with no controversial matters to mar the complacency of the atmosphere and was absolutely devoid of any indications that the annual elections come off before one month. Business was transacted with despatch and earnest consideration was given to all various problems coming up for discussion.

The very bad weather of the past month has made it almost impossible to get any work done and the continuous wet weather interfered to a large extent with the fall program of the council. Many small jobs which it was planned to have completed are still undone, however it is hoped to fix some of the very serious sections as soon as it freezes up so that one of these jobs which it had planned to do was Elgin Street, Thornhill and Mr. Hopper and Mr. Tassey appeared complaining that the work had not been done. They painted a very desolate picture of the deplorable condition of the road on which it was claimed there was practically no expenditure by the township in the past fifty years. The road was practically impassable and the several residents served by the road wanted relief. The council agreed unanimously that the conditions as outlined by the deputation existed and were agreed that something must be done. It was pointed out that the council had visited the road and agreed to construct a culvert and spend \$125 in gravel. Mr. Hopper thought that this expenditure would only be a waste of money as if the job was not done right anything in the nature of a very light coat of gravel would be lost in no time. The advisability of using stone or gravel was discussed at some length and in the end was left with Road Supt Middleton to secure the best material and go ahead with the job as soon as possible.

Mr. Scutchins of Milliken, appeared before the council on a mission which he stated had been hanging fire for eighteen months. He was present regarding a ditch in the Milliken district the opening of which appears to be a contentious matter and one which has been hanging fire for some time due to the inaction of certain interested parties. It was the inaction and apparent disinterestedness of one particular party that Mr. Scutchins complained of and after some discussion it was decided that an engineer would be called in to make an award and have the conditions regarding the ditch in that neighbourhood definitely outlined to the interested parties. All interested in the drain will be notified of a meeting by the Clerk which will be held in the near future.

Residents of Helen Avenue complained of the condition of the ditch and of a certain culvert. The matter was referred to engineer Babcock. The residents of this street also asked for the construction of a culvert leading off the Kennedy road to the Wayside Market which will be established at the end of the street. The request was referred to the Roads Commission of the County.

A bill for the lighting of streets in Thornhill was received amounting to \$328.20 for that period from February 11th to October 11th, but was laid over until further information could be secured.

It was pointed out that the expenditure on the Markham-Scarboro townline for this year in all amounted to \$1826.22 one half of which amount was chargeable to Markham Township. The council will endeavour to meet the Scarboro council in an endeavour to straighten out some standing accounts of previous years before making a settlement for this year.

Mrs. Ogden and Mrs. Stiver appeared on behalf of the Unionville Public Library and pointed out the efforts that were being put forth by that organization in its endeavour to better serve the community. The council was in sympathy with the work and made a grant of twenty-five dollars and also gave a refund of eight dollars paid as rental for the Township Hall.

A motion was passed fixing the date of court of revision re the construction of roadway on Helen Avenue for January 14th.

On motion by Deputy-Reeve Padgett and Deputy-Reeve Stiver that the clerk be instructed to communicate with the Veterans organization with the view of ascertaining the number of war memorials that Markham township is entitled to and which are available and suitable for mounting when a suitable place is decided on. The motion was carried unanimously and the comments of the members made it very clear that there was no evidence of any sentiment other than that of the utmost respect for any such memorials of the Great War as might be available for the Township for mounting and erecting in public places. If it is found that the Township has available certain trophies

which can be located, they will probably be suitably erected either at the Memorial rink or at the Township hall.

The yearly by-law fixing the date of nominations as Monday December 31st and election day as Monday, Jan. the seventh was passed and the following polling places and deputy returning officers appointed.  
No. 1, Thornhill, D.R.O., N.J. Smellie;  
No. 2, Kerswill's House, Elgin Mills, D. R. O., D. W. Clubine; No. 3, Buttonville, D.R.O., Cline Burr; No. 4, Temperance Hall, Victoria Square, D. R. O., Thos. Frisby; No. 5 Township Hall, Unionville, D. R. O., James A. Gibson; No. 6, Cashel, D. R. O., A. H. McKinnon; No. 7, Lot 8, Con. S. D. R. O., Geo. Cowie; No. 8 Lot 11, Con. S. D. R. O., A. A. The following accounts were passed, W. J. Bell, supplies for M. O. H. \$5.60; G. A. M. Davison, stamps \$6.00; Bickle Fire Engine Co, supplies for fire truck \$3.81; Willow Lake Garage, repairs to fire engine \$3.75; W. J. Clayton, constable salary and mileage for November \$49.40; P. Petch, constable salary for November \$25.00; R. Wideman 1 sheep killed by dogs \$20.00; A.E. Jupp ditching on sixth concession \$340.40; Marjison and Babcock engineering fees \$295.75; W. Luesby sidewalk at Thornhill \$106.51; W. Middleton, salary for November \$125.00; Bowden Lumber Co. \$15.89; Langstaff Supply Co., tile \$10.00; A. Pearce, gravel \$12.

Road accounts; Alex Duncan, Unionville \$163.40; P. Forsyth, Markham \$43.25; D. Boyd, Stouffville \$60.00; R. J. Cunningham, Gormley \$97.25; D. Graham, Stouffville \$14.35; G. Hoover gravel \$361.38; W. McDonad, gravel \$399.; W. L. Rainey, gravel \$171.38; J. G. Wideman, Stouffville \$3.25; R. F. Mann, Markham \$3.50; J. Curtis, Gormley \$13.00; G. H. Bennett, work on Markham-Scarboro townline, one half to be paid by Scarboro, \$72.00.

The fine new shed at the Township Hall has been completed and is a very satisfactory job. When the building was first thought of tenders for the work were called for but on after consideration it was decided that the committee should undertake the work. It has been completed at a smaller cost than any of the tenders received and is a creditable and serviceable structure which will be an asset to the township. It was decided that as soon as weather conditions would permit all Township machinery will be gathered in and stored in the shed.

Council adjourned to meet in statutory session on Saturday, December 15th.
